

This was implemented last year

Items that were discussed in our joint meeting, 4/17/03 involving city and the school in regards to traffic around Santa Monica High

Changes to current conditions

West side of 7th between Michigan and Pico

7-9 AM, 2-4 PM Drop off and Pick up only. Any cars left unintended will be cited
Other hours - 1 hour parking only

Move drop off and pick up from north side of Michigan west of alley to 7th to south side of Michigan west of alley to 7th

Add delineators to intersection of 7th and Michigan to prevent U turns

Add double yellow line on 7th from Michigan to Pico to prevent U turns

What you will be ticketed for:

Stopping to let out students any where on Pico where marked no stopping anytime. Pico in front of school high watched.

Any car dropping off or picking up along east side (traffic heading north) of 7th between Pico and Michigan- Drop off and pickup for this traffic is on Michigan south side of street between 7th and alley

Any car making a U turn on 7th street across the double yellow line between Pico and Michigan

Any car making a U turn at the intersection of 7th and Michigan

Any car dropping off or picking up west bound on Michigan in traffic lanes or intersection

Any car dropping off or picking up requiring car to double-parked in traffic lanes.

Where you can drop off and pick up students

On west side of 7th (traffic heading south on 7th) between Michigan and Pico
MOST DESIRABLE LOCATION - not double parking

On south side of Michigan (traffic from 7th heading north then east on Michigan) between 7th and alley

On Olympic east bound west of Circle Drive by tennis courts back to 5th street
MOST DESIRABLE LOCATION - no double parking

What can be done to reduce volume of traffic?

Spread out time that students are dropped off or picked up. Drop off before 7:45 AM or pick up after 3:30 PM
