The Basics

- Read the Policies & Procedures Manual - Understand Arbonne's Ethics (back cover P&P manual)
- Work through your Arbonne Action Plan & read Arbonne Consultant Manual

The System

Simple Concept

- Sell
 - ▣ Offer the product and business
 - ▣ Offer the 3 ways to win at every presentation
- Sponsor
 - ▣ If you're not growing your dying
- Train
 - ▣ Duplication is key
 - ▣ Duplication = multiplication

Top priorities in 1st 72 hours

- Schedule 2 Back-to-Back Business Launches (this is the MOST important step)
- Write out your 21 Reasons Why in your Arbonne Action Plan Workbook & Determine what you want
- Write out your 100 names list in your Arbonne Action Plan Workbook

Scheduling your Business Launches

- Getting into activity is the most important thing you can do to get your business off the launch pad
- Hold 2 back-to-back launch presentations in your home to have *during the week that you sign up*
- Invite as many people as you can think of by calling and sending invitations via mail and ArbonnelInvites
- Goal of business launch is to get volume (clients & consultants), business partners, & bookings for presentations!

Determine what you want

Which of the following best describes your interest in Arbonne?

- **Shopping Consultant** – I just want to enjoy the products at wholesale prices
- **Hobbyist** – I may share with a few friends here and there
- **Steady Eddie** – I see the potential, but the timing is not urgent for me. I'm willing to work steadily.
- **Power Player** – I see the BIG picture. I have a HUGE sense of urgency. I'm committed to do whatever it takes. I'm willing to take away the option to quit.

Let your sponsor know which one you feel you are!

Also, if at anytime your desires change, let your sponsor know!

Your 21 Reasons Why

- You have to know WHY you are doing Arbonne
- It can be to have \$200 extra per month, to stay home with your kids, to get debt paid off - everyone's WHY is different
- Make sure your sponsor knows why you are doing Arbonne. This will help her know where you are, where you desire to go and what level of activity will be needed to help you reach your goals.

Set Your Goals for Next 30 Days

- Awesome Goal is to Promote to District Manager = \$6000 RV
- Great Goal is to reach 1st Step District by the end of your Start Month = \$3500 RV
- Good Goal is to reach 1st Step District by the end of your Start Month = \$2500 RV
- Be in front of 24-40 new people
- Sponsor at least 1 new business builder

The Importance of Getting Into Qualifications for District

- This is a business that we want to GROW for us, not stay at the same level.
- Good Business. People know you are serious when you are growing. If you owned your business, would you want it to stay at the same level or go backwards? This is what makes your business grow.
- Your team needs to see you push for the next level, so they know to do the same... speed of the leader, speed of the pack!

The Benefits of Getting to DM

- Better pay!
 - ▣ 8% override commission on your entire District and your own volume
 - ▣ You earn a \$50 Right Start Bonus when your new Consultant purchases the RSVP, plus as a District Manager you will earn an additional \$25 RSVP Bonus
 - ▣ \$200 bonus based on 5,000 RV + 5 new \$100 Consultants in your District

