## GRAND KNIGHT'S GREETING VIVAT JESUS!

Brothers, as I write this, I have the convention staring me in the face. I will give you a report at the meeting.

This has been a month for Spiritual growth on the 12th some of you made the pilgrimage to the Basilica with some participating in the honor guard. The Holy Father made his first trip to the United States and at the televised Masses gave some inspiring Homilies even mentioning Father McGivney at the Mass in the Cathedral in New York. This visit will be talked about for a while. Our Chaplain was one of the Priests selected to co-celebrate the mass in Washington .

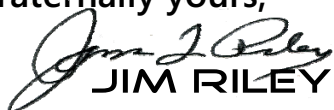

I have been out of town since the 17th haven't had a chance to talk to Father Jim. Many of

you know how his trip was. Betty told me he had a wonderful time.

I wrote the above while in Raleigh and had difficulty getting online to send it when I got home.

I went to Mass this Tuesday and whoa you guys where busy (you know who you are and I don't to miss anyone if I try to list everyone). The Memorial garden is a place where our love ones can rest in Peace and Beauty. A mural in the Family center (done by a Knights wife) and the flags are impressive. The concrete work looks great thanks to brother Knights. The church looks great.

Fraternally yours,

  
JIM RILEY

# DINE OUT TO HELP OUT

The Albemarle Region's annual **Dine Out to Help Out** will be held on June 10, 2008 at many area restaurants and coffee houses. This year, many generous partners are teaming with the Food Bank of the Albemarle, and when you dine out on June 10th, each participating restaurant will donate 10% of your bill to help the hungry and needy in our region. Whether you eat out morning, noon, night, or stop for a cup of your favorite brew, you'll have a great experience, and you will be assisting your Food Bank, its agencies, and the men, women, and children they serve at the same time. Each dollar the Food Bank receives helps provide about five pounds of food or the equivalent of over four meals. You WILL make a difference when you **Dine Out to Help Out** on National Hunger Awareness Day. Look for the posters with the waiter in the tux. The entire list of participating restaurants will be published approximately three weeks before Dine Out and a "current" list is available on the Food Bank's website at [www.afoodbank.org](http://www.afoodbank.org). For more information, call John at 252-335-4035 X111.

Brothers all,

The next Community project is scholarship. The committee that actually reads the applications is anonymous, but we need your help! Please advise any youth member of our parish who is a high school senior or already in college to apply. All I need is a name and contact information, and I will make sure they get a packet.

Sincerely,  
*Frank Heath*

Remember ASK any Catholic gentleman over 18 years of age. Get their phone number and give it to me and I will do the rest. You have to ASK. Worst thing they can say to you is "I'm not interested in becoming a Knight." That answer is very seldom used. ASK!

## THINKING ABOUT A VACATION

No doubt the signs of spring have had their affect on you. Initially, getting outdoors is the obvious thing to do. We start by poking around the garden, working on the lawn, attending softball practice, dusting off the gas grill.

Beneath it all we sense that vacation time is near. This pleases everyone. It doesn't matter whether we are planning an elaborate vacation or will simply enjoy the company of our family at home – the feeling is the same. Vacations are fun.

If we've planned properly, chances are that some of our hard earned dollars have been set aside for this occasion. We recognize that if we plan to spend money in the pursuit of enjoyment, the ordinary fixed expenses – mortgage, utilities, etc. – must still be paid. So you need a "vacation fund."

All of this makes good sense. The soundness of the idea is obvious. Isn't it amazing that so many of us see the wisdom of planning for our vacations each summer, but fail to plan our long range vacation – retirement. The government has thought about it and planned a pension for you.

The only one left is you . . . it's time you thought about it. Find out how you can add to government and employer programs an amount sufficient to provide for you and yours.

After all, retirement is the longest vacation you'll ever take. Call me today and we'll plan it together.

## The Chaplain's Column

### As the summer weather and travels near, keep this prayer close.

My holy Angel Guardian, ask the Lord to bless the journey which I undertake, that it may profit the health of my soul and body; that I may reach its end, and that, returning safe and sound, I may find my family in good health. Do thou guard, guide and preserve us. Amen.
