Qing He (more cool now!) and San Chai were in the crowd. At the end of the speech, there was this cool helicopter scene and everyone threw their hats into the air.. very nice

F4 and San Chai chatting in bar, F4 planning to have a holiday trip and the result is Spain. San Chai also invited by F4, but she refused. What's the reason? Like she always said to DMS, 'I don't have that money'. Then DMS said, 'Ni shi zhu ar? (Are u a pig?) Of course I will pay for you.' Finally, San Chai agreed but with the rule that she will return all of the cost after she have enough money. Still so stubborn.

At airport, San Chai found that her passport was left at home. DMS scolded her, 'How could you forgot your passport?'. Then San Chai said loudly, 'What then? I won't go anywhere, ok? I will go home now.' Suddenly, Qing He and San Chai's mom also arrived at airport to give San Chai the passport. But San Chai still angry with DMS, after she thanking Qing He, she told her mom that she want go home now. Lei finally say something (heheheh..), 'I think if someone willingly to apologize, then everything will be fine.' Everyone's looking at DMS.

DMS still silent, when San Chai start to walk out from there, DMS finally said, 'Dui bu qi jiu dui bu qi ma....(I'm sorry ma) with his shameful face which was very very cute. Hehehheeh..... But at last, only DMS and San Chai went to Spain, this is exactly what other F3 planning for. Before they left, Lei give DMS a letter and told DMS to open it after they arrived in Spain.

DMS and San Chai arrived in Spain. San Chai was so excited, DMS look and laugh at her, 'Wei4, ni3 hen3 tu3 ee!' The next scenes were full of their romantic moment. I can't describe it, I lost my word, San Chai is so lucky, hheheheh?. I think you better watch it by yourself.

When San Chai get up in the next morning, she found DMS has gone out and there is a parcel on table. She opened it and she look at the beautiful white gown. He left a memo which told San Chai find the hotel taxi driver then the driver knew where to go.

At another place, DMS drive his BMW and suddenly his car lost control, then he stopped his car and waiting for help. A red car stop and DMS bargain something, then DMS drive the red car. He drove very very fast. When he opened the ring box, the ring fell down. DMS try to find it. Suddenly a Benz which drove by Michelle Saram come closer and then the accident was happened.

Episode 2

Then she heard a walking step outside, she's open the door quickly, but it's the bell boy's saying `Good nite' to her, not DMS. Then the door was knocked by someone, San Chai thought it was DMS, but still wrong, it's Jing.

Jing and San Chai were outside now. Jing said, 'I knew DMS for along time, I knew he will never leave u alone.' San Chai : `How it will be? He is leaving me alone now.'

Jing : `Maybe he just want to give u surprise.' San Chai : 'Surprise?!' San Chai got something in her head.

Both of them run to the market place where San Chai and DMS came yesterday. They stop at the shop that sold a meteor ring which San Chai like. They asked about the ring, its owner said, 'That ring has sold to a Chinese man. U know, this ring has its own story, it said that long time ago, this ring were a pair. But then one of them was disappear. Who have the other one (exist one) will always got bad problems. So at first, I was unwillingly to sell this ring. But the man so stubborn, so I sold it to him.' Then Jing drove VW Bettle with San Chai arrived at the church. When they walked in and San Chai take out her Sony Ericson T68i from DMS coat's pocket which she wearing, there was a letter flew out. When I was here, I asked Jing came to that church and I planned to make proposal. But after I wait for 1 day 1 nite, Jing still not appear. So I hope that you could help me to make this dream come true.'

In patient room, Ye Sha was sitting in front of DMS bed drawing something. DMS wook up, he became confused again and keep asking for his identity. DMS grabbed Ye Sha's shoulder and try to remember something, he said, 'Balloon? Ack? I can't remember', he is holding his head like it was so hurt. Ye Sha try to help him, but she also got injured. Then the doctor came in and caught DMS.

Lei was standing in his terrace, then his mobile rang, he picked up, he knew it was San Chai. 'How r u guys?' After he heard from San Chai, Lei : `Don't worry, we will be there as soon as possible.' Then Lei made a call, 'Xi Men, A Shi got problem.'

Ye Sha went to hospital, when she walk to DMS room, no one in the bed, she ask the nurse, the nurse said, 'The patient has out this morning.'

San Chai, Jing and F3 also arrived at hospital. They ran to the building, Ye Sha came out looking for DMS. San Chai show the nurse, DMS pas photo (with his pineapple head) in his passport, but said she had never seen this person.

Xi Men : 'Yeah, u must have enough energy to find A Shi.'

San Chai grab his plate and start to eat, very fast : 'U're right, I must find DMS.....' She want to vomit and run away.

For a second, she came back, keep bow down and said, 'I'm sorry, I can't scold Lei, I'm not supposed to came here. I'm not supposed to like this ring,.....hikhis? She started crying, Mei Zuo and Xi Men came to calm her down.

DMS walking around the market alone without know where to go. Finally, Ye Sha found him, she didn't stop him, she just followed him. She know DMS must be hungry, so she bought a french bread for him. Then she take DMS home, she let DMS choose which room he like. DMS choose her room, without say anything, DMS closed the door and left Ye Sha outside.

Episode 4

At plantation, DMS, Ye Sha and Sa Ge were working. Two Benz walked direct to them, the benz stopped in front of them. DMS'mom (DMF) came out from car and looked at DMS, "What r u doing here? Come on, we have to go home now."

Ye Sha : "Who r u? Why did he must follow u?"

DMF just silent. Then one of his bodyguard gave Ye Sha a document keeper, after she read it, "A Xing, she is your mother. You are ABC (American Born Chinese) and your name is David DauMing."

DMS : "Wasn't I a Taiwanese?"

DMF : "Don't ask too much. We will fly to New York tomorrow."

At first DMS didn't want to obey his mom, but after Ye Sha talked to him, DMS finally followed what his mom said.

DMS was standing near windows in their apartment in Spain. He was offered by his housekeeper to choose which coat he likes to wear. DMF came out and said, "David, I have to told you, after you have remembered your memory, you have to obey this three rule: 1st, you will never have permission to talk with the people from low class. 2nd, you must heard what I said, what I told you to do, you must do it. 3rd,after we have arrived at New York, u must begin to work in our company, don't think about other useless things again." DMS seems unwilling to obey those rules.

DMF and DMS were sitting in dinner room having their dinner.

DMS : "At past, we always have a dinner like this?"

DMF : "U want to add your dishes?"

DMS : "We usually having a dinner without chatting?"

DMF : "Chatting? For what use?"

DMS : "I want to ask u something, where I have graduated, in what course, why did I came to Spain? Why did u don't want to answer me?"

DMF : "Don't be so hurry. That's not good for u. Go in ur room and take a rest, ok? Hear what mommy said."

DMS finally went to his room. He remembered that Ye Sha gave him a telp number if DMS want to talk with her. When he wanted to make a call, he heard his mom was talking with her assistant, "Have you clear all of Shau Ye's things? Remember, after he was in New York, we must start our plan to change him. We can't let him remember his past. If anyone call or find him, u must stop them. Remember, it's anyone."

Tomorrow morning, DMF and DMS were in trip to airport.

DMS : "I want to see my passport." DMF gave it to him. DMS look at his US passport with his name "David Dauming." He still holding his passport. When their car stopped at traffic light, suddenly DMS run away from the car. Bodyguard were running after him, but they failed.

DMS went to the plantation again. Ye Sha and Sa Ge saw him, "How did u come back?"

DMS : "That woman want to change me. I rather believe in myself. I want to go back Taiwan. I think this is the only way to bring my memories back."

YS : "I'll go with u."

San Chai was standing in hotel terrace holding balloons which given by DMS. Then she let the balloons fly to the sky. Mei Zuo came out and talk to her, "It's time to go to airport now." San Chai only nodded her head and followed Mei Zuo.

DMS and Ye Sha were check-in. Suddenly DMS speak in Spanish, "Quickly, please." Ye Sha shocked with that, "So you can speak Spanish."

DMS : " Did what I say is Spanish?"

San Chai, Jing and F3 also were in airport now. They say good bye to Jing. Suddenly, Xi Men

mobile rang, it's DMS'sis, "Da Jie, u still haven't found A Shi? Okay, I want to ask you again, DMS was really not at NY now? Ok,ok, Thanks." Xi Men said to others," Hei, DMS is not at NY."
Mei Zuo : "So where is he now?"

San Chai remembered that DMS has ever told her, "San Chai, if u can't find me, just stay at that place, don't go anywhere and I will come to find u."

San Chai : "I can't leave Barcelona. DMS will find me here. He told me before."

DMS and Ye Sha were in Taiwan now. They stay at Sa Ge family rental house.

San Chai sat on the church seat. "I'm sure, he will find me here," she thought. Then the door was opened, San Chai turn back and Lei was there. She smiled to him, Lei said : "If you can't smile, don't force to do it." San Chai (smiling) : " Am I looking like that?"

Xi Men and Mei Zuo came in too. Xi Men : " San Chai, we will go to New York."

San Chai : "Hah? U guys also want to leave ar?"

Mei Zuo : "Xi Men and I will search for DMS info in NY, then u and Lei stay here. San Chai, u must take care urself. Don't let us worry."

San Chai : "Don't worry. I will take out my wild grass (Za1 cao3) spirit. I won't like insane again."

Mei Zuo : "Yeah, this is the real San Chai whom I knew. I know friend's wife can't be touched, but I really want to hug u."

San Chai walk toward them and hug Mei Zuo. Xi Men also followed. Then Xi Men and Mei Zuo look at Lei, "What'r u doing there? Come on." They pull Lei to join them.

Tomorrow morning, Ye Sha and DMS was ready to go out searching info. Suddenly DMS forgot how to tight his shoes. He became angry again and then run away. Ye Sha run away too.

Episode 5

The show opens with Ye Sha going home (the temp. room she rents in Taiwan with DMS). She sees a light through the window as she goes up the shows, and smiles as she assumes that it's DMS. However, when the room remains in pitch black, she gets suspicious. She enters the room to find a thief with a flashlight. When the thief sees her, he pulls out a knife before grabbing the ring, and Ye Sha shouts at him "You can't take the ring! It's Ah Xing's!" He ignores her, and she attacks him. A little struggle ensues and he pushes her onto the bed and escapes. Ye Sha catches up with him on the staircase and while they are struggling again, DMS returns. He fights the thief, but as Ye Sha is hanging over the edge of the staircase, he lets the thief go in order to help her. (only stupid people would try to attack an armed robber in the dark, without turning on the lights, and falling over a staircase. Gee!)However, both of them fall over and land in a heap of rubbish. DMS demands to know why YS was so stupid, and she defends herself : "He was trying to steal your ring, I was trying to stop him!" She wants to go after the thief, but DMS tells her, "What's a ring? It can't compare to real friends."

YS tries to teach DMS how to tie shoelaces. He gets very frustrated because he feels so stupid that "I can't even remember how to do such a simple thing." YS tells him to keep practising and that he will eventually get it. She falls asleep, but wakes up halfway to find DMS practising on his own. (So endearing!) Smiling at his perserverance, she goes back to bed. In the morning, when she wakes up, DMS walks up to her to show her his nicely tied shoelaces. YS is very proud, and tells him "those are the most nicely tied shoelaces I've ever seen in my life". DMS then gives her a clip with a ribbon he tied for her, and she happily pins it to her hair.

SC and HZL are in the same church that DMS and SC were supposed to meet at. SC has her

hands clenched together, like she's in prayer. Suddenly, she asks HZL where DMS's "jiu3 wo1" is (sorry I don't know what that means in English) She is appalled at how she could have forgotten where it is, but HZL tells her "DMS's jiu3 wo1 is in your heart, you didn't forget it." She asks him to tell her about the legend of the church. HZL tells her that there is no ending to the legend, so it doesn't mean that she and DMS don't have a future. She asks him if the same book would have the story of the ring, but HZL says "There are so many different legends in this world, only real love doesn't have a legend. Only those who don't believe in true love would pass their lives trying to think up of more stories. If you really love DMS and believe in his love, then you'll forget the legends and carry on waiting." SC thanks him, and says that it's ironic how both of us are so unlucky with that church. She tells him she feels like "dao4 li4" (do a handstand), because she feels like crying. Then she scolds him for bluffing her because after doing a handstand, her tears still continue to flow.

YS and DMS are walking in a park, and she complains that it's very hot. (Aiyo, don't complain so much!) She's admiring her ribbon clip in a mirror, when she suddenly sees a newspaper featuring ads. She then gets an idea to put up an ad in the newspaper. (She was actually kneeling in front of the guy reading the newspaper, talking to herself, then he was like "Huh?" at her) She takes him to a place where they take Neoprints. The way DMS smiles in the Neoprint is terrible, it's so forced. The Neoprint appears in an ad on the newspaper.

SC's parents see the ad. They think that it looks a lot like DMS, and laugh at the ad, because it talks about "A 21-year-old guy who's lost himself and wants to look for himself again" SC's dad thinks it's a stupid ad (and I agree!) because it's definitely not something DMS would do. They start fighting over their food, again.

