Troop Meeting Plans (Schedule): We will meet 2 times a month, so that we can complete the Gold Award this year. Staying on Sunday nights @ 7:00.

Troop Government:

Continue in Positions from Last year:

- **Courtney** (president)-I make sure everyone does their expected job. And if someone's not at a meeting I fill in and inform them of what they missed. I set the example.
- **Elisabeth** (vice president)- Help out everyone with their jobs. I have to make sure everything runs smoothly. I also have to make sure that people pay attention in meetings. Sometimes I have to be the bad guy.
- **Nadia** (secretary)-I write notes at meetings about the important dates and activities that come up and email to Ms. Kimberley and the info goes up on the web site.
- **Emily** (Treasurer)-Help with preparing the budget for the troop funds for the year. Collect money for everything – when it's due. Help Ms. Kimberley and Ms. Laura with the Finance Report at the end of the year.
- **Ashley** (Meeting & Event details)-To figure out where we go on trips and who needs a ride. And find coupons. And make sure everyone is informed.
***Ashley and Emily have decided that they want to share both of the positions.*
- **Kathryn** (communication)-Gets the info to all of the girls in the troop. Via e-mail & telephone! Will work on website updates and possible weekly newsletter or communication with reminders.
- **Brittani** (sales)-Is to make sure everybody turns their sales info into Mrs. Laura or Mrs. Kimberley! Make sure people turn in their papers and call them in they don't. Make sure everyone gets their money in and comes to their booths as well.

Gold Award Planning: (2 Hours)

- Sleepover (date to be determined) in February – Maybe Sunday 2/15 – since

2010 Spring Meetings/Schedule: The calendar is posted on the website with the dates for all our meetings in Fall and spring. Many dates will need to be added to make the hours.

Girls all agreed again with their decision at the end of last year to Go For the Gold! They also decided that the troop would be a participating troop – not a “come and go” or “do what you want” troop. Everyone would participate equally in the work and the fun. They did not think it would be fair to have some girls who only come for the “fun” and don't do the work at meetings and for awards – and with sales.
