

Sarak gaya jis ghadi sir se naqaab uska,
le gayaa jaan meri zaalim hiyaab uska,
mehekthe rehte the jinse mere sham-o-sahar,
ab bhi pannon mein dabaa rakhaa hai gulaab uska,
jab bhi hoti hai koi baat shab-e-mehfil mein,
jiskr hota hai her baat mein janaab uska.

De dua ho dard kam,
yeh ranjish-e-safar khatam,
lamhe to hain simat chale,
door tu, tera chaman.

Har kadam pe imtihaan leti hai zindagi,
har waqt naye sadme deti hai zindagi,
hum zindagi se shikwa karein bhi to kaise,
ki AAP sa dost bhi to deti hai zindagi.

Jaam pe jaam peene se kya faayeda,
raat guzaari to saari utar jaaegi,
kisi ki aankhon se peo,
khuda kasam umar saari nashe mein guzar jaaegi.

Hum farz-e-dosti yun hi nibhaate rahenge,
waqt bewaqt yun hi sataate rahenge,
dua kariye ki umar bahut lambi ho hamaari,
nahin to yaad ban ke aapko rulate rahenge.

Gul ne gulshan se gulfam bheja hai,
sitaaron ne aasmaan se salaam bheja hai,
mubaarak ho aapko Nav Varsh
Hamne advance mein yeh paigaam bheja hai!!

Mujhe dard-e-ishq ka mazaa maloom hai.
dard-e-dil ki intehaa maloom hai,
mujhe muskuraane ki dua na do yaaro,
mujhe pal bhar muskuraane ki sazaa maloom hai.

Ishq dariya hai jiska saahil nahi hota,
har dil mohabbat ke kaabil nahi hota,
rota woh bhi hai jo dooba ishq ke saagar mein,
aur rota woh bhi hai jise ishq haasil nahi hota.

Bete hue lamho ko jab bhi yaad kiya humne,
gardish-e-waqt ko ru-ba-ru har baar kiya humne,
ek zakhm ubharta hai is dil mein,
jab jaam ka honto se ehtraam kiya humne.
Door hokar bhi tum aa jaate ho nazar ke saamne,

in palko ko jab bhi sangsaar kiya humne,
ae dost hum bhi ho chuke is ishq mein ghaayal,
aur apni zindagi ko barbaad kiya humne..

Andaaz-e-beaan haalaat ka koi aap se seekhe,
kaise karein jazbaat beaan koi aap se seekhe,
hum to yun hi uljhe hain apne khayaalaaton mein,
kaise kehte hain din ko raat koi aap se seekhe.

Tajjub hua mujhe padhe jab aapke alfaaz,
naacheez ko diya aapne izzat ka jahaaz,
seekha jinse humne saaz pakadna,
wahi kehte hain aaj kya hoti hai aawaaz.

Shaam-e-samandar, gham-e-vasl aur tanhaai,
dil ko teri yaad aa na jaaye..
Ret par reh na jaaye koi baaki nishaa,
chaand mein teri surat nazar aa na jaaye..
Giraft-e-bekhudi se hi kaayam hai maikadaa saare,
diljalo ki basti mein dilnasheen aa na jaaye..
Haayat ki ungaliyon par naachte hain hum,
guroor-e-naseeb zehen mein ab aa na jaaye..

Woh na aaye,
par unki yaad aa ke wafaa kar gayi..
Rahi tamanna har waqt milne ki,
mera aman-sukoon tabaah kar gayi..
Darr pe aahat suni bahut baar,
humne socha,
asar dua kar gayi..
Jab darwaaza khola to koi na tha,
mazaak humaare saath hawaa kar gayi..

Kuch unki adaaon ne loota, kuch unki inaayat maar gayi..
Hum raaz-e-mohabbat keh bhi na paaye, chup rehne ki aadat maar gayi..
Dil ne kiya majboor kai baar milne ko, jee bhar ke unko dekha na gaya,
nigaahon ki sharaafat maar gayi..
Dono ko hi hai shikaayat, ilzaam lagaayein kis par,
kuch dil ne humein barbaad kiya, kuch humaari kismat maar gayi..

Simta unka waqt kuch is kadar,
ki hum tamaam umar ik pal ki aarzo mein dikhe..
chaahat thi rishi ko bas ik jhalak ki,
par kaafir ghar se burka kar nikle..

Ab dosto se kya asraar rishi,
jab dushmano par tamaam haqeeqat bayaan kar dee..

(asraar: secrets)

**Jab rishi se mulaqat hi na hui,
to guftgu kahan mumkin thi..
sach kehta hun dost,
zindagi khaamosh aur tanha thi.**

**Jaane do is syaah raat ke aagosh mein,
rishi zindagi se ab aur koi aarzoo na rahi..**

**Tamanna karo jin bahaaron ki
woh bahaar aapke kadmo mein ho..
Khuda aapko woh haqeeqat mein de
jo soch aapke sapne mein ho..**

**Kya zindagi hui, kya kahein..
main mae se aur mae mujhse
apna kaar-o-baar poochte hain.
(mae - sharaab)**

**Kabhi mir toh kabhi ghaalib keh kar pukaara,
waah ri duniya toone mujhe naam ki chaahat mein duba kar maara..
kabhi peeth mein dhoke se to kabhi andhere mein,
waah ri duniya na kabhi toone saamne se maara..
kal tha bechaara to toone nashtar-e-lafzon se maara,
aaj hua aawaara to toone pathar-ro se maara..
waah ri duniya..waah ri duniya..**

**Jagaa ke humko woh kehte hain so jaa,
koi bataaye humein hai humaari kabr kahaan..**

**Na kar fir mazboor mujhe likhne ko aaj,
ik hakeem ne rone se parhez kaha hai..**

**Na keh galti mere peene ko,
ki is-se hui hai fir roshan meri shaam-e-tanha,
ki is-se fir mehfil-e-aagaaz ho gayaa..**

**Zaroorat hi nahi hai alfaaz ki,
pyaar cheez hai bas ehsaas ki,
paas hote to manzar hi kya hota..
door se hi khabar hai humein aapki har saans ki.**

**Paane se khone ka mazaa aur hai,
band aankhon mein rone ka mazaa aur hai,
askq bane lafz aur lafz ghazal..
aur us ghazal mein tere hone ka mazaa aur hai.**
