## Welcome Back

This may be the first alumni newsletter in this history of Kappa Sigma Phi. We have been extraordinarily busy for the past few years and want to take this opportunity to update everyone on our work at Faulkner University. Hopefully, this alumni newsletter will continue for many years to come and will serve to connect past, present and future generations of Faulkner University alumni – specifically those who were a part of Kappa Sigma Phi. If you have any comments, questions, or suggestions, please feel free to e-mail me at [wrcooper84@hotmail.com](mailto:wrcooper84@hotmail.com). Thanks and I hope you enjoy catching up.

Sincerely,

William R. Cooper

## The Leadership

For the past three years, Kappa Sigma Phi has been under the leadership of President Clay Butler. Clay transferred to Faulkner from Mississippi State University in 2002 and was in the 2002 pledge class. At the end of the school year he was elected to his first term as president. Over the past three years Kappa has seen significant growth under his leadership. Not only have the number of people in the club increased, but Kappa has also grown in service to one another and our community. Today we are the largest male club on campus. We have 32 active members and anticipate more growth in the coming years. These are great times in Kappa's history and in the history of Faulkner University.

## The Victories

Kappa Sigma Phi has become accustomed to winning. We realize that winning is not the only thing that matters, but we cannot help but brag about our accomplishments on the field of play. Since 2001 we have won three Club of the Year awards and three Athletic Club of the Year awards. This includes our most recent awards for the 2005-2006 school year. This year we placed first in all of the following competitions:

Softball  
Horseshoes  
Flag Football  
Bowling  
Homecoming Banner  
Ultimate Frisbee  
Basketball  
Bible Bowl

As you can see, we have become a well-rounded club with victories in many different categories. The newest members of Kappa have greatly attributed to our success. Young men and future leaders are being built up by the social club system at Faulkner University.

## The Service

Not all of our time is spent playing games. Serving one another and others in the community is a vital part to our mission as a social club and as Christians. That is mission is carried out by our leaders. The current secretary of Kappa is also the President of the Faulkner Student Government Association. This year the SGA received the "Volunteer of the Year Award" from the Junior League of Montgomery. Kappa has contributed to the service projects that have made this award possible. We have also planned and carried out our own service projects. From canned food & clothes drives to helping out around campus, Kappa Sigma Phi is leading the way.

## The Past

We all have great memories of our time at Faulkner University. Our officers are interested in preserving the past. We would love to hear your stories about your time in Kappa Sigma Phi. What did you do? What is your favorite memory? Who do you remember? Please let us know about your time in Kappa Sigma Phi. We are working to collect as many stories as we can in order to pass them down to future generations. Submit your stories by e-mail to [wrcooper84@hotmail.com](mailto:wrcooper84@hotmail.com).

## The Future

Kappa Sigma Phi is in a position to positively affect the future of Faulkner University. We have motivated members and creative ideas. As we continue to grow, we would like for you, the alumni, to be a part of this growth. There are a number of ways you can do this. Please feel free to visit us on campus anytime. You will always have a place to stay or a group of young men to hang out with and talk about "the good ol' days." Also, consider networking with the current members of the club. We have outstanding students graduating every semester. If you are in a position to employ a graduate please contact us with more information. Contributing financially can also have an immediate impact on our work as a service club. This tax deductible donation will allow us to continue to serve others in the community. You will also help build leaders that represent the ideals of Faulkner University. If you are interested in any of these opportunities or would like more information please e-mail me at [wrcooper84@hotmail.com](mailto:wrcooper84@hotmail.com) or see the attached "Kappa Sigma Phi Donation Form." Thanks in advance for your support!
