## June 2002

On Saturday May 11<sup>th</sup>, the band competed in the Vancouver Island Cadet Band Competition. The competition was held at Victoria's Memorial Arena. As many members of the band were in their first year, it was decided to enter the cadets in the Class B Military Band category. The cadets performed extremely well and won first place overall in their category with a score of 88.5. Sergeant Marni Blow placed third in the Drum Major's competition, a respectable showing considering it was her first year as Drum Major.

"We worked hard on our routine and it all came together when we needed it," said LAC Kathryn Pratt, who plays tenor saxophone. 386 Squadron Air Cadets in Comox won the Class A category with an excellent performance.

"We are very proud of the cadets. They did an excellent job," said Petty Officer 1<sup>st</sup> Class Lisa Pacquette, the band's music instructor and a professional clarinet player in the Naden Band. The squadron is very fortunate to have PO Paquette's talents. She created the routine and arranged special versions of Superman March, When the Saints Come Marching In, and Bill Bailey specifically for the competition. The band would also like to thank band officer Lieutenant Mark Moldowan, Captain Ted Cosstick, and Mr. Michael Denton for their assistance.

The band will be performing at the squadron's annual inspection and they look forward to next year when they will build on the strong foundation developed this year. Any cadets who are interested in joining the band are asked to see Lt. Moldowan or Sgt Blow on Thursday nights.
