**The King of the Courts (K.O.C. 2004)**  
**Saturday July 31st, 2004 - Roy Wilkins Park, Queens, NY**

**By Handballcity.com**

The 2004 King of the Courts was by far the best tournament of the year...it lived up to all the hype prior to the event. The K.O.C. singles tournament is where stars are born and reputations made. If you defeat a top player it is just as big as winning the entire tournament.

The tournament had 64 entrees and was coordinated by Dwight Worley - president of the St. Albans Handball Association. Why such a success? Large prize money, trophies (1st place through 8th), food (BBQ), drinks, T-shirts and high energy drama game after game, by the best big-blue one-wall handball players in the world today.