Xiaoyou's boyfriend from MG1 (the one DMS beat up in the amusement park because he was cheating on Xiaoyou) sees the ad. He waits for YS and DMS at their house. (So freaky! How he know where they live?!) He pretends to be DMS's friend, and says he got a shock when he saw the ad. He tells DMS that friends call him "Ah Si" but his full name is Daoming Si. DMS tells him he has no inkling of that name. The boyfriend gives both DMS and YE a drink - it's bubble tea. He tells DMS not to worry about his loss of memory, and toasts a drink to them. YS asks him what his connection to DMS is, and he says that because of a misunderstanding, DMS and him got into a fight. And they later became friends because of that fight. YS is surprised that DMS is very good at fighting, and the boyfriend says that in YingDe last time, everyone was scared to death of DMS, because if they the red warning (hong zi tiao), the only way they'd ever get peace again is to leave the school. YS sips her drink again, and starts to lose consciousness. The boyfriend asks DMS if he remembers his good friend Ximen, and before DMS can answer, he too, loses consciousness.

Ximen and Meizuo arrive at SC's house in Taiwan, where her parents are currently staying. (D!mn, Vann looks so hot!) They tell SC's mom that DMS has gone missing. Suddenly SC's mom remembers the newspaper ad. Ximen and Meizuo exchange looks that say "Are we getting a possible lead here?" However, when they find the newspaper, the picture of DMS is "mutilated" because of their food fight. The telephone number included in the ad has also been "mutilated". XM tells them not to worry, they can solve the problem.

DMS begins to regain consciousness. His hands and legs have been tied. The boyfriend tells him that he never thought a day like this would come - a day when the great DMS would be at his mercy. He tells DMS that he was hit a total of 5 times - 2 by DMS, 2 by XM and 1 by SC. And that all he wants now is money. YS says "What? You're in this for the money too. So am I." She scolds him for expecting so little cash out of it. DMS realizes that he's been a fool for believing her, and trusting that she wanted to help him "regain himself". YS tells him that she was merely playing chaperone to a little child. YS tells DMS that she'd been scheming from the moment she

saw his mother, and tells the boyfriend that if not for his stupid interference, she would have already gotten \$1 million Taiwan dollars. She tells DMS that she actually wanted to leave a favorable impression on him, but because of the boyfriend her plans were foiled.

She tricks the boyfriend into giving her DMS's home number. Daoming Feng goes home, and a maid tells her that an urgent phonecall has come in, saying that they have DMS and want \$50 million (wu qian wan -I think it's 50 mil, but my Chinese a bit lousy so tell me if it's otherwise) DMF is worried as she knows DMS has been kidnapped, and orders the butler to trace the call.

XM and MZ meet up with Qinghe, who is shocked to learn of DMS's disappearance. He laments that he should have gone to Spain with SC, since obviously she now needs his help. MZ tells him that his job now is to help calling the numbers they have listed down. Qinghe says that's a stupid idea, and MZ is tempted to beat him up. However, Qinghe gives them a better idea - go to the library to look for another copy of the newspaper so they will have the actual number instead.

The three of them are sifting through lots of newspapers in the library. They finally find the ad, and MZ calls HZL in Spain. They also call the number in the ad, but as Ye Sha and the boyfriend had gone out earlier to send a photograph of DMS to DMF, only DMS, handcuffed to the bedpost, is in. However, he's bound and gagged and cannot answer it, therefore he resorts to kicking the table. The phone is kicked off the table, and XM and MZ keep calling for Ah Si, although the only sound they hear is someone kicking things. The boyfriend returns, and hangs up the phone without saying anything. MZ is frantic, and tells XM to trace the number.

Ye Sha tries to seduce the boyfriend. She slaps him and bites his ear, but stays in a seductive mood. While she's kissing him, she tries to take the keys away from him. However, he realizes it, and tells her that he's not stupid. Her plot has been discovered. She sees a knife on the floor, and stabs him in the back with it. The boyfriend struggles to get the knife out of his back while Ye Sha undoes DMS's handcuffs. She's not a moment too soon, the moment DMS is undone, the boyfriend tries to attack them, but is punched by DMS.

SC and HZL arrive in Taiwan, and are picked up by XM and MZ. DMF has located the house where the phonecall came from, and she goes there with all her bodyguards. However, DMS and YS are gone, only the boyfriend, now handcuffed to the bed in the same way as DMS, is left. He tells DMF to look for the keys, but DMF demands to know where DMS is. When he cannot answer her, she walks out of the room. Her two bodyguards then go on to beat the boyfriend up.

While he is still being beaten up, XM, MZ, HZL and SC arrive at the house (with a different car from the one they were in at the airport) A bodyguard stops them, but MZ just pushes him aside. They meet DMF, who is coming down the stairs. She tells them that they move quite quickly, but HZL tells her they would have been faster if she hadn't stopped them in Spain. DMF is angry now, she tells them that it wasn't her fault that DMS was lost in Spain, and certainly not responsible for his disappearance now. She tells them that the boyfriend tried to kidnap DMS and asked for a ransom. MZ doesn't know who Zhongze (the boyfriend) is, but SC says that it's Xiaoyou's ex-boyfriend. XM says "that bastard" and ask where DMS is. MZ says he is lying.

DMF comes in, and tells them what happened to DMS. DMF is furious with them, because she says it's their fault that Zhongze bore a grudge and took it out on DMS. She then tells them not to bother about DMS anymore, she alone will search for him. She tells SC, "especially you, since DMS cannot remember you too, you must stay far away from him." SC asks her if DMS can remember her, but DMF says "it's none of your business." SC then tells her "He can't remember you, but because you are his mother, and you love him, of course you won't give up on him. I'm the woman who loves DMS, and like you, I won't ever give up looking for DMS, lost memory or not."

DMF replies "I can't care less if you want to waste your efforts, but you cannot inform the police. If you do, and any harm comes to DMS, I will never forgive you."

MZ now realizes why the ad says DMS has lost himself. HZL says that DMS is now like an innocent young child with no abilities to protect himself. MZ yells at Zhongze, demanding to know why he kidnapped DMS. Zhongze says "because this world is so unfair. You guys are so rich, and can do anything you want. So why can't I?" MZ lunges at Zhongze, but XM stops him. Zhongze continues, "I only wanted to prove that when DMS had lost everything, I could be just like him." MZ tells him to shut up and not insult DMS anymore, but Zhongze says "I thought I could handle him. But the world is so unfair, now DMS is gone and I'm at your mercy." XM takes a saw of some kind, and is about to hit Zhongze with it when SC shouts at him not to. However, the only thing that XM hits was the handcuffs, and Zhongze is actually now released.

Episode 6

DMS looks at YS with a tortured look while she sleeps on his lap. YS wakes up while DMS hurries to relax his legs and hand. DMS mocks YS, saying that she had a comfortable night. YS asks DMS why didn't he sleep, in which DMS replied "How can I sleep in such an environment? Besides, there's a pig sleeping on my lap. I don't even dare to move, not even to hit the mosquitoes." YS tells DMS that he should have told her. DMS says "It's all because I didn't want to wake you up? first it was the thief, then there's the kidnapper, you really like to get into fights huh?? and goes on to scold YS, while YS stares at him. "Let me tell you, next time no more fighting with others and risking your life, no more..." DMS tells YS seriously when YS started smiling. DMS stammers and says he doesn't allow her to do anything. YS started laughing. DMS asks YS what is she laughing at. YS is laughing at the fact that DMS can now scold people, which is a great improvement from the start when he doesn't talk at all. DMS: "Are you crazy? *goes on to scold YS a stupid woman, lazy woman, pig??"

DMS touches his stomach and asks YS if she's hungry. YS also touches her stomach and replies "Very!?" They saw a push-cart vendor selling buns. DMS asks if they've got money, and they start to search their pockets. YS has got \$12. They used \$10 to buy one red-bean bun, and shared it. DMS finishes the bun within seconds and looks endearingly at YS's half. YS turns her back against him, not willing to share. DMS asks YS if she's got another \$12. YS, busily eating, tells him to search for the money on his own.

After eating, they walk out of the park. DMS asks what are they going to do next. YS suggests that they use the remaining \$2 to call Shen Shen. Shen Shen (Sha Ge's friend) expresses that her house is already very crowded, and introduces them to rent a room from an old lady living near her. DMS & YS reaches the old lady's place when she was about to go out. PoPo asks who are they looking for. YS replies that they heard that there's a room for rent here. PoPo replies hostilely "No! No! Youngsters are the most troublesome?" and walks away. DMS retorts "So what if we're youngsters? Do you have to be that fierce??" PoPo turns and asks them a few questions, to which their answers are different. PoPo refuses to rent the room to them, upon hearing their inconsistent answers. PoPo turns to walk to her car but trips over her own shoelaces and drops her keys. DMS walks over and ties the PoPo's shoelaces for her, and returns her the keys. DMS & YS walks away in despair while PoPo looks on. PoPo drives up to them and tells them "Monthly rent is \$5000, pay 3 months deposit, if don't have enough money now, can pay back when you have money? no noise after 10 pm and before 7 am. Cannot bring strangers back, cannot keep pets. Wash up after eating? and don't call me Popo! If you commit any of these, out you go immediately." DMS & YS are ecstatic and reply "Yes PoPo!?" and laughs after they realized they have broke the rule already.

SC walks alone in the streets thinking that she dare not stay at home because her parents will

worry for her? she still thinks about DMS. She walks to the house which DMS once stayed in (the old crummy house) and reminisces about their past. She scribbles on the wall "DMS, I know you're already on the way home, I'll wait for you for you to find yourself, forever waiting for you?"

DMS & YS searches the rubbish dump for furniture.

SC walks to New York New York, sees the electronic board, and immediately calls to enquire about their charges, but soon gives up because of the high cost.

YS uses her artistic talents to decorate their new room while DMS looks at the half-furnished room approvingly.

At night, DMS & YS goes out to buy new mattresses and pass by a new pub. To win the prize money of the beer-drinking competition, both of them started drinking mugs of beer. DMS gives up halfway, YS keeps saying that she can. DMS threatens her saying that if he is not going to carry her back if she gets drunk. YS & a fat guy are the only ones left in the competition. YS forces herself to continue drinking in order to win the prize. They finally won the competition. DMS tries very hard to carry YS home, while holding onto the mattress. Once back home, DMS caringly takes a wet towel to wipe YS's face. YS wakes up suddenly and asks DMS if he took the money. DMS scolds YS for lying to him that she can drink. YS replies back that DMS also lied to her (he said he won't carry her back if she got drunk, but still carried her all the same). YS then falls onto DMS's shoulder, lap, and slides off the bed onto the floor.

At the pub) Lei walks to SC and asks what is she thinking about. SC actually wants to tell Lei something, but is interrupted by the commotion caused by XM & MZ behind them. SC asks Lei "what are they arguing about?" XM & MZ replies simultaneously "who wants to argue with him!?" and glare at each other. Lei answers that XM & MZ are coming up of methods to locate DMS. XM says that he (referring to MZ) came up with 800 methods which are all impractical and are not discrete (sorry I couldn't think of a word). MZ retorts there is the 801th method, which is the 40th of them take turns to stroll on the streets, they may meet DMS that way. XM says mockingly "Thank you!?" MZ says "You're welcome!" SC asks why must it be discrete. The guys explain that they (F4) have a lot of enemies, and the most important of all, DMS is the successor to his family business, which means it may incur a lot of trouble and danger. Lei then asks SC what is it she want to ask, SC lies that she forgot already.

(At home) SC searches for her bank book and realizes that she hasn't got much money left since she didn't work before the Spain trip. She searches for her calculator to calculate her expenses but overhears her parents calculating their expenses. They have problems paying the school fees for the new term. SC, upon hearing, feels very upset.

The lady boss of the cake shop stops SC when she is about to go off, asking her to bring the last piece of strawberry cake home. SC is reminded of DMS again and refuses to take the cake (DMS ate the strawberry in Barcelona, and promises to use his whole life to return the strawberry back to SC)

(at VS) XM brings a bottle of red wine to the boss. Despite the boss asking him to stay for a couple of drinks, XM rejects him and turns to leave. He just misses seeing SC in the red bunny costume, who shyly runs back into the changing room. (SC's new job is to promote the new fruit alcoholic drinks at VS) SC tells her colleagues that she can't do it, not wearing that costume. Her colleagues tell her it's all for money. SC walks out of the room and starts to promote the new drink. Back in the changing room, SC hears her colleagues complaining that the boss wants them to wear that costume to promote the new drink in the streets during the day. SC recalls MZ saying the 801th method, and volunteers to go, in the hope of finding DMS.

DMS & YS furnish their room while squabbling. PoPo comes around to take a look. YS pays PoPo their rent using money from the beer competition. PoPo returns them \$1000, telling them they have to have some money, and leaves the room.

