Student of the Month**

Josh Clausen

The May Student of the Month is Josh Clausen. Josh is the son of Shirley Clausen and Ron Clausen, both of Kasson.

In school, Josh has been a participating member of football team and also a leader in the Link Crew Program. Outside of school, Josh spends his free time learning more about science, fixing things, and traveling. During the summer Josh works for United Van Lines moving furniture.

After graduation Josh plans on attending Rochester Community and Technical College to complete his general education credits and then transfer to a four-year university and major in Engineering. Josh hopes to one day move to Europe.
