If you would like to receive this newsletter via email, please let me know; it will help reduce expenses for the district.

It was good to see all who came to the Awards Banquet and Meeting. I have updated the show schedule on the website. There is a flyer with the specifics about the Lyons barrel race out there, too.

Some of you may be wondering if we are going to have an opportunity to run in the Domer Arena prior to the State Championships this year. I talked with Gladys Rogers, who has typically organized this for the past several years and she was not able to get the facility rented on a date that did not conflict with another event. For those of you who live close to Topeka, KS09 is having jackpots once a month on Wednesday evenings. I have included the dates in the list of "Other Events of Interest" in this newsletter.

The following are KS05 district rules, please read carefully:

- 1) You can only win one first or second place award per class. If you win two first or second place awards in one class you will trade awards with the next place and on down through the places. The first place award will still say "Champion" and the second place award will say "Reserve Champion". You can win two first or second place awards only if you compete in Open and Youth or Open and Senior classes.
- 2) Members must participate in Open, Youth or Senior classes a minimum of 6 times (in each class) to receive year-end awards in the respective classes. This rule will be waived for new members joining on or after the date of the 7th show.
- 3) All advertising sold in 2008 will expire with the December 2008 newsletter.
- 4) Members selling \$50 or more in advertising for the newsletter will be exempted from paying the \$5/show awards fee.
- 5) Members must be present or have a delegate to pick up year-end awards at the Banquet or they will be used for another purpose.

2009 Pee Wee Information/Rules

Year-End Awards: Each child who participates in at least 6 races will win a year end buckle. Additional awards will be given to 1st through

4th places according to how much money is in the award fund at the end of the year.

Fees: \$10 per entry. \$5 will go to awards fund, \$5 to payback

Age: 8 (as of Jan. 1) and under. Child may enter *either* Pee Wee class *or* youth class, but not both.

Assistance: If assistance is needed, only lead line is permitted. No leading with another horse or riding along with child.

Points: Children who are unassisted and complete the pattern will place in front of assisted children at barrel race. Points will be awarded to each place and will accumulate. Therefore, assisted children *could* place ahead of unassisted for year end awards if they attend more shows and accumulate more points. Every child who participates will get at least 1 point.

Payback: Everyone who completes the pattern will get payback.

Horse: We will allow the same horse to be ridden by multiple entries.

Schedule: Please check the KS05 website for schedule.
