Grand Knight's Greeting

Brothers,
Vivat Jesus!

As another Fraternal year begins, I would like to thank DGK Doug for standing in for me at the July meeting and at the Organizational meeting while I was off playing Florence Nightingale.

We have many good projects and programs that that are on going through out the year and we are always looking for new projects. So, if you think of something write it down to me and I will take it to the officers and directors to see if we can do it. If we can't, I will tell you the reason why. Likewise, I am not all-seeing (that comes at the state level); if you see a brother knight doing something worth recognizing, tell me who it was and what they did. I am always looking for knights of the months and families of the month. This is not my council, but *our* council. I will take care of the paperwork and with your help try to direct the council. This said and with the help of Mary our Queen lets us go forth and have another blessed year.

Fraternally yours,

JIM RILEY

**SPAGHETTI
SUPPER**

Brothers, I want to thank everyone who helped with the Spaghetti Suppers this past year. You made it our most successful year yet. The money we made will go a long way in supporting the Council's programs. Our new season of Spaghetti Suppers will start on **September 19th**. With your continued support we can have another great year. Thank you all again.

The **Chaplain's Column**

Eternal God,
please bless our priests,
who represent you on this earth.
Make them more greatly aware of the grace
that you pour out through them
when they minister the sacraments,
and help them to fall more deeply in love with You
after each and every Mass that they celebrate.
Please strengthen our priests,
who shepherd your flock,
when they are in doubt of their faith,
that they may be examples of your Truth
and guide us always on the path to you.
We ask these things of You our Eternal Priest.

Amen.

What You Should Know About Mortgage Insurance

Have you purchased a new house recently? Congratulations! On a more sobering note, this is one of the biggest purchases you'll ever make – and probably came with a sizable mortgage. There's no question that such a large obligation should be factored into your life insurance planning. The real question is which type of policy would best meet your needs. "Mortgage insurance" is actually a form of decreasing-term insurance. The face amount decreases as your principal balance decreases. If you die, the balance of your mortgage will be paid off.

You can also purchase individual term life insurance with a decreasing benefit, and the Knights of Columbus offers this type of policy. Your beneficiaries could choose *not* to pay off the mortgage balance, and instead use the death benefit for some other purpose (education, retirement savings, etc.)

Never rule out permanent life insurance for mortgage protection. The fact is, many people move frequently during their adult years, often to more expensive housing. Owning a mortgage becomes a permanent obligation that doesn't diminish – and may, in fact, increase. A permanent policy would be a wise buy in such situation.

Buying a house is a hectic time. I can help make it a little bit less stressful by outlining your mortgage insurance options for you. Call me anytime.
