

# **The *Handbook* of Epictetus**

A New Translation

by

Keith H. Seddon

## PLEASE NOTE

The file that was posted at this address was a WORK IN PROGRESS, and was made available until January 2007 for the purposes of PRIVATE STUDY ONLY.

The translation of *Epictetus' Handbook and the Tablet of Cebes* by Keith Seddon is now available in both hardback and paperback editions, published by Routledge. Copies may be obtained from all the usual sources for books that are in print. Please use these links for the paperback edition. (If you have trouble finding the hardback edition, please email me for links.

[\*Epictetus' Handbook and the Tablet of Cebes: Guides to Stoic Living\*](#)
