12. *sg* = singular/tunggal

* Kamus ringkas ini disusun berdasarkan *Kamus Indonesia-Tetun*, *Tetun-Indonesia* karya penulis sendiri, *Kamus Indonesia-Inggris* John M. Echols dan Hassan Shadily dan daftar kata bahasa Dawan yang dibuat penulis. Kamus ini tidak mencakup kata kerja berhubung kerumitan untuk mencantumkan padanan kata kerja bahasa Dawan, yang biasanya harus dituliskan dalam bentuk konjugasi (karena bentuk infinitif belum dikenal dan digunakan secara umum meskipun sudah dirumuskan oleh sejumlah ahli kebahasaan). Untuk mempelajari kata kerja, silakan lihat tabel kata kerja tiga bahasa pada situs <http://uabmeto.blogspot.com>.
