

MEN'S 1-WALL PRO HANDBALL TOUR

SMALL-BALL POINTS RACE 2001

YEAR #1

The justification of any sports (whether auto racing or tennis) must initially establish a system to rank/rate their competitors based on individual performances. For decades, the handball establishment has renege its responsibilities in creating a ranking system that promote the sport and add legitimacy to tournament draws. The purpose of the "Points Race 2001" is not to glorify any individual but instead, reward those competitors who strive for excellence and in many regards have dedicated their entire lives to playing the "perfect game", handball. Although this system is in its infancy, it is a beginning and worthwhile endeavor.
