BUILDING MANAGER

We are in need of volunteers to tend bar during the week. We have openings on Tuesday night, Wed night (once a month) and Thursday nights. If you would like to volunteer for one of these nights there is a sign up list on the bulletin board in the Hall, or call 288-6625 Tuesday thru Saturday between 8am and 12 noon. This is a good way to help our council.

The Knights will be changing the 2nd and 4th Thursday night menu. Wing night will end after July. We thank Tim Krumm and his dedicated workers for all they have done over the last 14 years of Wing Night. As a result we were able to eliminate the paid cleanup after the event. The council is considering other options to improve our income. Two of the suggestions have been a Steak Night and a Pizza night. If you would be interested in chairing or working on one of these functions contact Ted or Dan Elliott at 288-6625. We need some fresh workers if we are going to continue to be able to support the Council. If you have any ideas for a function --Please let us Know.

In addition. I would like to thank the Last Wing Night crew of 6/22/06 for their extra clean up efforts. As a result we were able to eliminate the paid cleanup after this event.
