

Kasson-Mantorville High School

February 2009

Student of the Month

Luke Schwartz

The February Student of the Month is Luke Schwartz. Luke is the son of Mark and Anne Schwartz of Mantorville.

Academically, Luke has achieved high honor roll status throughout his high school career.

In school, Luke has been involved with a variety of activities, including Basketball (captain), Knowledge Bowl, K-M Reading/Writing Group, Band, Choir, Men's Octet, Jazz Band, HVL Honor Band, and Senior Class Vice President.

Outside of school, Luke keeps busy as a member of the South Zumbro "Mountain Movers", and as a novelist. Luke wrote his first novel last summer and is currently working on his second novel.

In his downtime, Luke likes to write, read, and play basketball and tennis.

One philosophy Luke believes has helped him be successful in and out of school is that "there is no one in the world that knows everything that YOU know."

After graduation Luke will be attending a four-year Liberal Arts College and major in political science.
