

Backpacking Equipment Car List

Adult Scout Leader

This equipment should be in each car.

- Water (min. 3 gallons per car)
- Car Tow rope 20 feet min. and small rope, 100 feet (ie para-cord)
- Flat tire fixer (keep in a metal box)
- Tire jack and tools to replace a tire
- Spare tire in good condition
- Windshield ice scraper
- Driving sun glasses
- Flashlight with good batteries
- Tire air gauge
- Electric air pump for car tires
- Cellular phone, HAM radio, or CB radio
- Tools (screwdriver, pliers, etc)
- State highway map
- Duct tape
- Blanket or Space (emergency) blanket
- First Aid kit and Pocket mask (American Red Cross)
- Pocket knife
- Matches (in waterproof container)
- Snow chains (cold weather)
- Saw, small folding (ie. Sawvivor)
- Shovel, small folding