DMS & YS goes to the supermarket to buy food, and buys a lot of coconuts (they were on offer). Back in their room, they held a barbeque and drank the coconut water. YS transformed the empty coconut husks into Halloween lanterns. They happily carved out PoPo's angry face and delivered it to her room. PoPo, upon seeing the lantern, smiled.

After a busy day, SC turns on her mobile to listen to voice messages. There were 4 messages, 2 from her mum, 2 from F3. Lei also sent a SMS. SC laid on her bed without listening to all the messages, exhausted.

DMS wakes up with a tummy ache, and rushes to the toilet. YS follows suit. They fight over the toilet. PoPo then brings Po Chai Yin (some medicine for tummy aches) and tells them "one moment hot, one moment cold, still drink so much coconut water?of course your stomach will be upset?and leaves.

DMS & YS fights over the medicine. DMS hits the coconut lantern on the table and scolds it, "it's all your fault that I got a scolding from PoPo. Stand properly. Attention!?"The coconut falls over, DMS scolds the coconut again, "Ask you to stand properly already, stand properly!!?"

Episode 7

DMS & YS are walking on the streets. YS asks why are they heading for the library. DMS answers that they should be able to find out more information about his identity since his family is very influential. They (DMS & YS) can't be open about finding his family because they can't let people know his identity but they have to look for clues. They can't possibly grab a passerby and ask him. YS asks "Why not??" DMS questions her back "How is it possible??" and proves to YS his answer by asking a passerby if she knows the DaoMing family. The girl answers "Of course! Their family is so rich and powerful! *points to a building nearby* Look, that palace-like hotel belongs to their family!?" After saying that, the girl looked at DMS indignantly and walked away. DMS & YS were shocked to know that the hotel is owned by his family. They enter the hotel. Both of them were shocked to see DMF outside the hotel, giving instructions to her subordinates. DMS fled.

YS writes in her book while DMS mutters to himself. "I don't understand what am I afraid of? Whenever I see my mother, I will run away unwillingly..." YS explains that he feels afraid is because he is unfamiliar to his mother, someone whom he should be familiar with. DMS still maintains his puzzled look. YS offers to help DMS out. DMS heaves a sigh of relief.

YS starts to follow DMF daily, noting down her schedule. YS reports to DMS that his mother is very busy everyday. DMS scolds her, saying that who is interested in all these! What's most important is her schedule! YS: "Even though she goes to certain places daily (all at different times), but she will often or not go back home to have a change of clothes. But I've also noticed something?she will always go to the hotel first thing in the morning, and reaches before 7.57am? so before your mother reaches, we have 12minutes!?"

Upon seeing DMF leaving, DMS & YS sneaks into the mansion. The guard recognizes DMS and greets him "Shao Ye?" DMS pushes him away and drags YS into the house. The guard notifies Housekeeper Liu immediately that DMS is back. The whole house gears up for his arrival.

Housekeeper Liu greets DMS. DMS tells YS to keep track of the time, and heads to search the rooms. Housekeeper Liu informs DMF of DMS's return, and she orders to keep DMS in the house,

and rushes back. DMS & YS search the huge house frantically, a frustrated DMS asks YS why didn't she tell him that there're so many people in the house. Housekeeper Liu blocks DMS's way and tells him that it is DMF's idea to keep DMS in the house, and tells DMS not to make things for them. DMS grabs Housekeeper Liu by the collar and threatens him not to follow him anymore, and enters a room together with YS. DMF rushes back and orders everyone not to let DMS leave. DMS finally finds his own room and finds everything so familiar. He sees a photo of F4, and finds the other F3 familiar, but still could not remember them. Yu Sao enters the room, and is surprised to see DMS. However, DMS has also forgotten Yu Sao. He frantically leaves the room with YS while fighting off the bodyguards. Yu Sao asks DMS to follow her, they (+ YS) follows Yu Sao into a secret passage and leaves. Yu Sao lies to DMF that she doesn't know where DMS went to. DMF, though not believing Yu Sao, keeps quiet.

After leaving his home, DMS exclaims that he didn't know that his house is that big? but it was very empty and it lacked warmth?all except Yu Sao. YS picks up the photo of F4, and says "well at least we've got a lead now! They (F3) look like your close friends? at least we can start searching from your school, your friends!

Yu Sao informs F3 about DMS returning home. XM & MZ ask if he was alone. Yu Sao answers that DMS was with a girl. MZ expresses his concern and hopes that it is not another Zhongze. Yu Sao tells them that the girl looks like a good person. XM & MZ ask how good is she, but Yu Sao can't answer. Lei: "No matter who she is, as long as she's good to DMS, that's good!?" MZ jokes that DMS seems to be going the test of Shaolin's 18 luohan. Yu Sao hurriedly hangs up the phone as she was afraid that DMF might find out. MZ quickly calls SC, but SC was outside working, thus she didn't answer the phone. MZ hangs up, and asks if the rest know what SC is up to lately because she hasn't been answering calls. XM learns that SC has another new job from the cake shop lady boss.

DMF asks Yu Sao if she went to see DMS, but Yu Sao tells her that she went to see F3, not DMS. DMF requests that Yu Sao retire, but Yu Sao wants to stay to help DMS, saying she brought DMS up. DMF tells her now that DMS has lost his memory, he doesn't remember her, so it doesn't make a difference if she's there or not. DMF informs Yu Sao that Housekeeper Liu has packed her luggage already, and Housekeeper Liu will send her wherever she wants to go.

On the busy streets of Taipei, SC asks passerbys to try the new drink, and met F3. MZ is relieved that they finally found her. F3 accompanies SC for lunch. XM & MZ asks SC why has she found a 2nd job. SC explains that on one hand, it is to help pay her school fees, on the other, it is to pay for advertising on the electronic billboard.

SC looks at her watch and waits for F3, but in vain. SC looks up to the billboard behind her and sees a shooting star fly across the board, followed by the message "Ah Si, I will always wait for you. 0917595600 (her mobile phone number).?A person (also named Ah Si) calls SC. SC knows that he's not the one she's looking for hangs up. That person calls back and say "Let's be friends? SC tells him that she's waiting for a very important phone call, and begs him not to call again. That guy calls her up a 3rd time and wishes her luck in finding the real DMS.

SC is disappointed that she received a lot of prank calls, but none from DMS, and goes home. F3 waits outside her home. SC hides her disappointment and smiles brightly. F3 asks if she saw the advertisement, and if DMS called. They noticed SC's disappointment and expressed their concern. SC tells them that all the phone calls were prank calls. SC's mobile rings again. "Do you want to find Ah Si? Come out for a cup of coffee then..." MZ shouts at the other party and says "Ok!?"and switches off the phone.

DMS finally decides to call SC again, but he got through the voicemail instead.

SC frantically switches on the phone again. The phone rings, SC answers, but was met with silence. DMS keeps calling SC, but didn't have the courage to speak up. MZ gets angry and scolds DMS, telling him not to call again. DMS, frightened by MZ, hangs up immediately. SC tells MZ that this is the only hope she harbours.

MZ & XM thinks that they should cancel the advertisement. The higher their hopes are, the more disappointed SC will be. But Lei says that maybe SC will grow stronger after falling down several times. XM tells Lei that sometimes he wonder if Lei is from outer space. Lei smiles and says "I am!?" XM tells F2 that they wouldn't have a lot of other chances to come out for a drink already. MZ asks why. XM tells them that he's going to work the next day. Lei & MZ ponders about their future.

YS tells DMS that he belongs to a group called F4?and they're very famous in Ying De, and gives DMS F3's number. DMS tells her that he has already tried calling, but got scolded instead. DMS flies into a rage when he can't remember his identity. PoPo comes by and asks DMS what's going on. If he has got nothing to do, why not water the plants for her. YS offers to do it instead. PoPo sees DMS, and says "Change your bad habits, that's the most important now.?YS waters DMS on purpose and tells him that is to cool him down. They fight over the water can. DMS carries YS and threatens to throw her over the edge before YS surrenders. They start their water fight again.

YS finds MZ's house and waits outside. YS stops MZ's car and lies to him that she is a student from Ying De, writing a report on recent graduates, and requests for help from MZ. They go to a caf? MZ tells YS that he has never seen her in campus before. YS tells him that there are so many girls in Ying De, how can he possibly know everyone. MZ says "It's not possible that I have no impression of pretty girls!?"YS: "Then it must be because I'm not pretty enough?"MZ: "You are! And witty as well!?"YS picks up her notebook and starts interviewing, but soon reaches the topic of DMS. YS asks if DMS has started working. MZ lies that DMS is still in Spain. YS tells him that she heard that DMS had an accident. MZ fakes ignorance and says "Oh really? Why haven't I heard of it??"YS tells him about the billboard and newspaper advertisement. MZ then asks her back "Isn't this supposed to be a lifestyle report? Since when did it become a Xin Ling interview??"

Episode 8

F3 are drinking at the bar after reading the postcard sent by SC & DMS while they were in Spain. XM says that it feels weird without DMS.

YS brings DMS to the same pub that F3 are in and leaves him there. DMS enters the pub and sees F3 from afar. He didn't join them, but instead sat alone at the counter and looks at them.

XM is being harassed by a girl, Lei couldn't stand it and leaves for the counter. DMS turns away, in fear of being seen. Two irritating guys from the next table mocks XM & MZ, saying "What F4? Is F3 lah! Funny Three!?" MZ & XM go up to them and give them a good trashing. Lei gives the boss a stack of notes to pay for the damage done. DMS is shocked at the scene. MZ was about to get hit on the head by one of the irritating guys. DMS runs up to stop the guy and bashes him up the way the original DMS used to do. F3 are shocked to see DMS. MZ goes up to DMS and wanted to hug him, but was pushed away by DMS fiercely. MZ was in disbelief. DMS looks at F3 and runs out of the pub. F3 follow suit.

F3 manages to stop DMS on the overhead bridge. MZ asks DMS why is he running. XM asks DMS to look at them properly, it's them. Lei realizes that DMS has really lost his memory. MZ refuses to believe, stating that DMS still fights the same way. XM asks DMS to follow them back regardless of if he lost his memory or not. DMS says "How can I possibly know this kind of

people?? XM: "But the four of us have been together for the past 20 years!?" DMS tells them that there's no way he is like them (fighting). MZ *now very furious* asks what rubbish is DMS sputtering. Lei: "Why don't ask yourself why did you fight back earlier on? That's because no matter which of us gets into trouble, the rest will surely retaliate, even if it means sacrificing oneself! *very sad scene* DMS runs away again, F3 gives chase again. *the scene where DMS & MZ jumps from staircase, remember?*"

The 4 of them runs to the railway track. F3 were stopped by the oncoming train. DMS, on the opposite side, shouts across: "I hate my past!!" MZ shouts back "You're lying!?" Lei: "You can say you hate your past, but you can't forget SC!?" but the oncoming train covered his voice. By the time the train left, DMS had fled. F3, both angry and upset? MZ shouts out loud for DMS.

MZ kicks an empty drink can in frustration. "How can he forget everything? Forget everything..." XM: "Think on the bright side, at least DMS remembers how to fight." MZ: "So that means he remembers, right? He fought for us right? Right?!?" Lei tells MZ to admit the truth. DMS has really forgotten everything. MZ: "I used to listen to him. Can't he listen to me for once??"

DMS sees the billboard again and smiles. On the other hand, SC waits under the billboard, then sees the shooting star light decoration outside her house. DMS returns home, and YS asks him the outcome. DMS is still in disbelief and says "Why must I find my past? I find my past, in terms of family or friends, meaningless.?" *DMS cries* DMS expresses his wish to go and find a job the next day and start a new life as "Ah Xing?"

DMS finally finds a job at a busy fast-food restaurant. The boss refuses to hire DMS because he doesn't even know how to fry an egg. DMS refuses to leave, and starts to wipe the tables, clear things away, and even stayed to wash the dishes, but he was still rejected by the boss.

XM leaves for work in a black suit. *He's the marketing manager* His uncle even arranges for a pretty girl to be his secretary. XM walks to a be-spectacled guy *name is Xu Shao Yang? duh~* and requests for him to be his secretary. Xu follows XM into his office and asks him what he wants for lunch, and afternoon tea. XM interrupts him and tells him that he is here for work. XM wants Xu to show him the proposal, and informs Xu that there will be a meeting in the afternoon. Xu leaves the room. XM looks around his office, looking smug.

SC leaves her house early in the morning to find MZ already waiting outside. She is shocked to see MZ so early in the morning. MZ tells her that the billboard has been terminated. SC knows of this matter already. MZ asks if SC can find someone to substitute her for the morning. SC doesn't understand MZ's meaning. MZ pleads SC.

