

UNIVERSAL R-410A SAFETY TRAINING AND CERTIFICATION EXAM

Johnstone Supply of Philadelphia, in association with Esco Institute, shall be conducting a one-day classroom program and Universal R-410A Safety & Training certification test for HVACR mechanics.

R-410A certification was developed to verify that field service personnel have the necessary training and practical knowledge to safely perform service on systems containing R-410A and R-407C. You must have Universal R-410A certification to purchase R-410A Equipment.

- Tests consist of 50 multiple choice questions.

Minimum passing grade: 70% (35 correct of 50)

Test Date: Wednesday, September 23, 2009

Location: Johnstone Supply of Philadelphia – 4700 Wissahickon Ave., 19144

Time: Instructional program begins at 8:30AM (Test completion by noon).

Course Instructor: David Whitnack

Tuition and Certification Fee: \$125 per student.

All students must provide their social security #, and a photo ID prior to taking any exams.
All students should receive results via US Mail within 10 days of test date.

It is strongly recommended that all students thoroughly study Esco's Universal R-410A Safety & Training Manual, in advance of attending class. Manual mailed immediately upon receipt of tuition.

CLASS SIZE IS LIMITED. Pre-Register ASAP! (Photocopy form for multiple students)
