News from North of the State Line

Our snowbird friend, Past District Governor Jerry Fox and his wife, Darleen, have the honor of interviewing for the position of Director of Rotary International. There are six people in contention for this position and each has been nominated by their home club and their District. This is a 3-year job with the first year in training and a 2 year working term. The interview is set for Monday morning, September 14th. Please keep Jerry and Darleen in your thoughts throughout the process.

Weekly Rotary Foundation Thoughts

This week's **Rotary Foundation Thought** is about how effectively our Foundation matches people with money for positive results.

In the words of Arch Klumph: "Money alone does little good. Individual service is helpless without money. The two together can be a godsend to civilization." Your financial resources combined with your time, energy and talent is critical to Rotary's mission. It is worth noting that one hundred percent of our Annual Programs Fund (APF) contributions are spent on Foundation programs. These contributions are invested for a period of three years, with a portion of the investment earnings paying for the Foundation's administrative and fund development expenses.

This unique funding cycle keeps the engine of The Rotary Foundation running throughout the world.

Auction Report - Week 7

While most of you just hear us ask for auction items, several details were being worked on behind the scenes for a few months. The caterer has finally been selected and Signature by the Lake will provide our menu for the evening. Heavy hors d'oeuvres will be prepared so please be sure that your guests know this. Our favorite bartenders, Liz and Victoria, are looking forward to serving us once again. Tickets are being printed and we will have those next week. The gaming company is confirmed and is pleased to be invited to work with us for the 10th year.

Thank you to our first two Royal Flush Sponsors – Jasper Thompson Lightning Protection and Lynch Oil Co., Inc.

Your valuable talents and time are needed throughout the next six weeks collecting auction items, selling tickets and sponsorships, assembling gift baskets, completing bid sheets and auction cards, collecting more auction items, setting up the arena the day of the event, working various jobs during the evening and cleaning up at the end of the night – oh, and did I say collecting auction items?

Ticket sales and sponsorship sales provide much of our revenue but the money brought in from the auction is what makes this night a success. Every one of you knows people in business; all we ask is that you think of Rotary each time you do business with someone and ask for their support.

Along with the individual gifts that you bring in we would like to begin our themed baskets. Please purchase a few items that would help to fill one of the following themes and we will make the basket with the donated merchandise.

- ♣ College Football Teams ♠ Golf ♠ Pets ♠ Coffee/Tea ♠
 - ♣ Children – girls, boys or either ♠ New Baby ♠
 - ♣ Automobile accessories or cleaning supplies ♠
 - ♣ Food ♠ Health/ Exercise ♠ Music ♠