Both of them goes to the beach, SC seems to be very excited. MZ & SC talk about the previous time they went to Japan (I think is the trip in MG1). MZ suddenly remembers that they (F3) saw DMS. SC, shocked, asks where. MZ replies "at the pub?" SC wants to know where DMS is now. MZ tells her what happened the previous day. SC keeps silent. MZ adds on that DMS has really lost his memory. MZ felt frightened after seeing DMS in his dirty T-shirt and torn jeans, his expressions and attitude. He is afraid that DMS wouldn't want his memory back; he wants to live life as it is now. MZ reveals "I felt funny inside me when I saw DMS standing in front of us. A part of me, suddenly envy DMS. He lost his memory, his identity, but then found a new life. Did you know, I've been wearing suits & ties for the past 2 days, leading a boring working life? Can you imagine me doing that??" SC jokes that he must be very charming. MZ: "That is of course! But that's not what I want.?" *Both of them goes on to chat, very lengthy conversation, but not of any importance to what happens next*

SC volunteers to work on Valentine's Day (Chinese one).

DMS rides on his bike to buy eggs home to learn how to fry an egg. *This part is hilarious... DMS doesn't even know how to crack an egg... he threw the whole egg into the pan!! * He finally learns how to crack an egg using 1 hand, but the egg was charred~ They return back to the fast-food restaurant the 2nd day.

Episode 9

DMS goes back to the fast-food restaurant again. YS walks in a minute after him, and tells the boss she wants 1 fried egg, done by DMS. The boss (Ah Lun) & Da Xin (Hei Ren) then realized their relationship. Yi Lin (the vain girl) hurries DMS to go and fry the egg. DMS manages to crack the egg beautifully and cook it perfectly. YS nods her head to tell DMS that the egg is very nice. DMS smiles and asks Ah Lun if he can be hired now. But he still rejects DMS. Da Xin asks why. Ah Lun: "Because I'm the boss. I won't take back what I said." Da Xin: "Yi Lin is the lady boss. She can also make the decision!" But Yi Lin keeps quiet. DMS, disappointed, walks out with YS. Yi Lin: "Ah Xing! If he (Ah Lun) doesn't hire you, I'll hire you! I'm the lady boss, whatever I say will take place." DMS runs into the shop excitedly, looks at Yi Lin gratefully and looks at Ah Lun. Ah Lun, acting cool, hurries him to go and do the dishes. DMS thanks Yi Lin repeatedly, *Ah Lun coughs on purpose*, DMS thanks Ah Lun as well, and goes in to do the dishes.

DMS is improving a lot after working at Orange Breakfast Shop (??, directly translated).

Qing He drives his limo (Qing He brand somemore! *sheesh*) to the cake shop to look for SC on Valentine's. SC is very busy as there're a lot of couples wanting to buy the cakes. QH asks for a dinner date with SC. SC, looks at the way QH is dressed, and says that his dressing is more suited to have dinner with her mum. QH begs her repeatedly. SC tells him that she's very busy, and has to work the whole day, and so doesn't have the time to go out for dinner with him.

Ah Lun & Da Xin pretends to have a quarrel in the shop. Ah Lun: "Are you leaving or not??"

A Xin: "Not without washing the dishes first!?"

Yi Lin shouts "Are you two done? Now who's going to wash the dishes??"

DMS tries to be the middleman, and volunteers to do it. He rolls up his sleeves, preparing to wash the dishes, see a "salary bag" (Xin Shui Dai) lying on top of the dishes. DMS thanks his colleagues and is very excited at receiving his first salary. Ah Lun tells him that actually DMS hasn't worked for a full month and cannot pay him salary yet. But because it's Valentine's so he broke the rule once. Da Xin & Yi Lin reminds DMS to treat YS better (they thought YS is DMS's girlfriend). DMS tells them that YS is not his girlfriend. Ah Lun hears, and actually wants to take the salary back, but Da Xin snatches it back and tells DMS all the more he should make use of this chance. Yi Lin reminds DMS that it was YS who helped him get the job. DMS admits that he has always been wanting to thank YS, but don't know how to. Da Xin suggests doing a Valentine's meal, but later, together with Ah Lun & Yi Lin, shouts "No!?" DMS asks why not. Ah Lun tells him that he doesn't even know how to fry an egg. DMS defended himself saying he have already learnt how to do so. Ah Lun, Da Xin & Yi Lin decided to teach DMS to cook Spaghetti with Mussels.

DMS carries a bag of ingredients home, but can't find Bao xiang (is actually a term in cooking) and asks PoPo.

DMS: "PoPo, do you have bao xiang??"

PoPo: "What bao xiang??"

MS: "... bao xiang lor..."

PoPo goes into the kitchen to help DMS. DMS cuts the onion but very dangerously (as if he wants to cut his own hand). PoPo tells him at the rate he's cutting, he'll never complete the job until the

next morning, and offers to do it for him. DMS asks what is he supposed to do then. PoPo points to the bag of mussels and asks DMS to 'kai zui qu sha' (means open the shells and get rid of the sand). DMS looks at the mussels blankly, and asks himself "Kai zui? Qu Sha??"

DMS walks to the backyard to find a way to clean the mussels. First he tries to peel, then he throws, then he uses the hammer. He finds it a chore to hit the mussels one by one, so he wraps the mussels up in newspaper, and hits the mussels. Happily, he walks back into the kitchen with the cracked mussels to see PoPo tearing while cutting the onions. DMS asks caringly what happened. PoPo asks for her mouth mask back. Seeing the mussels with cracked shells, asks what's that. DMS said proudly, "Mussels, I've already cleaned them, and I used a hammer!?" PoPo couldn't believe her ears and said "I'll do it. I'll do it." DMS sulked and asked what is he going to do then, he's so stupid. PoPo says "later this pot (of ingredients) must be cooked for 2 hours. I think I better do it myself..." DMS hurries to snatch the job with her. PoPo, acting disbelief, asks "Can you do it? You need to watch for 2 hours!" DMS: "2 hours right? I can! I can!" PoPo: "Need to stir every 10 minutes..." DMS: "every 10 minutes, ok ok, I can do it! I can do it!" and starts to work happily.

DMS sets the timer to ring every 10 minutes and sits by the stove to learn how to carve coconut lanterns. He stirs the pot diligently and tasted it.

QH calls F3 out urgently. QH beats around the bush, MZ asks impatiently what is it that QH want to say. QH continues to beat around the bush, XM asks him to say the main point. QH asks F3 if they should give SC a present (for Valentine's) to cheer her up. XM asks "you came up with this idea means that you have came up with the gift?" QH: "the present I give together with F3 cannot be too old-fashioned! No diamond necklaces..." Lei: "just what present is it?" MZ hurries QH to say. QH: "that is to call-in to the radio station to dedicate a song to SC, and wish her happy Valentine's. I've already written a draft!" F3 take turn to read the draft. (The draft is very mushy). After reading the draft, F3 were in shock (I think is disgusted). QH says "SC will be very touched after listening." XM: "I'm already very touched now. Only you can do such a tough job. I've still got meetings." and prepares to leave. MZ follows suit. XM: "we'll leave the job to you. I'll listen to the radio tonight, but please don't mention my name..."

SC is alone in the cake shop, watching the couples outside, and feels upset. She starts to clear up the shop.

YS returns to an empty home and sees a note by the coconut lantern. "Please dress formally and go up to the rooftop." There're also similar notes on the wall, curtain & fridge. On the bed is a beige formal dress sponsored by PoPo.

YS dresses up in the formal dress and beige heels, and walks up to the roof. DMS dresses up as a waiter and asks YS "Miss, how many (people)?" *starts their role-playing game, I won't reveal much, you'll have to watch the show on your own* DMS brings out 2 plates of spaghetti and red wine, and says that it is done by the chief chef. YS requests to meet that person. DMS pretends to be the chef, and sits down to explain why he cooked that meal for YS. YS offers DMS a dance. They chatted while dancing, then it rained.

QH drives his car to look for SC in the rain. In the car, QH purposely raised the volume of the radio. QH excuses himself by saying he's going to buy drinks. SC was about to stop QH when the DJ started reading out QH's dedication. MZ & XM (both in their own cars) & Lei (at home) were also listening to the radio intensely. The DJ plays a tape of QH singing "Close to You" to SC. SC, being very touched, cries and shouts out to QH asking him to return back to the car and takes tissue to wipe him dry. (I have no idea why QH is waiting in the rain? QH thought he made SC think of the past, and rebukes himself for it. SC tells him that she cried because she's

touched by the action and thought. DJ: "We don't usually accept call-ins but there'll be an exception today."

XM: "SC, you know I'm not good at these stuff. But QH is right, must show your concern. SC, you look really ugly when you cry, it's only when you laugh then you look more presentable. So you must laugh more, cry less in future ok??"

next call MZ: "Gan bian suan cai!!! Jia you!!!?"

3rd call Lei doesn't say anything but plays the tape of young DMS reciting his dream (which is to protect his family, F3 and his bride). SC cries. (I wonder if the radio station is owned by F4...how come all 3 of them can call in so easily?!)

The next morning, the 2 plates of spaghetti is soaked with rain. YS wakes up to see a small card by the coconut lantern.

DMS ties a blue bandana and works diligently. Da Xin nudges DMS and asks about the previous night. Ah Lun joins in. DMS was about to tell them when Yi Lin shouts a order to them. Ah Lun requests DMS to go and buy eggs. Da Xin tells DMS that he will still have to tell them when he comes back. DMS hurries to buy the eggs with a shy look.

Episode 10

Ah Liang stops his car by the road and attempts to change the punctured tyre when DMS, riding on his bicycle, almost hits him by accident. AL is shocked to see DMS, and keeps calling him "DMS Shao Ye". DMS offers to change the tyre for AL. AL, very afraid of DMS, tells him that he can do such things on his own. AL accidentally steps on DMS's shoes after DMS has changed the tyre for him. AL scurries to wipe DMS's shoes (remember the scene in MG1?). DMS tells AL that he doesn't have to clean his shoes for him, but AL tells DMS that it's very normal. It has always been that way. DMS says "I used to ask you to clean my shoes? I was that demanding in the past?" AL stammers "No, no, not demanding at all." DMS asks for the truth, while AL looks at him with a confused look.

Both men sit by the roadside (cross-legged somemore!) and talk. DMS calls AL "Ah Liang Lao Shi? AL keeps saying "Bu gan, bu gan? DMS smiles and tells AL to stop saying "bu gan bu gan? DMS asks AL if the previous DMS or the current DMS is better. AL says that the current DMS is more friendly, "qing qie? as though DMS has taken off the "demanding jacket" DMS asks another favour from AL, which is not to call him "Shao Ye" anymore. Both men chat without any barriers, unlike before (a very heartwarming scene).

Lei calls SC early in the morning and requests to meet her at Ying De. SC's parents are counting money (probably for the month's expenses, apparently not enough to make ends meet again). SC's mum expresses her wish for DMS to be there to give them money when SC tells them she's going to meet Lei. Her parents are elated because even though DMS isn't around, there's still Lei who is as rich and generous.

Lei & SC meets at the rooftop and chat about missing Ying De, F4. Lei tells SC that he's taking the afternoon flight to Japan. SC asks how long will he be there, Lei shrugs. Lei tells SC not to make him worry for her. SC tells Lei that she feels lonely all of a sudden, now that DMS is lost, and Lei is going back to Japan. They are not as close as before. Lei pinches SC's cheek and asks her if she realized that she doesn't have much expressions as before. Lei misses the SC who likes to scold people, and remembers clearly what SC scolded them the very first time they met. SC goes to the edge and starts to scold F4 the way she used to, but she breaks down when she scolds DMS & Lei. Lei asks her to remember, no matter what hardship she runs into, she must use the same amount of courage as she used to scold F4, to face reality. (I expected Lei to hug SC when she cried, but he didn't)

YS & SC meet each other on a bus by punching a guy in the face. The guy kept on touching the butt of another girl. Both girls go to a desert shop and chatted for a while. YS asks SC if her boyfriend respects her a lot (`cos she's very fierce). SC keeps quiet and turns to get serviettes. SC returns and asks YS the same question. YS tells her that she doesn't have a boyfriend yet. YS asks SC what does it feel like to be in love. SC says "To love someone is to think of him first no matter what happens. And when you think of him, your heart starts pumping furiously. When you lose him, you'll feel as though there's a hole in your heart. No matter where you are, what you are doing, there's always an invisible wound there. SC suddenly remembers that she's about to report for work at the cake shop. YS asks if she can go with her. They hurry to finish the desert.

At the shop, SC mentions that there's a vacancy at the shop. YS asks if she can apply for the job. SC tells YS that she will inform the lady boss. YS, delighted, says she must go back and tell Ah Xing. SC looks at YS and asks who is Ah Xing. YS tells SC that Ah Xing is a dog she picked up from the streets. (How dare she refer DMS as a dog?!)

YS tells DMS about the job offer while he is bathing. (YS stands outside the closed door of course!). YS asks DMS to go to the cake shop tomorrow, and offers to introduce SC to him. DMS thought the name is weird. DMS tells YS that he will pick her up after work tomorrow and asks her to go to sleep. (They behave like a close couple in this scene). YS goes to bed without covering the blanket. DMS throws the blanket over her, saying YS is like a small child. YS suddenly sits up, clutching her stomach, in pain. DMS runs out, barefooted, to buy medicine for her when he can't find her medicine.

