

**Inter American University of Puerto Rico
Bayamón Campus
School of Engineering
Electrical Engineering Department**

ELEN 3311 — Electronics I

Class Information

- Professor: José Oscar Mur Miranda, jomur@bc.inter.edu
- Office: G131, office hours will be held Monday 1:30pm-3pm and Tuesday 2:30pm-4pm.
- Lecture: Wednesday, 6pm-7:20pm, 7:30pm-8:50pm, G149
- Laboratory: Monday, 6pm-8:50pm, G247
- Webpage: <http://geocities.com/jomurmiranda/>
- Problem sets: Problem sets will be posted on the website of the class or given out in class on selected Wednesdays and the due date will be specified. The final grade will be based heavily on problem sets. Collaboration is allowed, but not encouraged. **The work submitted must be your own.**
- Laboratories: Laboratories will be graded pass/fail.
- Grading: Assignment of grades will be based on the final score and the professor's assessment of the effort and understanding of the material in a case-by-case basis.
