## **Student of the Month**

**Kelsey Wigham**

---

The October Student of the Month is Kelsey Wigham. Kelsey is the daughter of Curt and Sherri Wigham of Kasson.

Academically, Kelsey has achieved a 4.0 grade point average over her high school career which has also earned her honor roll status.

In school, Kelsey has been involved with a variety of activities, including Student Council (President), Class Officer (President), LINK Crew, women's ensemble, choir, Mountain Movers, soccer, basketball, and National Honor Society.

Outside of school, Kelsey works part-time waitressing at Country Pleasures. In her free time, Kelsey loves to spend time playing soccer, basketball, reading, being outdoors, and being with friends.

One philosophy that Kelsey believes has helped her be successful in and out of school is that "hard work and a good attitude always pays off in the end".

After graduation Kelsey plans to either attend the University of Wisconsin-La Crosse and major in physical therapy.