DMS, unable to get any medicine (it was in the middle of the night), runs back frantically and wants to bring YS to the hospital. But YS is already alright and chatting happily with PoPo (PoPo gave her some aspirin). DMS asks YS to go to the hospital for a thorough checkup with him. YS refuses. DMS gets angry. DMS tells her that he's angry because he really cares about YS, he doesn't want to lose her, he wants to take care of her and be with her (DMS hugs YS!!!!)

SC receives a call from the lady boss to buy tangerines on her way to work. SC, after buying the tangerines, walks on the streets to see DMS (back facing her) a few metres ahead of her, looking at the wall murals. SC looks at DMS from afar. She gives chase after DMS runs to the bus-stop. DMS boards a bus, but SC did not board it. She peers at DMS and is shocked that her suspicion is confirmed. She calls out to DMS but he doesn't hear her as he's listening to the discman loaned to him by Da Xin. SC chases after the bus (like how DMS chased after her in MG1). SC vows to find DMS no matter where he goes to.

DMS arrives at the shop to pick YS up (SC hasn't reached) and leaves happily (DMS had his arm around YS again!!!). DMS & YS returns back to the first house they stayed in (it's the same house SC scribbled in) to get YS's paints. DMS picks up the paints while YS stares ahead. She sees the scribbles on the wall. Back home, YS looks at the past drawings of DMS. She decides to leave, but was stopped by DMS. DMS tells her he has been trying to think of his past, as if he was alone in the cinema,

watching a movie starring himself. In all the scenes, he sees himself & YS. DMS finally tells YS that he loves her now. DMS asks YS to tell him that she does not love him, and he will let her go. YS tells him that and cries quietly. DMS brings YS to the train station (I think) and send her off (because YS say she want to leave). YS walks into the train station alone, leaving DMS outside. *scenes of their past* DMS gives chase and tries to look for YS on the busy platform (eh they also got "please stand behind the yellow line!). DMS watches the MRT leave the platform. He turns and sees YS sitting on the bench. They hug each other.

Both parents then tell SC the truth. SC tells them that she has enough money to pay the school fees, and asks them not to borrow any money from people in future. SC leaves for work/school. SC's mum thinks of a way to help SC's dad's sales increase. She offers to be the sexy girl who is always around during car shows (suo wei, xiang che mei ren). She demonstrates what she will do, which is to roll on the car and pose sexily. SC's dad says that "yup, for every car you lie on, that car will be sold. And it will be me who's buying those cars. Because the cars which you lied on, will be damaged. No customers will want to buy the cars, so I'll have to pay for the damages!?"and leaves for work.

SC meets QH in school after paying her school fees. QH offers to help her pay to prove his friendship, but SC refuses and tells him that she has already settled them. The Valentine's Day present has already proven their friendship.

QH, counting his change (on 2nd storey) hears an admin staff shouting at a student. The student doesn't have enough money to pay for the school fees and thus is rejected by the staff. QH throws the money down at the admin staff. QH tells the junior that he'll lend her money for the school fees. QH sticks his tongue out at the staff and leaves happily.

SC sees that YS has breakfast prepared for her. YS asks SC to join her for breakfast. While eating, SC asks YS what's the real name of Ah Xing. YS was about to tell her when a customer walked in. (AH!!! Wasted!)

Da Xin grills DMS on what happened. DMS refuses to reveal anything. Da Xin pretends that YS is around the corner, DMS rushes out to see her. Da Xin laughs at DMS and forces him to tell him the truth. DMS says softly "Wo Lian Ai Le" (I'm in love).

SC receives a phone order for a birthday cake. Mr. Gao (the caller) leaves his company phone number.

XM and his assistant walks past Orange on their way to lunch. He asks his assistant to leaves first, and observes DMS who is inside the shop, mopping. DMS sees XM and tells him they're closed for the day. XM waits for DMS to close the shop and walks with him. DMS tells him that he's doing fine now and has learnt a lot of things. He doesn't want to go back to the past. XM asks if he can help DMS in any way. DMS tells him the only way XM can help him is not to bother him now.

SC delivers the birthday cake to the address given. (It's the place where DMS is staying) PoPo (the recipient) shoos SC away, refusing to accept the cakes. SC can't get Mr. Gao and so refuses to leave and tries 2 more times. The last time she tried, DMS wanted to open the door, but was stopped by PoPo. (Ah! So close!) PoPo opens the door herself and asks SC to leave. DMS asks PoPo why isn't she accepting the cakes. PoPo asks him what business is it of his. DMS scolds PoPo "Mo Ming Qi Miao" YS asks why has SC brought the cake back. SC told YS what happened.

YS then thinks of calling the company to find out the address of the company, so that SC can go to the company and look for Mr. Gao.

SC was almost hit by a basketball on her way to the company. She ducks and the ball hits an old man instead (Hong Kong actor, Zhan Gong). SC asks the guy (who threw the ball) to apologize to the old man. The guy initially said "Ru guo dao qian you yong de hua..." then hastily apologizes and returns to his game. SC is once again reminded of DMS.

SC reaches the company but she doesn't know what the full name of Mr. Gao is, and which department he works in, and was rejected again. The receptionist tells her to find out more details before coming back. So SC stands near the exit and asks every male who passes her if he's Mr. Gao, every female if there's a Mr. Gao working in their department. She even asked the security guard but she didn't manage to find out anything and leaves dejectedly.

SC's mother tells him that SC is out on a date with her bf. SC is walking alone in the street and gazes at her mirror image mumbling nonsense (dialogue is too boring to describe). Then she continues loitering and has the urge to call Lei a few times but gave up. Coincidentally, Lei calls her up. They sit by the road and Lei comforts her. SC suggests bowling and Lei says bowling is not her forte (not what she's good at). SC loses her temper and shouts y is everyone asking her to give up when she's still trying so hard! (up to this scene, we're certain that the script writers are rather confused in their minds). SC admits that she has no more strength and has reached a dead end. Lei says he'll accompany her and bring her to the `end of the road' in his car. What follows is a whole string of boring and meaningless philosophical dialogue.

Sha-ge is still at SC's house while SC's parents are happily watching TV. Sha-ge reminds them SC hasn't returned for the night and her parents are thrilled, thinking that SC & DMS are getting on well. Sha-ge forces them for SC's hp no and is thrown out by them.

YS is in a bad mood and does not wish to entertain the media & guests. Ah Xing goes to `pester' her (Note: DMS is very shuai here and this is the ONLY impt thing to watch in this scene. Pls ignore his other actions to prevent vomiting blood!) silly Ah Xing ...

DMF & YS manage to get him out of the room. YS again threaten DMS to fulfill her promise. DMF gets her assistant to summon SC.

Episode 18

It starts off where F3, San Cai and Sha Ge is in a coffee shop discussing about the situation of YS and DMS. Sha Ge let a big sigh.

MeiZuo: I think we should go and find Ah Si.

XM: Find Ah Si for what?

MZ: To find out the truth.

Sha Ge: OK, I go with you.

MZ: Lets go.

MZ then stands up and get ready to leave just as XM calls him.

XM: Mei Zuo. You forgot what Ah Si said?

Sha Ge: Forget what Ah Si said. Anyways, there is no way that Ye Sha would agree to the engagement.

XM: You always say that it is impossible. Why is it impossible?

Sha Ge: It's because....

Sha Ge hesitates to go on.

Sha Ge: Because...

SC finishes the sentence for Sha Ge.

SC: Because YS doesn't love DMS. She said that to me. She really said that to me.

Then Lei, who is sitting next to SC, thinks for a second and comes up with a conclusion.

Lei: Then that means....that means this engagement is not just an engagement.

Sha Ge: That's right. YS must be tricked. But...who tricked her?

When everyone is thinking who is behind this, SC's cell phone rings. She picks it up.

SC: Hello? It's you. Is there such needed? OK. I will go.

SC: DMF wants to see me.

SC is brought to a Japanese restaurant kind of place. Waiting in the room is DMF. DMF sits in front of a table full of food. SC sits across the table facing DMF.

DMF: SC, you haven't eat, have you? See if the food here is right for you.

SC: Thanks. I am not hungry. What do you want? Just be straight forward.

DMF: That's good. Then I will say it. SC, you understand that I never liked you and I don't like you now. Ah Si is engaged.

SC: I know that.

DMF: Ah Si love YS now. I am happy to be part of a royal family. That's good for the Dao Ming family. But the "Bu Dan" country is not a rich country. Simply, this engagement is for fame and money. We both get what we want.

SC: Why are you saying this to me?

DMF: Because YS doesn't love Ah Si. She is doing this for her family.

SC: What do you mean?

DMF: What I mean is when Dao Ming Corporation gets the fame it need, and "Bu Dan" country gets the money they want, it will be the end of the engagement.

SC: All you want of money and power, then what will happen to DMS?

DMF: Of course, I don't want to see them cancel the engagement. Ah Si lose his memory and fall in love with YS is not something usual. But YS doesn't love Ah Si is reality. So, to prevent Ah Si to be angry with me in the future, I only hope that before the engagement is over Ah Si will regain his memory and so I give you one last chance. Before I promised that I owe you a chance.

SC: What kind of chance you want to give me?

DMF: From now on, I can let you work in Dao Ming Corporation. That would allow you have contact with Ah Si...whether you can help Ah Si regain his memory, it is totally up to you.

SC: I don't understand. Aren't I the most ill eye object to you? Why are you giving me such chance?

DMF: I have said already. I still don't like you. But, your feelings for Ah Si I admit I can see it. I think you are the only one that would sacrifice anything for Ah Si. That's the answer. I give you a chance, but that doesn't mean I accept you. A chance is only a chance.

SC takes a deep breath and answers.

SC: Thanks for your chance, but I don't think I want to become a tool for you to lie to Ah Si.

DMF: I give you a day to consider because the main point for this is not for me but for the innocent Ah Si. If you still decide to give up, then you don't have to reply me. I don't have so much time to spend on a loser.

SC angrily leaves.

SC walks on the street to home. It is already dark. She opens the door to see F3 and Sha Ge waiting for her.

Sha Ge: SC!

XM: SC, are you OK?

Sha Ge: Did you see YS?

MZ: what did she say to you?

Sha Ge: Did she threaten you?

SC: No. Thanks for your concern, but I am really frustrated now. Can I take a rest now and tell you tomorrow?

Lei: Sha Ge, lets give some time for SC to rest.

Sha Ge: I just don't believe that you people don't want to know the answer.

XM: SC has hold on for the hold day now, lets give her time to face her feelings.

F3 leaves, but Sha Ge doesn't really want to but still does.

SC can't fall asleep. She lay on her bed while thinking of the things DMF said to her earlier in the day. Then she says to herself, "What should I do? What should I do? YS doesn't love DMS. DMS doesn't love me. They are engaged but I have I chance. What should I do?"

Sha Ge returns home and sees YS sitting at the door.

Sha Ge: What's wrong with you? Are you trying to test how strong my heart is? Sometimes you are missing, then you are engaged, then you come back to scare me. What do you want?

YS just smiles.

YS: What kind of friend are you? You know that I am engaged and you still don't congratulate me.

Sha Ge: Congratulate? You think I am so stupid that I can't even see that you are not happy?

YS: Who said I am not happy? i am very happy! It's true. I have thought about it. Since I like him so much, why not have a short time of happiness?

Sha Ge: Say it. Say it...why aren't you saying it? You just don't know how to lie. You can go out there and lie to the world, but you don't have to come back and lie to me.

YS: So, I need you. When you are not with me. I feel like I will lost myself. So, can you help me? Can you go back to that cold castle (referring to DMS's mansion) with me?

Sha Ge: Ok. If you say the truth...

YS then thinks of the rules DMF has for her, which is that she can't tell anyone of the conversation they had.

YS: What I said is the truth. i am engaged, and I am happy.

Sha Ge starts to sob.

Sha Ge: Then there is no need for me to go back with you.

YS: Sha Ge...

Sha Ge: I have something wrong with me. I can't stand seeing people ruining their happiness, especially when it is the person that I have always protected and cared...So, I don't want to see you. You go.

YS still puts on a smile.

YS: Then I will go back now. I will go alone to that cold castle. Maybe you will never see me again...Sha Ge, no matter where I go, you must remember that you will always be my best friend.

YS then leaves...quite sad when she still puts on a strong face.

Sha Ge comes out to watch her leaves.

In the porch of SC's house, SC's mother is reading the newspaper while her father is getting ready for work.

SC's mom is crying while reading the news paper.

SC's pa: Can you just stop reading that newspaper? If SC sees it, she will be sad.

SC's mom: That DMS is so cold blooded.

SC's pa: He is marrying a princess....how can we compare?

SC's mom and pa keeps on blabbing non sense, when SC comes out. SC announces a news.

SC: I am going to quit school?

