

WAG's (Welfare for Animals in Greece) 5 minute, dramatic, documentary expose "Greece in all her Glory**", can be viewed on the internet. Follow the directions to download Quick Time from the link below. It will take about two minutes.**

The film link is noted below:

<http://www.ua4a.org/Greece.mov>

You must have QuickTime installed on your computer to view -- free download for Mac or Windows at **<http://www.apple.com/quicktime/download/>**

I want to thank all my supporters and especially Gary Kaskal, Founder of United Action for Animals for making this possible.

We will obtain victory for the animals of Greece and we will memorialize those ruthlessly slaughtered.
