

EARNINGS

This worksheet shows the amount of Business Earnings one gets from reselling

EXTREME Power Energy ~ More Power! ~ Run Faster! ~ EARN Money!

RM = Ringgit Malaysia

Retail Price in Malaysia per EXTREME Power Pack = RM 500.00

Two methods of starting your own EXTREME Power Pack Business:

Starter Business	Power Business
Requirements:	
~ Orders of 10 units minimum	~ Orders of 200 units minimum
Discounts:	
~ 4% from Retails = RM 480.00 per unit	~ 10% from Retails = RM 450.00 per unit
Profit from Each Order:	
= RM 20.00 x 10 = RM 200.00 on every Order (Minimum)	= RM 50.00 x 200 = RM 10000.00 on every Order (minimum)

Long Term Business Outlook:

- Each Power Pack change at 80000km
- Normal Servicing at 5000km or 3 months
- => Changes of Power Pack at 50000km occurs on 48th month
- => Assumption is customer will return on each 48th month

Customer Base = 10 orders x 48 months = 480 customers till next recurring @ Business size 480 x RM 20 = RM 9600	Customer Base = 200 x 48 months = 9600 customers till next recurring @ Business size 9600 x RM 50 = RM 480000!!