SC's mom: quit school?

SC: I am going to work in Dao Ming Corporation.

Dad: Are you so sad that you have gone insane?

SC: Even though DMS is engaged, but I still want to fight for my happiness one more time. Don't give up.

Mom: Don't give up is right! Our life only comes once. We must fight for our happiness. I support you. Right Dad?

Dad: I don't have anything to be proud. There is only one that makes me smile even when I am sleeping and that is I have a strong daughter. In my heart, she is the real princess.

The family hugs each other

At Ying De School, there are people discussing about DMS and YS's engagement. Qing He is looking all over for SC. He finds her sitting at a bench.

QH: What's wrong with you?

SC: Qing He..

QH: Why did you quit school? Why are you giving up yourself for a guy that can't remember you?

SC: Because I want fight for what I want.

QH: OK. If you are going to quit school, then I will quit school you. We can go beat up DMS until he remembers.

SC: QH, I quit school is because I am going to work in Dao Ming corporation.

QH: Huh!

SC: So, it is not a decision to give up but a start for my hope.

QH: But that means I will not be able to see you.

SC: It only matters if we are living good, even if we don't see each other everyday, we can still think of each other.

This moment QH's cell phone rings.

QH: Hello? MiMi? I am busy now. BiBi.

QH hangs up.

SC stands up to leave.

SC: QH, even though I am not at school, you still have MiMi. Treat her good. Don't be like me. I use to reject DMS all the time, now there is nothing and I finally knows how much I like him. I have something to do. Bye bye.

QH: SC...

SC: QH, remember not to take it for granted when someone treats you good, you must cherish it. SC turns and walks away.

QH to himself and sadly: SC, you know what? There is someone else who have always be treating you good.

SC walks into the Dao Ming building to look for DMF. In the lobby, SC meets DMF.

SC: I accept your offer to work here.

DMF: You haven't let me down. You will start your work tomorrow.

QH walks sadly to MiMi's house. MiMi has all these stuff on her face. Stuff for facial.

MiMi asks whether beauty is important and QH says no. QH is not in a good mood and tell MiMi that he is sad because SC has quit school. Then MiMi says that a man who doesn't mind outer beauty is a man who can be rely on.

Seeing MiMi's reaction, QH is kind of startled.

QH: Actuall, I am the most shallow and account most for outter beauty.

MiMi keeps on saying that's not true and asks QH to be her boyfriend.

MiMi: Can I call you "my dearest" from now on?

QH let out a stupid smiles and said: sure.

F4 are gathered at DMS's mansion.

MeiZuo: A week ago at the rooftop, you tell us you like your new life. A week later, you are back to the old DMS.

XM: That are so many changes and you don't even tell us.

DMS: That's because every happened so fast. I don't have time tell you guys. My mom and YS had already made arrangement for me when I know.

MeiZuo: You are happy, your mother is happy and that princess is happy. How great! But why your mom planned a job for SC?

DMS: I think that's good.

Lei: I don't think it's good.

DMS: i think SC accept that offer is because she accept the new me. I also do wish that I can treat her as friends...am I not right?

MeiZuo; that's right.

On the first day of SC's work, her boss already gives her tons of job. While she is working, YS finds her and they are out for ice cream. YS and SC are in a little restuarant eating mango ice cream.

YS: I am happy that you accept the job. You must work hard. That's the only way for me to regain my freedom. You have to be brave, and I will give you my braveness. With your braveness and my braveness, we can over come anything.

SC: YS, we are freinds right? So, you will never lie to me right?

YS: Right.

SC: Then tell me why you sacrifice your freedom and agree to the plan of this lie? Is it because DMF threatened you?

YS: No No.

SC: I don't believe you. This is not like you.

YS: Why is it not like me? I am born to have fun. Those adult play their politic and I play my little games. Eversince I escape from "Bu Dan", I play hide and seek with my father while traveling around the world. Now that I am caught, I will just have to find a good time to escape. It is just that before I escape I hope to return those lost memories to Ah Si. I wish to see you two be together again. Just that.

SC's phone sudenly ring and she picks it up. It is her boss telling her to go back and work. At the same moment, YS lost control of her right hand. She drops her sthingy. This went unnoticed by SC because she is busy on the phone. YS quickly hide her hand under the table.

SC: I have to go back and work now.

SC gets up and leaves.

YS: SC! (pause) Next time we eat Mango again.

SC: The season for mango is almost over. We can eat strawberries next time.

YS: OK.

SC: Bye.

YS: Bye.

YS watches at SC leaves.

In the office. DMS is trying to get the copying machine work, but he doesn't know how. SC comes to help.

SC: Why did you ask your secretary to do it for you?

DMS: I had nothing to do.

DMS finishes copying and leaves.

SC thinks: Stupid SC. Why are you shaking? You have forgotten your goal in working here?

This moment, DMS comes back.

DMS: San Cai.

SC: Is..Is there something else you need?

DMS: Er....Nothing....I....I just want to say welcome to our company.

They smile to each other and DMS leave.

SC thinks: This is a good start. That's right. As long as I don't give up, each day would be a good start.

Episode 19

After a busy day and doing OT till midnite, SC finally reaches home ...

Upon reaching home, a tired SC lies on her bed ... her hp rings ... Mimi calls to ask SC if she can interview her. She tells SC she's outside her house now. SC lets Mimi into her room and asks what she wants to interview her for.

Mimi replies that she likes Qinghe and SC is his closest and most admired good fren ... so she wants to know everything about SC to imitate her and QH will like her!

SC replies that everyone has their strong points so there's no need to imitate anyone. A tired SC lies flat on her bed ... and asks Mimi if she's tired.

Mimi says she's not as this is the 1st time she likes someone ... so she feels very happy and want to do lots of things to make QH touched ...'

SC tries hard to remain awake assures her that QH will certainly be touched by what she did one day.

Both fall asleep ...

The next day, Mimi wakes up on SC's bed and looks around, puzzled where she is.

As for SC, she's just in time for work and is relieved she's not late and says she shldn't hv chatted with Mimi last nite...

Lunch time ... SC orders a burger meal and sits down.DMS passes by her seat and SC spots him but doesn't call him.

Someone comes near to SC's seat and asks if the seat is taken? SC replies it's not, looks up and

sees DMS!DMS puts down his tray and says it's such a coincidence.An embarrassed SC smiles and asks if DMS also eat this type of food?

DMS looks at the crowds around him and says as a matter of factly that isn't everyone is like that?

SC eats her burger. DMS reminds SC her lips has got some sauce and she quickly uses the tissue to wipe her lips.

A curious DMS asks if the burger taste good with the msutard/wasabi. SC tells him that the burger will taste good only if he adds it ... DMS squeezes a little mustard/wasabi on his burger. SC tells him it's not enough and that it's only nice if he adds more - she adds more for him, which DMS takes a bite and replies that it's really nice!

A concerned DMS asks about SC's work.SC replies ok, can do, just that she's very stupid & must always stay OT to finish. DMS tells her it's btr to hv work to do unlike him ... he's got nothing to do in office everyday, just sign and sign ... when he feels bored, he'll go to the rooftop to enjoy the breeze...'

SC is surprised that DMS thinks it's btr to hv work to do and that last time he ... SC stops herself when she realises she's mentioning the past again.

DMS asks if she has alot of work?SC replies that she has to clear the warehouse today, work out the details for her supervisor tmr ... and that despite ordering stock for the whole morning it's not even half done. DMS asks if anyone is helping her and SC says no. DMS offers to help. SC smiles sweetly and thanks him.

After lunch, back to office...

DMS immediately rolls up his sleeves and seriously helps SC to clear the warehouse data ...

"91011317...91013432...91012812..." DMS stands on the ladder helping SC with the data on the higher shelves.

SC stands beside the ladder and takes note of the serial numbers...

DMS moves some old boxes and sneezes from the dust, SC passes him tissue paper and shyly turns away to do her work.

SC drinks water, DMS drinks Pepsi and both takes a rest. SC, facing DMS feels shy and quickly gets down to work again.

SC climbs up the ladder and when she comes down, DMS offers his hand to help her down gentlemanly (so sweet!)

Both do their stock-count and SC can't help stealing glances at DMS who is behind her, but at the same time does not want DMS to see her so quickly concentrates on her work but can't hide her happiness.

DMS occasionally looks at SC thru the gaps of the shelves and catches her stealing glances at him and looks at her... (wow ... can see sparks flying liao)

YS is shopping and the bodyguard behind her follow her closely.

YS stops him and negotiates with him not to follow her and assures him she'll go back when it's time. He tells her this is his duty ...

YS tells him she knows he's responsible and must be tired ... she decides to go back. She asks him to help her throw away a biscuit bag and she starts to run once his back is turned. The bodyguard chases her ...

On the way, YS is nearly knocked down by Da Xin's bicycle. He helps her get rid of the bodyguard and rides her back to Orange Cafe. He finally understands that that bodyguard was not trying to kidnap her but protect her.

Yilin says that the news of her engagement with DMS was really cool and DMS is such a big shot no wonder he can't even fry an egg ...

YS replies that they are nice ppl to employ someone who can't even fry an egg ... and volunteers to help them out since she is so bored at home.

Ah Lun mentions that their cafe is going to close down next month cos the landlord wants to operate it himself. Yilin says they'll be going for a trip and discuss the shop later on ...

SC reminds DMS it's time to knock off. DMS is worried how she is going to cope alone with the unfinished work. SC assures him she can handle it.

DMS is about to climb down the ladder when he gets a headache and falls down to the ground...

SC is worried about him and wants to see how he is but is hit by the falling ladder.

DMS sees it and suddenly an image of SC protecting a bloody DMS from the impact of a chair (Rem the scene in MG1 when SC was kidnapped) flashes across his mind and he holds his head in agony ...SC struggles to get up and is concerned how DMS is.

DMS, with one hand grabbing his hair, and the other hand preventing SC from coming over. SC assures him she won't.

After a while, DMS' headache subsides and he apologises to SC. SC says it's alright but still asks what happened to him just now ... DMS just says it's only a headache - the after effects of his car incident.

A concerned SC asks if he experiences this frequently. DMS replies that occasionally he'll rem some past images and the headaches come ... He even asks SC if she ever saved him b4!

SC is thrilled and asks if he rem everything?

DMS replies that he only saw the image of somebody using a chair to hit him and SC saved him from the blow.

SC starts to tell him the whole story of being kidnapped by baddies to threaten him ... DMS beaten up badly but dun dare to retaliate to protect her ... so they tried to hit him with a chair and she ran to protect him ...

DMS stops SC from saying further. SC begs him to think harder ... DMS avoids by trying to leave.

SC asks him if he also yearns to rem his past? DMS says he doesn't know - he's another person now, if he picks up his past, how is he going to face his old self? How?

SC is speechless and DMS smiles bitterly that even SC can't give him an answer, so it's his own problem, no-one can help him! DMS leaves the warehouse ...

SC realises that DMS is facing so much stress and is so fearful of his past ... She thinks she's too selfish, hoping he'll rem the past but neglected his feelings ... She hopes to accept the present DMS ...

At the DM residence ...DMS instructs her assistant to search for YS.

It's raining outside and YS slowly makes her way back to DM residence. DMS appears from the trees (?), YS asks what he's doing there and DMS replies he's waiting for her.

YS retorts that she hates others to restrict her freedom. DMS replies in a loving tone that he didn't say anything, he's only waiting for her ... YS breaks into a smile and plays 'hide and seek' with DMS outside the DM residence... (Arrgggggghhh ... I'm forcing myself to do this ... y are all these lovely dovey DMS+YS scenes back again?)

When they enter the DM residence, DMF tells YS sternly why she did not ask the housekeeper to fetch her and got herself all wet? DMF instructs the maid to prepare the hot bath for DMS and YS.

YS passes by DMF and tells her she hates others to restrict her freedom and not to get any more ppl to follow her or ... DMS knows her temper the best! With a smile at DMS, she goes upstairs.

DMS goes up to DMS and unhappily chides her for getting ppl to follow YS. DMF replies that she did it to ensure her safety since she is the Budan Princess. DMS warns her not to do it again and goes upstairs too.

After bathing, YS sees 2 coconut face lamps at her bedside and beside it her hp rings - the ringtone is what DMS recorded: 'Brave YS, Brave YS'. YS laughs and picks up the call. DMS in the other room asks if she likes her new 'bodyguard'. YS happily says they're much more cuter!

DMS, wearing a xingfu 'so much in love' smile asks YS what she was doing the whole day (just like what normal couples ask each other... (ahhhh ... I feel like screaming! help! the script is going over our limits!!!)

YS asks what did he do and DMS replies that he asked her 1st ... YS playfully says she won't tell him if he don't tell her ... DMS says she's very hateful and YS asks him again ... DMS replies that he was busy helping SC taking stock in the warehouse.

YS' smile slowly subsides (See, her 'colors' are showing)... and says, is it, my fren is not bad rite? DMS purposely replies that she's alot cuter than YS.

