

Kyle Campbell Designs

kyle.campbell@snhu.edu
555-555-5555

Education

- 2017-2021: Enrollment at Southern New Hampshire University in the major of "3D Modeling and Animation"
- 2017: Graduated high school from Darnell Cookman 3rd in the class, completing 10 Advanced Placement courses there

Professional Work Experience

- January 2018-March 2018: Store maintenance at "Earth Gifts"
- July 2015-October 2016: Associate at "Winn Dixie"

Skills

- Has begun studying 3D Printing and have started to create a small business for selling 3D prints showing not only drive and initiative to grow, but also business experience
- Have experience with many fields of art design and related software including Adobe Photoshop, Illustrator, InDesign, Lightroom, as well as Autodesk 3DS Max and Maya.

Strengths

- Highly self-motivated and have completed numerous personal projects for no tangible benefit, solely to hone abilities
- Dedicated to the pursuit of knowledge and constantly look for new opportunities to learn
- Extremely passionate and puts 100% into everything done
