

# Think your dog has what it takes to bark with the big dogs?

Now that we've finished moving to the Boston area we've decided that it's time we got our priorities in order: we need a mascot! If your dog has the right stuff then he or she could become the next Junkyard Dog!

Our panel will be making the decision partly based on the cute factor, but we're not looking for just another pretty face. We are a theater company with *attitude* and we expect nothing less from our next spokes-model, so the deciding factor will be the "x" factor. We're looking for a canine with personality, verve, moxie, a certain "je ne sai quoi." The Winning dog will have a photo spread in a place of honor at every show next year, as well as the opportunity to participate in fun public appearances and maybe even become our calendar pinup!

Send us a picture of your dog and a brief description of why your dog is qualified to represent us for our 2006-07 Season.
