

Dear Sir or Madam,

We are a non-profit theater company in Boston who aims at supporting local writers and their dream of their work being heard. Our current production is being held June 2nd, 3rd, 4th, 9th, 10th, and 11th in a prominent theater called the Actor's Workshop. It is located near South Station. We are now asking local business to advertise with us. The theater seats one hundred people and this could be your chance to reach six hundred possible patrons.

This is an amazing opportunity for your business to not only increase its market but to support the arts and give back to the community. We also take personal donations as well. If you are interested please fill out the form below and mail it to us. Please help support your local artists and help your business grow.

Thank you for your time and patience.

Sincerely,
Natalie C. Glaser
