sweet	tan	school	haggyo

WORDS OF WISDOM

We train today so that we will live tomorrow.

ONE MORE THING

There are a lot of things going on right now, especially with Spring just around the corner. But I want you come to class as often as you can and train as hard as you can so that you will become better and better at our art. Training is the best way to stay strong enough to accomplish all that you want to do.

KAM SA HAMNIDA ~~ MASTERS BUTCH & MIKE VOSS ~~ TANG SOO!!
