KAPPA SIGMA PHI

Unity Within By Serving Those Without

LEADING THE WAY ON CAMPUS...

Kappa Sigma Phi is a Social Club chartered by Faulkner University. As a club we strive to be servants, and grow together in two main areas...

1. Spiritually
2. Socially

SPIRITUALLY

We strive to be Spiritual leaders on our campus and exemplify Christ in everything we do. Kappa is really involved in the Spiritual life of our campus. *In a recent Student led Gospel meeting 6 of the 8 speakers were members of Kappa Sigma Phi.* We have weekly

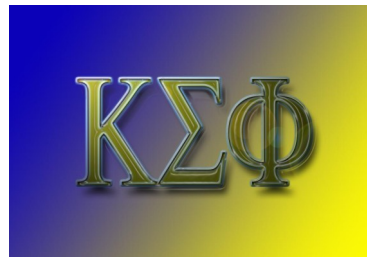

devotionals, along with retreats, and Prayer breakfasts.

SOCIALLY

We are an active social club. We have Social directors whose main job is to keep us active socially. We will have different social events on a continual basis to promote unity and deep relationships. Kappa is also a leader of the social side of Campus life, *All four Homecoming King and Mr. Faulkner nominees are all from Kappa.*

Thanks for checking us out, and we look forward to getting to know you better.
