To whom it may concern:

This letter acknowledges receipt of the Certificate of Incorporation issued by your department, bearing the UBI number 602 197 869, on April 16, 2002.

The Certificate contains a clerical error that needs to be corrected. The Office of Head Chief the Snoqualmoo Tribe is a none-profit corporation sole. The certificate identifies the office's none-profit status but fails to identify its status as a corporation sole.

We are attaching a copy of the application form we submitted. Please note that the application references RCW 24.12 as the authority for registering this corporation sole. The existence of both the Office of Head Chief and the Snoqualmoo Tribe predate the United States of America and its political subdivision The State of Washington. As the Disciplines filed with the application indicate neither the Snoqualmoo Tribe nor The Office of Head Chief are creations of The State of Washington.

Therefore, we respectfully request that the Certificate of Incorporation for UBI Number 602 197 869, be corrected to reflect that The Office of Head Chief the Snoqualmoo Tribe is a corporation sole.

Thank you for your prompt attention to this detail. Respectfully,

Tyee [Edwin Smith]
Head Chief Snoqualmoo Tribes
