

October 2007
Kasson-Mantorville High School
Student of the Month
Cassie Dorschner

The October Student of the Month is Cassie Dorschner. Cassie is the daughter of Al and Lois Dorschner of Mantorville.

Academically, Cassie has achieved a 3.978 grade point average over her high school career which has also earned her honor roll status. She is ranked sixth in her senior class of 152 students.

In school, Cassie has been involved with a variety of activities, including Soccer (Captain), Basketball (Captain), Track, Softball, National Honor Society, SADD, FCCLA, LINK Crew, Student Council, AFS, and Junior and Senior Class Officer.

During the summer months, Cassie works at the Kasson Pool where she has worked the last three years as a Lifeguard. This past summer Cassie earned her WSI (Water Safety Instructor) license to be a certified swimming lessons teacher. Along with working as a lifeguard at the pool, Cassie is also a Swim Coach where she practices everyday throughout the summer swimming with the swim team kids from 8-10am which she finds as one of her favorite things to do.

Cassie has also found time between school and all her activities to volunteer with her church which included a mission trip to Honduras with her church youth group.

One philosophy Cassie believes has helped her be successful in and out of school is "everyone has one life and one chance to make it count for something." I believe I do everything day in and day out for a reason, with a positive attitude, and with no regrets. It's important for me to not dwell in the past but only look to the future and take advantage of every opportunity that comes to me as a challenge to better myself.

After graduation Cassie plans on attending a four-year college and majoring in Dietetics with a minor in psychology with a goal of becoming a Registered Dietitian who is an expert in food and nutrition. Colleges Cassie is applying to include College of St. Benedict, Augustana College, and the University of Wisconsin-Stout. Cassie also hopes to play basketball while in college and also earn her coaching license to someday coach at the college level.