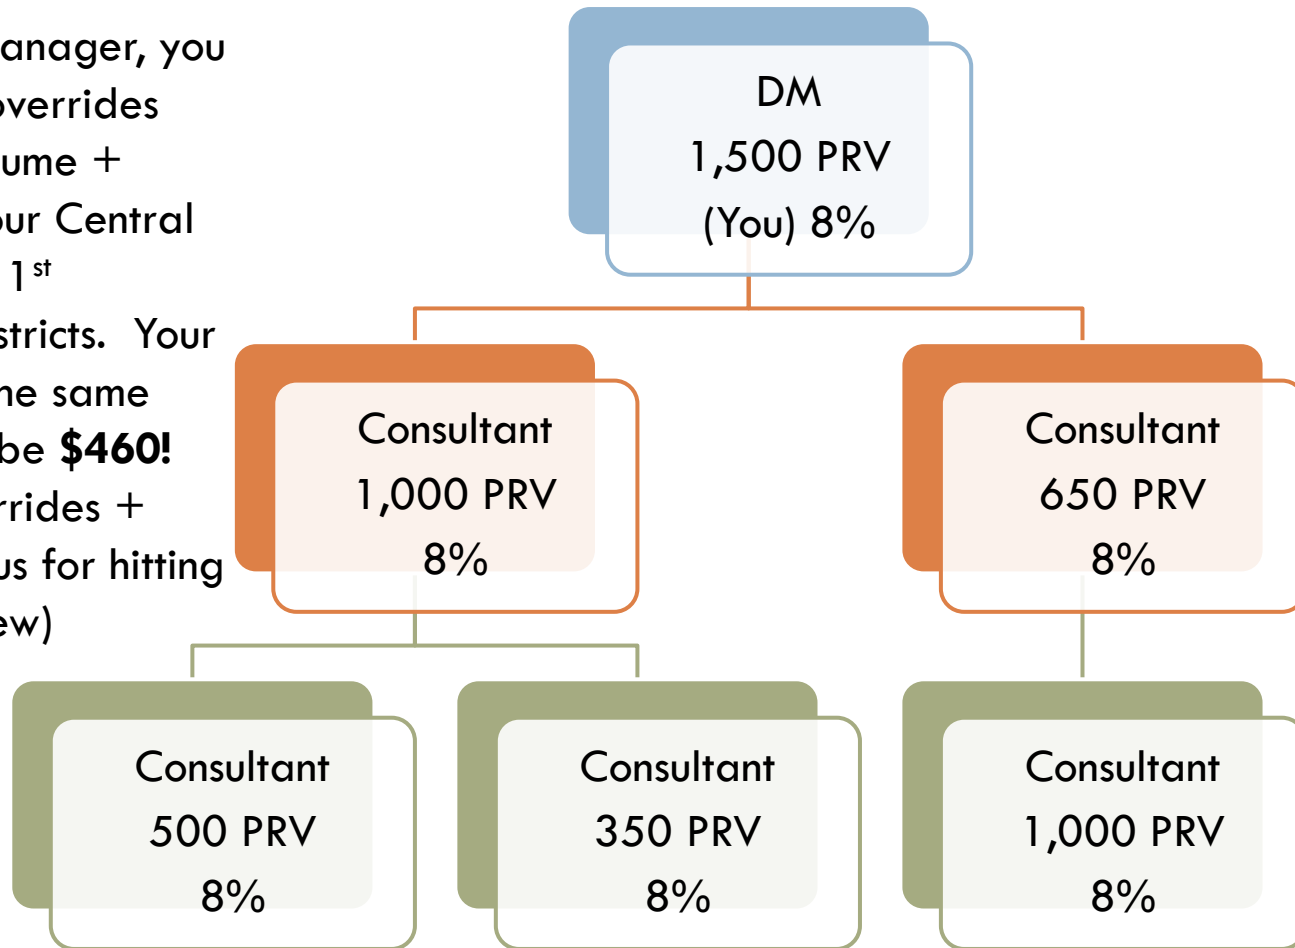

What Consultant Pay Looks Like

As a Consultant you only get paid a 4% override on those that you personally sponsor. Even though you would have 5,000 in team volume - a consultant check on this volume would only be...\$39

What DM Pay Looks Like

As a District Manager, you get paid 8% overrides off of your volume + everyone in your Central District & your 1st Generation Districts. Your DM check on the same volume would be **\$460!** (\$260 for overrides + \$200 DM Bonus for hitting \$5,000 + 5 new)

Plug into the System for Success

- Listen to “The System” call by ENVP, Dr. Deanna Osborn (212) 990-6745 or <http://www.audioacrobat.com/play/WWDHv2wQ>
- Choose your success track: 6, 8, 10, or 12 group presentations a month
- 6 for Success, **8 to be Great**, 10 to Win, and 12 to Excel!
*For simplicity focus on 2 group presentations per week. Decide which 2 nights are your “Arbonne” nights and GO!
- Choose the track that you know that you can commit to.
- If you truly desire to build a business with Arbonne, you need to be in front of 24-40 people per month.
- The key is to be in consistent activity!

