

# KEYSTONE FLYFISHERS

Below prices DO NOT include the Keystone Flyfishers dues, please add five dollars per person per year to the price below.

## HISTORY

The Keystone Flyfishers was founded in 2000 by a group of fly fisherman looking to form an alternative club dedicated to the sport of fly fishing and all aspects of it. The main objective of each meeting is to have fun!

Your membership to the Keystone Flyfishers helps support the many programs we offer during the course of the year. These include:

- Fly Tying Instruction
- Expert Speakers/Presentations
- Youth Learn To Flyfish Camp
- Fly Fishing Instruction

## ABOUT THE FFF

The Federation of Flyfishers has a common denominator which binds together many men and women in the interest of catching and releasing fish on a fly. The Federation of Flyfishers and its councils are the only organized advocate for fly fishers on the regional, nation and international level. By joining, you will have the opportunity to contribute, with your membership and your voice, to fishery conservation and restoration for all fish in all waters. JOIN TODAY!

**The FFF is a must organization for anyone interested in the sport. As an organization, they help protect fisheries, share ideas with members and bring together anglers in all areas of fly fishing. Belonging is a real bargain**
