2018. This one was one of the best giving information about my I-search topic. It told me
all the process of the cartoon actually being created in a very short number of time. It
taught me a whole bunch of stuff. It was a great it help and it was really fun to learn this
stuff.
- “Bloop.” *Bloop*, www.Bloopanimation.com. Bloop is an amazing website. It taught me so much
in a short number of time. It helped with a big chunk of the information I needed. I am
really grateful for this website. The information it provides is really specific and a quick
definition of what it is.
