Dear All,

I think it also applied to the Fathers too.

Have a good laugh.

GOD CREATED CHILDREN (AND IN THE PROCESS GRANDCHILDREN)

To those of us who have
children in our lives,
whether they are our own,
grandchildren, nieces,
nephews, or students...here
is something to make you
chuckle. Whenever your
children are out of control,

you can take comfort from the thought that even God's omnipotence did not extend to His own children. After creating heaven and earth, God created Adam and Eve. And the first thing he said was "DON'T!"

[Keep Scrolling](#)

"Don't what?" Adam replied.

"Don't eat the forbidden fruit." God said.

[Keep Scrolling](#)

"Forbidden fruit? We have
forbidden fruit? Hey
Eve..we have forbidden
fruit!!!!!"

"No Way!"

[Keep scrolling](#)

"Yes way!"

"Do NOT eat the fruit!"
said God.

"Why"

"Because I am your Father
and I said so!" God
replied, wondering why He
hadn't stopped creation
after making the elephants.
A few minutes later, God

saw His children having an
apple break and He was
angry! "Didn't I tell you
not to eat the fruit?" God
asked.

"Uh huh," Adam replied.

"Then why did you?" said
the Father.

"I don't know," said Eve.

"She started it!" Adam said

"Did not!"

"Did too!"

"DID NOT!"

Having had it with the two of them, God's punishment was that Adam and Eve should have children of their own. Thus the pattern was set and it has never changed.

BUT THERE IS

REASSURANCE IN THE
STORY! If you have
persistently and lovingly
tried to give children
wisdom and they haven't
taken it, don't be hard on
yourself. If God had
trouble raising children,
what makes you think it
would be a piece of cake
for you?

THINGS TO THINK
ABOUT!

1. You spend the first
two years of their life

teaching them to walk
and talk. Then you
spend the next
sixteen telling them
to sit down and shut
up.

2. Grandchildren are God's
reward for not killing your
own children.

3. Mothers of teens now
know why some animals
eat their young.

4. Children seldom misquote you. In fact, they usually repeat word for word what you shouldn't have said.

5. The main purpose of holding children's parties is to remind yourself that there are children more awful than your own.

6. We childproofed our homes, but they are still getting in.

[See the attached file]

ADVICE FOR THE DAY:
Be nice to your kids. They
will choose your nursing
home one day.

AND FINALLY:

IF YOU HAVE A LOT OF
TENSION AND YOU
GET A HEADACHE,
DO WHAT IT SAYS ON
THE ASPIRIN
BOTTLE:

"TAKE TWO ASPIRIN"
AND "KEEP AWAY
FROM CHILDREN"!!!!!!

Quick, send this on to ten people within the next five minutes. Nothing will happen if you don't, but if you do, ten people will be laughing.

Things Roger Dangerfield might have said - -

My wife dresses to kill. She also cooks the same way.

My wife and I were happy for twenty years. Then we met.

A good wife always forgives her husband when she's wrong.

I bought my wife a new car. She called and said, "There is water in the carburetor." I asked her, "Where's the car?" She replied, "In the lake."

The secret of a happy marriage remains a secret.

After a quarrel, a wife said to her husband, "You know, I was a fool when I married you." The husband replied, "Yes, dear, but I was in love and didn't notice."

When a man steals your wife, there is no better revenge than to let him keep her.

I haven't spoken to my wife in 18 months - I don't like to Interrupt her.

My girlfriend told me I should be more affectionate. So I now have two girlfriends.

A man said his credit card was stolen but he decided not to report it since the thief was spending much less than his wife did.

Man is incomplete until he is married. Then he is finished.

A little boy asked his father, "Daddy, how much does it cost to get married?" The father replied, "I don't know son, I'm still paying."

Young Son: Is it true, Dad, that in some parts of Africa a Man doesn't know his wife until he marries her? Dad: That happens in every country, son.

Then there was a man who said, "I never knew what real happiness was until I got married; then it was too late.

A man placed an ad in the classifieds: "Wife wanted." The next day he received a hundred letters. They all said the same : "You can have mine."

A woman was telling her friend, "I made my husband a millionaire." "And what was he before you married him?" asked the friend. "A billionaire." she replied.

Marriage is the triumph of imagination over intelligence. Second marriage is the triumph of hope over experience.

It's not true that married men live longer than single men. It only seems longer.

Losing a wife can be very hard. In my case, it was almost impossible.

Just think, if it weren't for marriage, men would go through life thinking they had no faults at all.

A successful man is one who makes more money than his wife can spend.

A successful woman is one who can find such a man.

A man meets a genie. The genie tells him he can ask for whatever he wants, but his mother-in-law gets double of what he gets. The man thinks for a moment and says, "Okay, give me a million dollars and beat me till I'm half dead."

Men who have pierced ears are better prepared for marriage. They've experienced pain and bought jeweler.

The most effective way to remember your wife's birthday is to forget it once.

First guy (proudly): "My wife's an angel!" Second guy: "You're lucky, mine's still alive

A man is having terrible headaches. He can't sleep, eat, think, or do much of anything because of the pain. Several doctors examined him and couldn't determine the cause of his problem. He finally went to one of the top neurological specialists in the country who examines him and says, "I've found the cause of the pain. Your testicles are pushing up into your spine. The constant pressure on the spine causes the headaches. The only thing I can do is perform surgery and remove your testicles."

The man is shocked to hear this but the decision is not difficult as he know he cannot stand the pain of the headaches. He has the surgery and immediately feels like a new man. The pain is completely gone and he feels like he has a new life. He is so happy he decides to buy himself a new suit. He goes to a small men's shop and tells the old tailor that he wants to buy a suit.

"Sure," says the tailor. "You're a 42 long, right?"

"Wow, how did you know?" says the man.

"Hey, I've been in this business a long time. You learn a few things" said the tailor.

The tailor brought the man a suit that fit perfectly.

It looked

so good that the man decided to buy a new shirt to go with it.

"16, 34, right?" said the tailor.

"Right again!" said the man. "You're amazing."

"Hey, I've been in this business a long time. You learn a few things".

The tailor brought a shirt and tie and they looked great. The

man said, "Hey, let's go for broke. Give me a pair of

the silk
boxers too."
The tailor said, "36 right?"
"I'm disappointed," said the man. "But 2 out of 3 is
still good.
I wear size 34 boxers."
The tailor said, "Hey, I've been in this business for
a long
time and I think you need 36."
The man replied, "It's obvious you know your business
but I've
worn size 34 for as long as I can remember. I'm going
to have to
disagree with you on this one".
"Hey look," said the tailor, "I'll sell you whatever
you want.
But I've been in this business a long time. If you
wear a size
34 it's gonna push your nuts up into your spine and
give you
terrible headaches."
