

1. Write a program to solve Exercise #2 on page 63 of the assigned textbook.
2. Write a program to solve Exercise #3 on page 63 of the assigned textbook.
3. Write a program to solve Exercise #4 on page 63 of the assigned textbook.
4. Write a program to solve Exercise #11 on page 64 of the assigned textbook.

For each of the exercises:

1. screen dump of successful compiles and links
2. screen dump of program executions
3. screen dumps of code

Make sure your name is written on each page.
