

Juniper Lane Swim Club

Behavior Agreement

PARENT / GUARDIAN ACKNOWLEDGEMENT:

I request that my child(ren) over the age of twelve and under eighteen years old be allowed to remain at the pool unattended. I have completed the Medical Consent Waiver overleaf and included a contact number at which I may be contacted if my child behaves in a way that, in the opinion of the lifeguards, is causing a distraction to their duties and/or is affecting the enjoyment of the facilities by other members and/or their guests.

I acknowledge that the ability to leave my child(ren) aged over twelve years old at the pool unattended is a privilege, not a right. I also understand that the lifeguard's primary duty is the supervision of the pool and ensuring compliance to the Pool Rules, not taking care of unattended children. I realize that unattended children that do not follow lifeguards' directions represent a potential distraction to them and as such I may be contacted and asked to remove my child from the pool if, in the opinion of the lifeguard, my child behaves in such a manner.

I understand that failure to adhere to the provisions of this Agreement will result in the loss of unaccompanied pool attendance privileges by the child(ren).
