Academically, Jalissa has achieved a 2.8 grade point average over her high school career. In school, Jalissa has been involved with a variety of activities, including Choir, AFS, SADD, LINK Crew, and FCCLA. Out of school Jalissa is involved in a missionary group for her church and also a venturing group also with her church.

Besides school and her activities, Jalissa works part-time at the Kasson State Theatre where she has worked since 2005. Her job involves taking tickets, making popcorn, and most of the time cleaning the theatre after a show.

In her free time Jalissa likes to watch and cheer on her classmates as they play sports. She loves to take pictures and scrapbook, listen to music, and go four-wheeling with her family.

One philosophy that Jalissa believes has helped her be successful in and out of school is "living life to the fullest" and to have "no regrets". Jalissa stated she tries to stay positive and future-thinking.

After graduation Jalissa plans on going to college and majoring in graphic design or photography.
