A night of dancing and helping a charity all at once!***

Saturday February 24th from 6pm to 10pm  
Tempo Dance Center 380 Washington Street, Brighton  
Only \$20 per ticket

**The Junkyard Dogs Productions**, Somerville's newest theater group, have been invited to perform at the **Edmonton Fringe Theater Festival** (the second largest in the world) in Canada. Now we are dancing our shoes off in order to raise some money.

One of Boston's top ballroom dance instructors, **Charles Glaser**, will be teaching a lesson from 6:00-6:30pm. Then you can boogie the night away!

So don't be left out... Dance away your winter blues by making some heat on the dance floor!

Limited space!
