

September 2006

Student of the Month

Amy Mund

The October Student of the Month is Amy Mund. Amy is the daughter of Ann Mund of Kasson and Jeff Mund of Lake City.

Academically, Amy has achieved a 4.0 grade point average over her high school career which has also earned her honor roll status. She is ranked first in her senior class of 121 students.

In school, Amy has kept herself busy with sports and clubs including volleyball, basketball, Link Crew, Band, Choir, SADD, Class Officer, Pit Orchestra for the fall play, and HVL Honor Band

Outside of school, Amy is involved with St. John's peer ministry group, Fountain of Youth Group, and FCA. She also works at the Kasson State Theatre selling tickets and working at the concession time. When she is not working or studying, Amy enjoys reading, playing basketball and volleyball, spending time with friends, and watching movies.

One philosophy that Amy has lived by is that "knowledge is power". Amy is always trying to learn more and tries to keep an open-mind to new ideas that will help her life and the lives of others.

After graduation Amy hopes to attend St. Olaf College and major in math with the future goal of working in actuary sciences.
