

# I Love You Lord

D                          A            D  
I love You Lord, and I lift my voice  
G        D    A  
To worship You

O my soul rejoice

D                      A                      D  
 Take joy my King, in what You hear  
 G              D              A                      G      D  
 May it be a sweet, sweet sound in Your ear