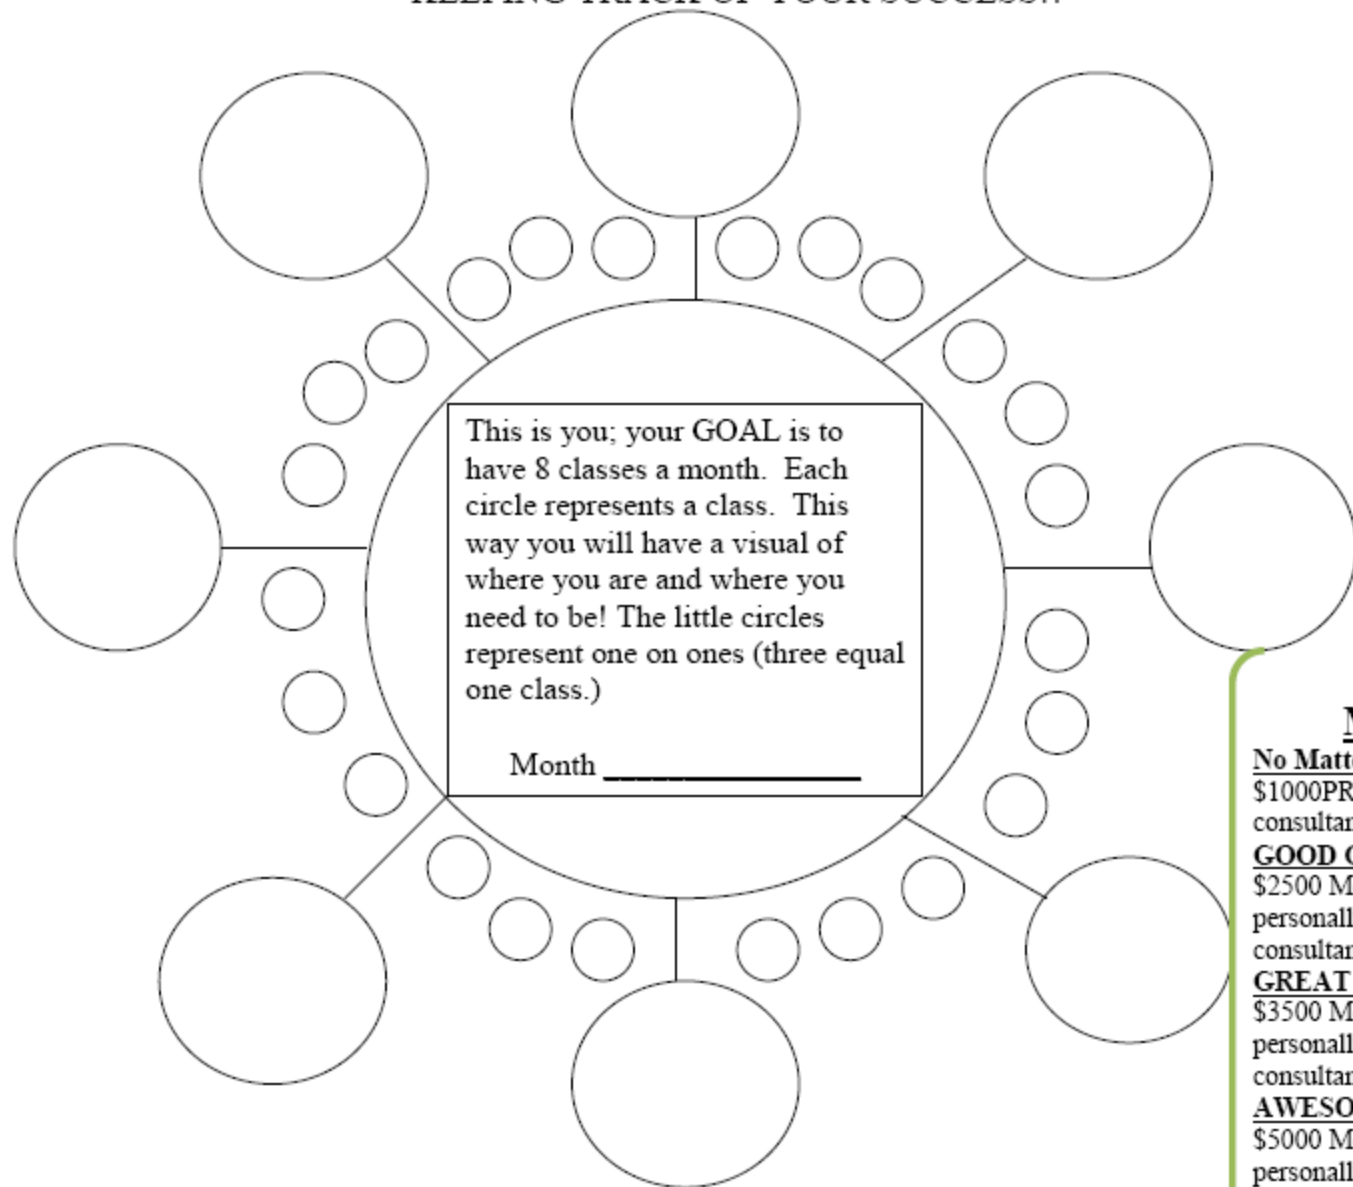

How do I Reach My Volume Goals?

- An average presentation has about \$500 in sales
- 6 presentations x \$500 = \$3,000
- 8 presentations x \$500 = \$4,000
- 10 presentations x \$500 = \$5,000
- 12 presentations x \$500 = \$6,000
- Sponsor 1 or 2 new business builders & launch them to 1st Step District
- You \$3,000 + 1 New Business Builder at \$3,000 = \$6,000 & you are a new District Manager!

How do I Keep the Activity Going?

- Your goal is to be in front of 24-40 people per month (24-40 potential clients/shopping consultants, hostesses, and business partners)
- An average presentation has 4 guests
- 6 presentations x 4 guests = 24 people
- **8 presentations x 4 guests = 32 people**
- 10 presentations x 4 guests = 40 people
- 12 presentations x 4 guests = 48 people

KEEPING TRACK OF YOUR SUCCESS!!

My Goals

No Matter What!

\$1000PRV & sponsor 2 new consultants

GOOD Goal!

\$2500 Me & New plus 3 new personally sponsored consultants

GREAT Goal!

\$3500 Me & New...plus 4 new personally sponsored consultants

Move into Action!

- Hold your 2 back to back Business Launches

□ **Awesome Goal!**

You and new \$5000 – sponsor at least 5 new consultants

Keep These Things in Mind

- You will hear “no’s”. The difference between a Consultant & a NVP is the NVP has heard more no’s.
- You will not make a lot of money in the beginning – it is not get rich quick!
- You will have cancellations & no-shows. It is a part of it!
- Some presentations you may sell only a lip liner & some presentations you may have \$800 in sales!
- Some presentations every guest in the room may book a presentation and there will be some where no one books.

Keep These Things in Mind...

- If you experience any of these things – you are normal – congratulations you are going to the TOP!
- This business is simple, but it is not easy.
- This business takes *consistent effort*. If you will keep your dream in front of you & remain consistent and persistent, you will achieve your goals!
- Remember, you get paid when you pick up the phone!
- Embrace the journey. It is all sooooo worth it!
