GRAND KNIGHT'S MESSAGE

We have established a First Degree Team. We will be practicing for our first Degree some time in June. The team is made up of Bob Decker, Tim Krumm, Ed Balling, Dan Elliott, Ed Menard, and Ted Dressel.

We are continuing to Recycle Cell Phones and Ink Cartridges and the donations support the Special Olympics—Same as Last year. Bring out your items to the KC Hall or drop them off at MPH in the lobby. If you have access to the large cartridges for copying machines, they are worth considerably more than the small ones.

Dan Elliott Family was nominated as the **Family of the Month** for March—if you have any suggestions for possible candidates call Ted Dressel at 659-3962 or email at www.thdbjd2@yahoo.com.

We had a team at the Bowling Tournament in Highland—had a great time and lots of fun.

We have hired a new **Building Manager** as of 4/1 and her name is Kelly Jones. Please drop by the hall and introduce yourself to her. She will be a great help to us in the operation of the hall. Dan is her trainer. **Welcome Kelly**

The **Nominating Committee** has sent out letters with The Duties of Council Officers. In addition, they sent out a list of Directors and their duties. We are still looking for response from more members in order that we can fill the positions. It is mandatory that we get more response than we have to date. Since several of those who have come forward will take a position only if we can have a group effort instead of the way we have done it in the recent past.

Our Membership Goals - we still need 4 more new members and 3 more insurance members to receive the Star Council Award. We have met or will meet all the other requirements needed. You need to invite friends and acquaintances to join our council.
