

MICRODERMABRASION!

Instant Gratification!

Fight fine lines, refine pores and achieve beautifully smooth skin — immediately — with the new TimeWise® Microdermabrasion Set. In consumer tests, 64 percent of users saw an *immediate* improvement in their skin. And the benefits get more dramatic after just one week of use!

**TimeWise® Microdermabrasion Set,
\$55 suggested retail**

**Step 1: Refine,
2 oz.,
\$30 suggested retail**

**Step 2: Replenish,
1 fl. oz.,
\$25 suggested retail**

- The TimeWise® Microdermabrasion Set's unique two-step process offers:
 - Step 1: Refine — a super exfoliating cream containing the
 - Step 2: Replenish — separates the set from the competition.

- Did you know that microdermabrasion is one of the top nonsurgical cosmetic procedures performed annually in this country? U.S. consumers spent over \$6.8 billion dollars on this product category in 2003. You deserve to get your share of that market — and now you can!
