Skeletal Development	103
Global Index	110

Malibu was Champion of the Beef Bull Class at the French National Show in 2000 for the World Congress in Limoges. He is an easy calver, and exhibits exceptional width of back, hips, pins and hindquarter.

The first Malibu progeny in Australia have created great excitement, with a 12 month old heifer from the Williams family, White Lakes Allspice, taking out Supreme Exhibit at the 2006 National and selling for \$15,000.
