Personal information (within 100 words) {Mention here your special skill, orientation and any other matter which you wish to convey)		<p>I have been determined to reach all my short-term goals & shall continue it in profession. I have never been a book worm but a very quick learner. I never claim myself as the most intelligent, but the confidence of mine can compete with that of any bodies. My imaginative thoughts add a creativity to my nature. Besides I am realistic enough to adapt myself with any situation.</p> <p>In words I can just convey my opinion. But I need an opportunity to make it proved.</p>			
Future Plan		Desire to work most efficiently and gradually prosper.			
Extracurricular activities		Playing cricket, Poem writing.

Personal information (within 100 words) {Mention here your special skill, orientation and any other matter which you wish to convey)			I have been determined to reach all my short-term goals & shall continue it in profession. I have never been a book worm but a very quick learner. I never claim myself as the most intelligent, but the confidence of mine can compete with that of any bodies. My imaginative thoughts add a creativity to my nature. Besides I am realistic enough to adapt myself with any situation. In words I can just convey my opinion. But I need an opportunity to make it proved.		
Future Plan			Desire to work most efficiently and gradually prosper.		
Extracurricular activities			Playing cricket, Listening to music
