**\* Three Practice Scores and your County Competition Score (4 Scores Total) will be averaged to determine District Teams and alternates. Shooters missing a practice will log a score of "0". THERE WILL BE NO MAKE-UP SHOOT, however two practice scores will be dropped. In the event that a practice is cancelled due to weather or other unavoidable circumstances as determined by the committee, no score will be logged for that date. The two lowest practice scores logged will still be dropped and the remaining practice scores will be averaged together with the County Competition Score to determine District Teams.**
