GRAND KNIGHT'S GREETING VIVAT JESUS!

Brothers, If I missed seeing you, I hope you and yours had a Holy and happy Easter. As the fraternal year starts winding down I have been preparing for the State Convention, a task that is putting my meager typing skills to the test (as brother Joe can attest it takes me for ever to get this report in). Going back over the past year I feel we have been quite successful. You are the reason for this success. For example over the past couple of months we have: John Woodard, Jr. and the LAMB Drive, Brad Gardner and the free throw crew, Knights and their families, John Purcell, Jack Ireland, Dave McGuire, and others finishing the new

addition and getting the Memorial Garden ready for Easter, the spaghetti and pancake crews, and Frank Heath and his crew delivering baskets to the forgotten seniors. I started the year like a deer caught in the headlights but I like to think I'm picking up steam and plan to do better in the next year. I appreciate all the help and direction I received this year and want it to be known I will accept any given in the future.

Let us not forget that April 4th is the first Friday of the month and there will exposition of the Blessed Sacrament and if you can find the time to spend with it please do so.

Fraternally yours,

JIM RILEY

HIGHWAY CLEANUP

On Saturday morning, March 15th, ten fellow Knights picked up 32 and 5/8 bags of trash on the two mile stretch of the Camden Highway. We were then treated to a high calorie, high carb, gourmet breakfast prepared by Chef, Barbara Purcell. Hats off to our fellow Knights and Barbara for a job well done.

Don Witosky- Executive Vice-President of Highway Cleanup

Brothers,

Put April 26th on your calendar today. Please save that date to join us (with your family) for family night out at Tony's Restaurant. We will be meeting there after mass that evening.

Hope to see you there!

Fraternally yours,

Dave McGuire
Family Director

KNIGHTS OF COLUMBUS MEMBERSHIP JOIN US

Sometimes, the hardest thing about recruiting is taking the first step. Recruiting a new member can be as easy as asking him to join. Amazingly, many individuals haven't joined the Knights simply because they have never been asked to join. When the opportunity arrives, take the initiative and start a conversation with a potential prospect. It's the first step for recruiting on a one-on-one basis and can yield very positive results. ASK.

Rob Wetzel – Membership Director

Brothers,

The Forgotten Seniors project was completed Good Friday. Special thanks to my wife for securing the materials during a trip to Virginia. We assembled the 90 bags in the social hall, including a tissue paper wrapped stuffed or layette type bunny, hand addressed mass or other religious card, and a plastic egg filled with an Easter message. Items were delivered to four local nursing and retirement homes - Brookdale Carolina House, Carolina Living, Guardian Care, and WR Winslow Memorial. Having not received any thank-yous yet probably means we reached our target audience.

Sincerely,
Frank Heath
Community Director

GOOD ADVICE

Remember your teacher's good advice? "Always start each project with an outline. It will give you the right direction." Experience tells us that the same idea works when it comes to getting ahead on the job – or in planning for individual or family security. But, in the latter kind of planning, your outline cannot be completed alone.

Rely on the trained advice of your Knights of Columbus Insurance Agent and the Order's long and practical experience in the life insurance business to help you prepare your plans for the years ahead. I will be happy to help you chart and build a sound economic future. Better yet, I'll do it with an individual insurance plan keyed to your own needs and goals.

This sort of professional counsel is available at absolutely no obligation . . . just through a telephone call to me for an appointment. Today, when programming is essential to effective use of the do-everything computer, it is equally so to the fulfillment of our own dreams and hopes for our families. Life insurance programming is a service you should have . . . and one that I provide.

Call me today for an appointment. I want to hear from you.

Help me to Know

You gift me with all the good gifts that make me the person you created me to be. Help me to know and find your will and to trust that you will help me to understand the path you call me to journey in life. Where there is doubt give me courage. Give me a heart open to your quiet voice so I can hear your call to me. Help me to know your faithfulness and help me to be faithful to that which you call me to. Amen.
