November 2002

In Memoriam LAC Louise Barr

Life is very precious, we take it for granted every day
 But we never think about how special it is until someone passes away
 I had a friend from Cadets, her name was Louise Barr
 Now she is an angel who watches us from afar
 Everyone loved her, there always happiness when she was around
 Now there is a little more silence in the world, we wont ever again hear her joyous sound
 She was riding down a hill way to fast
 Soon there was a deathening crash and poor Louise could not last
 She died on the operating table later that day
 There is only one thing now that we like to say
 We wish her happiness where ever you are
 Good bye our good friend, Louise Barr
