

ARBONNE®

Promote to DM with f.y.i. Arbonne®

Following are three plans for promoting to District Manager via fyi Arbonne parties. Choose the plan that works best for you. Build in one, two or three months.

NOTE: to achieve \$250+ in sales at your fyi party, set as your goal 5 or more teens in attendance with an average order of \$50 srp each to hit your target.

RP = 35% Retail Profit. RP for each fyi party = \$87.50

Plan 1 — Get to DM in 1 month

with \$6,000 RV (with a minimum of \$1,000 personal RV)

= \$1,000 personal RV sales + \$5,000 in RV sales generated by your sponsored Consultants in one month

IN ONE MONTH:

- Hold 4 fyi parties with \$250+ in sales at each = **\$1,000+ PRV** (\$350+ RP)
- Sign up 4 Consultants (Moms) who purchase the NutriMinC® RE⁹ set (\$1,194) and who EACH hold 4 fyi parties with \$250*+ in sales at each (\$4,000+) = **= \$5,194+ RV**

This plan puts your new Consultants on the same path toward DM in one month.

Plan 2 — Get to DM in 2 months

with \$6,000 RV over two months

- with a minimum \$1,000 personal RV
- with a minimum of \$2,500 RV in month two
- = \$500 personal sales + \$2,500 in sales from sponsored Consultants 2 months in a row

EACH MONTH FOR 2 MONTHS:

- Hold 2 fyi parties with \$250+ in sales at each = **\$500+ PRV** (\$175+ RP)
- Sign up 2 Consultants (Moms) who purchase the NutriMinC RE⁹ set (\$597) and who EACH hold 4 fyi parties with \$250*+ in sales at each (\$2,000+) = **= \$2,597+ RV**

This plan puts your new Consultants on the same path toward DM in one month or two.

>> PROMOTE TO DISTRICT WITH F.Y.I. ARBONNE

Plan 3 — Get to DM in 3 months

with \$7,500 RV over three months

- with a minimum \$1,000 personal RV
- with a minimum of \$2,500 RV in month three
- = *\$500 personal sales + \$2,000 in sales from your sponsored Consultants for three months in a row. In the 3rd month, all \$2,500 can come from your sponsored Consultants, because the \$1,000 personal RV requirement was achieved in the first two months.*

EACH MONTH FOR MONTHS 1 & 2:

- Hold 2 fyi parties with \$250+ in sales at each = **\$500+ PRV** (\$175+ RP)
- Sign up 2 Consultants (Moms) who purchase the NutriMinC RE9 set (\$597) and who EACH hold 3 fyi parties with \$250*+ in sales at each (\$1,500+)
= \$2,097+ RV

MONTH 3:

- Sign up 3 RSVP Consultants (\$1,050) who EACH hold 2 fyi parties with \$250*+ in sales at each (\$1,500+) = **\$2,550+ RV**
In Month 3, you will still need to place a \$100 PRV order to qualify for Bonuses and Overrides.

This plan puts your new Consultants in months 1 & 2 on the path toward DM in two months.

RP = 35% Retail Profit.

Pick the plan that works best for you, then teach each of your new Consultant / Business Builders to do the same ... Teach each person you sponsor to build to District and then they teach each person they sponsor to build to District ... and so on and so on. This way you will naturally promote in Arbonne as your team grows and as each person on your team helps their new Consultants build to District Manager. Become a “District-Building Team.”
