

BEAUTIFUL SAVIOR

by
John S. Moon

WORLD

World what have I done to you

World you hit me when I came out of
mother and
made me cry

World I was only a little baby.

World what have I done to you to make you
so dark
and cold

World you took my Lord Jesus Christ away.

World my Lord Jesus Christ will come back
and take
you away.

MY TRUE LOVE

How many valleys must I walk through
before
I find my true love?

How many mountains must I climb before I
find my true love?

How many rivers must I cross before I find
my true love?

How many only my Lord Jesus Christ
knows.

LONELY SOLDIER

Lonely soldier, you have two enemies,
one within and one without.

Lonely soldier, you can destroy enemy
without, but enemy within you,
you will have to fight for the rest of your
life.

Lonely soldier, your enemy without is the
world
and your enemy within is yourself.

Lonely soldier, to destroy your enemy
within,
you will have to give up yourself and
accept Jesus Christ as your Lord and Savior.

BABY JESUS

Baby Jesus came with a tear for a sinful
world.

Baby Jesus came with a tear, because
mankind did not
know love.

Baby Jesus came with a tear, because
mankind did not
love his heavenly father.

Baby Jesus came with a tear, because
the world was so full
of sin.

Baby Jesus came with a tear that will
wash all our sins
away.

MY LORD JESUS CHRIST'S LOVE

My Lord Jesus Christ's Love bring forth light in
a dark world.

My Lord Jesus Christ's love bring forth peace in
a world full of wars.

My Lord Jesus Christ's Love bring forth health
and happiness in a sick and a sad world.

My Lord Jesus Christ's Love is life.

CHILDREN'S SOULS

I see children's Souls laughing and
playing joyfully.

I see children's Souls crying because of
pain and sorrow.

I see children's Souls wandering because
they have no mother or father.

I see children's Souls wanting to be loved.

I see children's Souls waiting for Jesus
Christ to come back and take care of
them.

WANDERING SOUL

My Soul wanders, seeks a place to rest, but
finds none.

My soul wanders, seek love, but find none.

My soul wanders, seek a place to be free, but
finds none.

My Soul wanders, seek my Lord Jesus Christ.

MY LORD JESUS BE WITH ME.

My Lord Jesus be with me when I am afraid.

My Lord Jesus be with me when I am sick and
lonely.

My Lord Jesus be with me when I face temptation.

My Lord Jesus be with me, when I feel like I can't
go on.

My Lord Jesus be with me and walk with me
through this dark and cold world.

MY LORD JESUS TAKE AWAY MY SINS.

My Lord Jesus take away my sins, so I can love you.

My Lord Jesus take away my selfishness, so I can receive your love.

My Lord Jesus take away my love for the things of this world, so I can enter your kingdom.

My Lord Jesus take away my pride, and make me humble to your ways.

My Lord Jesus take my soul in your beautiful arms forevermore.

OH, MISSING SOUL

Oh Missing soul where are you?

Oh Missing soul, I seek you but I cannot find you.

Oh, Missing soul, why won't you come to me?

Oh, Missing soul, oh, missing soul, I am so lonely.

Oh, missing soul, I ask my Lord Jesus Christ to send you back to me.

A SAD SOUL

Oh, soul so sad and blue
how well do I know you.

Oh, soul so sad and blue
you cry all day and into the night.

Oh, soul so sad and blue
I wish I never knew you.

Oh, soul so sad and blue
you come and won't go away

Oh, soul so sad and blue
guess I will have to take you as you
come.

Oh, soul so sad and blue
one day my Lord Jesus Christ will
replace you with joy and happiness.

BEAUTIFUL SAVIOR

Oh, beautiful Savior
my Lord Jesus Christ.

Oh, beautiful Savior
my Lord Jesus Christ
you came to save a sinful world
with love and a sacrifice.

Oh, beautiful savior you came to save
a sinner like me.

Oh, beautiful Savior I want to love you and serve
you but I am so full of sin.

Oh, beautiful Savior take away my sin and let me
love you.

Oh, beautiful Savior my Lord Jesus Christ.