YS says his frens are not bad either ... and that she met Da Xin who helped her get rid of the bodyguard.

Both of them are having supper in the dining room. DMS gets to know that Orange Cafe is closing and YS says she wishes to help them ...DMS suggests buying over the cafe for them, YS disagrees as they like travelling so much - she has a better suggestion. Why not give them a

'breakfast van' since they like travelling so much. SO they can sell breakfast and travel around at the same time. DMS agrees.

YS casually asks DMS about what he did tog with SC again ... DMS says nothing much, just clearing the warehouse. DMS stares at YS and asks if SC told her anything?

This alerts YS who asks him what? DMS is relieved. YS tells him to spend more time getting along with SC DMS asks why and YS replies what why, just spend more time with old frens. DMS asks YS to spend more time with his frens too, like MZ, Lei ... DMS suddenly rems XM's celebration banquet and wants YS to go with him. YS is silent and DMS presses her for a reply and she agrees.

A tired SC carrying many files is on her way home, her hp rings ... it's XM inviting her for his celebration dinner... she agrees and asks where it is ...

DMS sits on the bed with his hp hesitating...

In the other room, YS can't sleep. Suddenly, she receives a sms – from DMS: 'Goodnite, Ah Xing'

Upon reading, YS grabs her blanket and covers her head.

The next morning, the maid comes with clothes and shoes for YS as instructed by DMF. YS is unhappy and DMF walks in telling her that the chauffeur will fetch her to Ximen's celebration dinner. YS asks is it a must for her to go and DMF replies that Ximen is DMS' good fren and moreover he had done a good job in his career ... YS retorts that since he;s DMS fren then DMS shd go alone.

DMF tells her that as DMS' fiancée, it's rude not to attend such events. YS has no choice but agree to wait for the chauffeur.

Before leaving, DMF reminds her he heard that SC had shown good performance at work ... 'Witch', YS mumbles to herself.

At the DM Company ...SC pushes a trolley full of files and spots DMS in a suit, arguing with YS.

YS is telling DMS that she doesn't feel like doing to any function ... and DMS asks if why doesn't she want to know his new frens and she retorts that's his frens y shd she know them?

DMS asks if she's really YS as he feels that he doesn't know her anymore.

YS retort that she's really YS – the pampered, selfish Budan Princess who hates her freedom being restricted. DMS laments that she has changed and YS asks him to start knowing the new YS from now on.

DMS asks her why get engaged to him if she hates her freedom being restricted?

YS replies that the reason us DMS loves her and she needs a man who is obedient and loves her 100%, with this YS leaves.

When she passes by SC, SC calls her out of concern. YS ask SC to leave her alone if they're good frens. SC looks at YS leaving and then at DMS who's obviously in a bad mood, DMS avoid looking at SC when she passes by.

SC is shredding some documents and keeps thinking of YS not loving DMS and is convinced that

she really agreed to the engagement to cooperate with DMF... and is in a dilemma whether to tell DMS...She decides not to as DMS wld not be ble to take the shock – she goes to look for DMS.

She can't find him in his office and is worried when she suddenly rem's what DMS told her before that he'll go to the rooftop for a breeze when he's down.

SC rushes to the rooftop and sees DMS there. She cautiously walks up and tells DMS jokingly it's such a coincidence but later admits that she was looking for him. An unhappy DMS coldly asks her what's up?

SC replies she's just worried about him. DMS says he's alright. SC tells him it's better to let it out when he has any problem and she is willing to be his `audience'. DMS says he doesn't need it and SC starts to leave so as not to disturb him.

SC is still worried and looks back at him again and repeats if he has any problem, it's better to pour it out and if he doesn't want her to disturb him, he can shout it out which is better than keeping inside him. She mentions that just like last time at Ying De, she often ran to the rooftop to scold him - it's really effective and he shd try it. Seeing that DMS is ignoring her, SC prepares to go down.

DMS calls out to her and SC looks back and asks if YS had mentioned to him about her `mission'. DMS is not aware and tells SC YS has changed. SC tells him she's happy to share his problems and is he willing to listen to her opinion? She adds that he has to believe in himself.

DMS tells her that its b'cos he believed himself that's y he feels YS doesn't love him anymore.

SC insists that he believes that he's worth SC's love. 'You love YS, u shd think of ways to make her love u and rather than worry why she doesn't love u' DMS asks SC who taught her this and SC laughs and says it was DMS who taught her ... SC brings up the past again and mentions that she was very troublesome in the past and nearly made DMS go crazy but he said no matter where she went, he'll go after her ... even to Hell ...! SC suddenly realizes that she's talking about the past again and apologises. DMS: `SC ... I hurt u ...I left all the past memories for u to bear ... y are u still so nice to me? SC: `cos I want u to be happy'

DMS is touched and hugs SC: 'I may not be able to understand how much tears u shed for me forever ... I can only say thank u, SC' SC is stunned by DMS' long awaited hug and upon hearing his thanks, in a trembling tone : 'Don't ...Don't mention'

DMS, with gratitude and at the same time, seems to be seeking solace, hugs SC tightly. This scene is witnessed by DMF's assistant ...

Episode 20

Time to knock off ... a lost SC walks back to office; her colleagues are all rushing home and even dimmed the lights. SC sits at her desk and switches on the lights: 'That's only a hug of gratitude, what am I thinking of'? SC continues shredding documents: 'If YS really doesn't love DMS, shd I fight for it'? 'But how am I going to fight for it with'? Looking at the shredded papers, 'DMS' past is like these pieces of papers- SC, u must accept the new DMS and be frens with him all over again ... share his smiles, his worries and maybe one day, he'll fall in love with u again'. 'But what abt YS? YS doesn't love DMS? Is her change due to the transaction (engagement)?'

Aft YS leaves the DM Company, she runs to the game arcade, still in her evening gown and plays some games. In the end, she still leaves the arcade unhappily.

XM Corp is busily preparing for their celebration banquet at the hotel...XM, entertaining his guests, spots MZ & Lei arriving and excuses himself to welcome them.

MZ: '\$10 bn sales!!! Really our good buddy, XM!'

Lei: 'We are so proud of u!'

Qiao (MZ's future love interest) walk past F3 and nods at Shaoyang, XM's assistant.

MZ look t/w Qiao's direction and asks XM: 'Who's that girl? I haven seen her before'.

Qiao asks Shaoyang where XM is and nods at XM.

XM: 'Jundi Construction/Real Estate's daughter- just returned from abroad'.

XM's father arrives with his mistress and is welcomed by the guests.

MZ & Lei looks at XM, XM pretends to look relaxed but his expression is very pissed off.

'Without a mistress, how can he show off the amorous love history of XM Corp's President?

XM's father & mistress come up to F3. His father welcomes F2 to the banquet.

The mistress congratulates XM but he ignores her. She is embarassed and turns to F2 to chat.

The GM (whom XM calls uncle) goes upstage to start the dinner and invites XM's father to speak.

After his speech, he passes the mic to XM.

MZ & Lei bugs XM to go upstage and XM thanks his assistant, his 'uncle' and the entire sales dept. He thanks his mother as well ... which makes the mistress uncomfortable - XM & father exchange toasts.

After that, XM walks down, Lei & MZ follows: 'Are u ok?' XM puts on a brave front and says he's ok and goes to the gents.

MZ & Lei looks at the mistress walking t/w XM's father unhappily.

In the Gents ... XM vomits into the sink. XM's father also walks goes to the Gents and washes his hands beside XM.

XM looks at his father as if nothing has happened...

XM father: 'You have to watch yr attitude t/w yr father!'

XM: 'I thought I only needed to put on an act in front of other ppl.'

XM father: 'It's only right to respect yr father! Why act?'

XM: 'If u want me to respect u, pls start by respecting my mother 1st!'

XM's father: 'We do have some problems between us, but it's not what u think ...' His explanation is interrupted by Shaoyang walking in and XM leaves the Gents.

Shaoyang informs XM's father that the DM family had arrived...

XM welcomes DMS who had just arrived...

DMS: 'Congrats!'

XM gives him a friendly punch : 'What's the use of only saying congrats? Where's YS?'

'She ... She's not feeling well', DMS manages to offer a feeble excuse.

DMS: 'I'm so hungry'.

XM: 'I've got good stuff outside'. He smiles and pulls F3 outside and walks past his father & mistress. XM looks at the mistress straightening his father's tie with a complicated expression. He only regains his composure when MZ shouts at him and leaves with MZ...

XM returns and looks coldly at his father & mistress for a while before leaving with 2 bottles of red wine.

SC is still doing OT in office when she hears a drunk XM & MZ calling her from outside.

XM laughs: 'SC, hardworking virgin'.

SC walks t/w F4: 'Why r u all here?'

XM: 'You didn't attend my celebration dinner so here I am!'

SC: `So sorry, I'm still doing OT'.
Still drunk, XM chides DMS: `What kind of manager are u to let SC stay so late doing OT'?
MZ, who can't even stand properly, pours a glass of wine for SC: `3 glasses as penalty!'
As DMS & Lei look on with worried looks, SC drinks the 1st glass and feels her tongue on fire!
She begs MZ if she really has to drink 3 glasses. MZ: `of course!' and pours the 2nd glass for her.
Ok, here comes the part we all love ...
DMS & Lei stretch out their hands at the same time, offering to drink on behalf of SC.
SC & XM are stunned. DMS & Lei awkwardly let go of SC's glass.
MZ quickly asks: `Where's the Gents?' DMS & Lei help him to the Gents.
XM: `It looks like u all are having a new start'.
SC smiles: `I hope it's a good start ... I forgot to congratulate u, XM'. SC offers him a toast.
XM: `Thanks but I'm not happy at all ... \$10bn sales .. Applause ...A bright future ... I feel it's so unrealistic ...'
SC: `I understand'.
XM: `U understand? Dun tell me it's a lack of dependency'.
SC: `You really lack of some dependency ... u used to say 'yi qi yi hui' and every woman is only valid for a week. 1 week + 1 week ... u still don't get a sense of security... (Sorry the above terms are rather hard to translate ... I just try my best)
XM doesn't agree. SC: `Xiaoyou sends her regards to you'. XM (very seriously): `Is she getting on well?'
SC: `You shd ask her this yourself!'
XM: `Do u want to get yr good fren in trouble? Don't forget I have my father's genes in me – the genes to hurt women ...' XM acts cool and exchange toasts with SC.

Inside the car, XM is having gastric pains. Upon reaching home, he goes to his mother's room and sees her back facing the door, drawing. He asks her why she's still awake and she replies that she's waiting for him. She asks if it was fun and XM says it's not fun without her. (in a pampered tone). She tells him it shd be fun with F3 around. She knows XM sure hasn't eaten anything and XM is amazed that she knows. She replies that she's his mother, of cos she knows.

In the dining room, XM is eating with his mother. He praises his mother's cooking skills. XM suddenly gets gastric pains again. He admits that he's been getting gastric pains recently and his mother tells him the food is too spicy and to drink some soup instead. XM insists on eating and jokes that his pain had subsided upon eating her delicious food!

In the morning, YS is woken by some knocking sounds...

She sees DMS in the study hammering some nails into a drawing board. She asks if he stayed up all night? DMS says he can't sleep and asks her if he bought the correct drawing tools for her. He bought everything the shopkeeper gave him, if she lacks any more stuff, he'll get it for her ...DMS prepares to leave ...

`Thanks, Ah Xing'.At the doorway, DMS smiles and says no need to thank him; he wants her to be really happy and walks out. YS cries ...

After seeing DMS leave for work, YS changes and returns to the study. With her drawing tools, as she climbs up the ladder facing the drawing board, she discovers with horror that her eyesight is slowly failing ...!

Sha-ge arrives at the DM residence but is stopped by the bodyguards. The housekeeper asks who he is looking for and Sha-ge replies he's looking for Ms YS. The housekeeper asks him for the reason and Sha-Ge says he's YS' good fren,, y shd he need a reason t o visit her? The

housekeeper refuse to let him in without a reason and starts to chase him away. Sha-ge shouts for YS ... YS hears his cries and runs to the entrance to hug Sha-ge.

YS: 'Sha-ge, I knew you wld not leave me alone!'

Sha-ge: 'Come on, I'm here alrdy' and purposely shows off to the housekeeper. Both go upstairs while the housekeeper is stunned.

YS chides Sha-ge for being angry with her for so many days while Sha-ge said these few days were terrible for him too. Sha-ge is amazed at DM residence – so cool. YS corrects him that it's cold, not cool. Sha-ge consoles her saying it won't be cold anymore with him around and YS laments that unfortunately there's a witch in this house. Sha-ge jokes that he is trained to deal with witches. Sha-ge then asks about her engagement with DMS being a fake one and y she still want to arrange for SC to work with DMS? YS replies that DMF had always wanted to break up DMS & SC, so she has to help SC. Sha-ge says SC is a nice girl but what about YS? She helps SC but who can help her? So he's here to help her! YS tells him she doesn't need any 'chances', cos she has no more chances – her body is starting to see some changes (sorry, dun really understand the term of her body changes) and her eyesight is failing. Sha-ge is sad ...and YS puts on a brave front and brings him to see her drawing room.

Lunchtime-at the fast food restaurant...

DMS waits for SC at the table ... SC returns with 2 trays of food and sits down. DMS wants to pay her but SC insists on treating him and DMS agrees. SC smiles. DMS notices it nd asks 'Was I different again last time?'

SC: 'It's not important anymore, it's a new you now. They start eating.

DMS: 'What wld I have said last time under such circumstances?'

SC: 'You'll say: you are very troublesome, how can I let u pay?'

DMS is amused by how domineering he was last time and laughs. He asks curiously, 'Since I have such a bad temper and likes to scold u, y do u still like me so much?'

SC: 'Because ...' She's too shy to say aloud and looks down, saying to herself: 'y do I like u? I used to ask myself this many times... I still haven got the answer ...but I just like u more and more each day...'

In the dining room at DM residence ...Sha-ge prepares a delicious meal while YS waits excitedly at the table. DMS returns with DMF and smells something familiar, he happily goes to the dining room and hugs Sha-ge. DMF is displeased with the food smells ...

Sha-ge says hello to DMF and she corrects him saying he shd address her as 'Madam Daoming'. Sha-ge invites her to try his cooking. DMS happily sits down to eat. DMF instructs her maids to clean up the house and get rid of the smell. Sha-e tells her there are only 2 types of people who hate the smell of onions, garlic, chilli etc – one type lacks courage while the other type lacks love ... he says she doesn't seem to lack courage, so she must lack love! DMF tells him he's a guest, so he doesn't need to bother himself with the kitchen and Sha-ge replies that Princess YS loves his food. DMS quickly agrees that he likes too! DMF glares at DMS. Sha-ge continues describing the food YS likes (all related to insects) and DMF turns pale and nauseous ... YS adds on to the list and eats the food right in front of DMS ... this time, DMF really wants to vomit. DMS can't help but secretly laugh behind his mother' back. DMF leaves the dining room immediately as she can't stand it anymore. The three of them burst out laughing.

XM sits in his office going thru documents and his gastric pains are killing him. His assistant is concerned but XM bears with the pain and assures him he's alright but he finally succumbs to the pain and collapses ...

In the hospital ... XM's assistant asks XM's mother if she wants to rest upstairs ... just then XM's

father arrives ... she looks away. XM's father asks how's the situation and he replies that XM is in a middle of an operation. XM's parents go upstairs. XM's father asks his wife how's everything at home. He tells her that XM doesn't really understand him but he's his only son, his only hope. His wife asks what does he want her to do? He says that he doesn't want to req anything from her, now that XM is grown up, he hopes to understand him better.

XM is awake. His mother tells him his father just left and he `s very worried. XM retorts that he doesn't need him to be worried, he only wants his mother. She tells him there's some problems between his father and her ... but not what he thinks. XM tells her he's not a kid anymore and he understand s the problems between them ... and that she had suffered so much for him all these years. She replies that there's many things XM is not aware of - actually it's his father who is suffering for her! XM looks at his mother in shock.

Episode 21

SC was busy working when a female colleague brought a lot of tapes for her to take to the Goods Department.

SC: Thanks

SC received a phone call: XM was admitted to the hospital? OK, I will be there straight away!

When SC just left her department, she saw DMS who was rushing downstairs and talking to the phone as well.

SC: DMS! XM..

DMS: XM was admitted to the hospital!

He just received the msg and both of them rushed to the hospital.

YS went to DMS Office and left a drawing on his table. She picked up the video of SC and F4 playing ball and on holiday.

YS: They patched up! So good!

In XM's hospital room, MZ brought a lot of stuff for him to play.

MZ: I brought Gameboy, CD, VCD

MZ threw the stuff over to XM

XM (shouted painfully): The operation was just over and now, you are throwing things at me!

MZ smiled: I also brought DVD. Afterwards, I will fix them up for you to watch later.

XM: Actually its alright. I will be discharged two days later.

MZ: You became a workaholic liao? Why don't you stay a few days more? You have Lei and me to accompany you!

Lei who was looking out the window all this time finally turned back and said: But I have a request.

XM: What request?

Lei: You have to let me sleep on your bed

F3 laughed.

MZ: Ok, anyway your bed is so big!

SC walked into the room, taking a bouquet of flowers: Why did you not tell us that you have been admitted to hospital earlier?

DMS brought gifts and said: So? Still painful?

XM: Looking at all of you, I am not painful anymore!

SC and DMS sat at the sofa.

XM looked at SC: Why did your "Black eye" or hei yan quan get so bad?

SC, touching her eye area: really?

XM: Don't believe you ask DMS!

DMS nodded.

MZ took the mirror and gave it to SC: Look at the mirror yourself!

SC: Oh really! Maybe I have been working OT so I have been very tired nowadays... at least I didn't have stomach ulcer like someone!

MZ: She's teasing you XM

XM smiled: Looks like Empress Dowager brought out SC's fighter spirit!

DMS, puzzled: Who's Empress Dowager?

MZ: Empress Dowager is your mother lah!

DMS smiled: My mother? What an appropriate expression!

SC and F4 started to talk and in the mean time, MZ's handphone rung and he picked it up unhappily: Can I not go? (looking frustrated and rummaging his hair)

MZ: Ok ok

XM: What?

MZ: My mum, she... Nothing lah

SC: Looking at your face, could she have tried to matchmake you?

Looking at MZ's face, SC: Really?

XM: Matchmaking? Not bad! Go for it! Go look at how the girl looks like

XM, unhappily: How can she look like? She'll definitely have big buttocks so that she can give both and a healthy nice expression F4 and SC all laughed and XM even laughed until his wound hurt. MZ threw things at XM, making XM yell out loud

In a certain high-class restaurant, a lady wearing black gown and have long hair is playing the viola, playing the instrumental "Feng Huo De Ji Jie" (Song sung by F4 as well). MZ enters the hall and sees the lady. He recognized her as the one he saw at XM's party and whom he nicknamed her as "another elegant vase" - Qiao. Mother of Qiao praised MZ: I haven't seen you for a long time and you've become a handsome man! Qiao finished playing and the hall rang with applause.

Qiao: If anyone wants to listen to any song, I can play for you.

MZ's mum (Guest actor is also in real life, Vanness's mum" asks her son: What song do you want to listen? Qiao can play for you

MZ chose: Worlf Famous Duo la A Meng

Qiao: Sorry I don't know this song?

MZ made Qiao embarrassed: You don't know? You don't even know such a famous song?

MZ's mum tries to save the day: Then play the song you like best! Qiao then tries her best to play songs. MZ Mum praises Qiao for her good performance while MZ said nothing.

After they finished and gone home,

MZ Mum: Both of you are so compatible! Why don't you like her?

MZ: The more you force me, the worse she becomes!

MZ Mum: Qiao is a good girl. You already have so many girlfriends so why don't you treat her as another normal friend? If both of you can get along, that's the best. If not, there are still a lot of girls on my list, I can help you find some more girls.

MZ: Mum..

MZ Mum threatens: You want to try or do you want me to find some other girl?

MZ: Ok, I will date her some other time

MZ MUM: I've arranged it for you already! Fetch Qiao tomorrow at 2 pm.

MZ: Mum, How can you do this?

MZ Mum: Are you going? If not, I will ask Fu Guo Hotel Director's daughter out

MZ: Mum..

MZ Mum: Are you going?

MZ: Ok.. go

DMS returns to his office and picks up a phone call

DMS: Hello, I am Ah... I am DMS. Ma, XM is admitted to the hospital so I went to visit him... SC also went. After hanging up the phone, he found YS's drawing or plan and rushed to SC's department.

Supervisor: DMS master! If you have any problems, you can just call us, why did you come down yourself...?

DMS: I am here to find SC

Supervisor yelled for SC.

DMS: I heard that your dad is a car salesman?

SC nodded.

DMS: Can you help me order a car? I want it made exactly the same as this plan!

SC looked at the drawing and said: Who drew this? It's so beautiful?

DMS: It's YS!

SC: YS? She has so much talent?

DMS smiled proudly: So? Can you make this?

SC: Most probably this can be done! I will talk to my dad.

DMS was so happy, he grabbed SC's shoulders: Thanks! I knew that you would help me!

After DMS left, SC said disappointedly: It's no wonder DMS likes YS.. she's pretty, kind, cheerful and so talented! How can I measure up to her?

Supervisor: He has gone so far already! You are still staring into air! Go and work!

In the night, XM's father stayed in the hospital with XM. He was rather tired so he napped on the sofa, careful not to make any noises so that he will not wake XM

XM Dad: Sorry, did I wake you up?

XM shook his head.

XM Dad fussed over him: Are you hungry? Do you want me to warm up some milk?

XM shook his head again.

XM dad: Can't sleep?

XM: Ya, I slept too much in the day?

XM dad walked to his bedside and saw a book in his cupboard: This book is quite interesting

XM: I just started reading it

XM Dad wore his glasses to read the book to XM. He was reading about half the book when he took down his glasses: 25 years have passed. It seemed as if I've never read books for you before?

XM: We also haven't really talked for a long time.. because you was always not home.

XM Dad: It's not that I don't want to go home... but I just can't.

XM: Because of mum?

XM Dad: I've only loved one woman in this life.. but she has never loved me for one minute... The first time I saw your mother, I knew that no matter what despicable methods I use, I must get her. That time, her fiance was my father's employee so it was easy to break them up... I am so powerful in the finance industry yet I cannot win her heart. I thought there was no unbeatable opponent but after so many years... he is still hiding in your mother's heart. I won't have the opportunity to beat the man again...

XM: Dad, can you finish this book for me?

XM Dad took his glasses and read the book again while XM secretly wiped away the tears that ached for his father's broken heart.

XM Dad: No matter what, after every Christmas...

XM smiled while his father's voice droned on. He finally accepted his father, after 25 years.. finally he has his father back.

DMS: XM even said that SC's fighting spirit was forced by the Empress Dowager! Do you know who is the Empress Dowager? Its my mother! Don't you think its funny?

On the other side of the conversation, YS does not have the ability even to laugh

DMS: I've already handed the design over to SC! She even praised you for your talents. I was saying that you definitely have talent because you are my YS. You must design more ok? I want to organize an art exhibition for you? YS does not want to continue the conversation so she took the phone away from her ear.

DMS: YS? YS? YS...

DMS looked at his handphone and spoke to himself: She must have slept... you lazy pig (spoken fondly)

YS was laying on her bed, frowning while she look at her own hands. After walking to the drawing room, taking her pens preparing to draw, the right hand which was holding the pens shook painfully, uncontrollably, causing her to roll on the floor

Unhappily, MZ went to pick Qiao up at her home. He drove at a high speed while turning on loud heavy metal music and dropped Qiao at Breeze Centre Shopping Mall.

MZ: I'll pick you up at 8. You can get off the car now... 8pm may be too early... Pampered rich girls like you love shopping..! Then 10 pm should be ok! It's settled then.. 10 pm! I'll pick you up at 10.

Qiao: May I ask why?

MZ: This date is what your mum and my mum wants but both of us are individuals with our own mind.. we are capable of making our own decisions! There is no need to follow their orders! I'll pick you up at 10! Hope you have a happy time shopping!

Qiao got off the car and went into Breeze Centre

Outside Breeze Centre, MZ got off the car to wait for Qiao until 10:38.

MZ smiled: She has character!

After putting on his safety belt, he thought of what his mum said: You already have so many girlfriends so why don't you treat her as another normal friend? If both of you can get along, that's the best. If not, there are still a lot of girls on my list, I can help you find some more girls.

SC was working overtime again.

SC Mum humming: The sky is so dark, The wind is so strong, SC went to work, why haven't she return?

Looking at her husband eating, SC Mum: Dad! Can you not eat first? We have to wait till SC comes back!

SC Dad: I've got a bad feeling! That DMF must have bad intentions!

SC Mum: Ya loh! Every day also want our daughter to work overtime

SC Dad: Worse, she wants me to starve! I won't let her plan work

SC Dad starts eating again

SC Mum: Dad!

SC came home: So fragrant!

SC Mum: Daughter, you have finally come home. Come, faster go eat supper!

SC: I feel so lucky that our family is able to eat supper together. Dad, is the car ready for collection tomorrow?

SC Mum: SC, you must recommend more people to buy cars from your father! Like the other time, Hua Ze Master is our saviour. This time, the one who ordered the car must be QH!

SC shook her head

SC Dad: Then its your new colleagues and friends?

SC shook her head: Actually it's DMS

SC parents were shocked: DMS recover his memory already?

SC: No, he didn't, he ordered that car for YS.

SC parents: YS? That princess?

SC: Dad, Mum, the relationship that I have with DMS isn't what you think it is, now we are just friends.. but he doesn't mind my concern for him now.. to me, that's very important. REALLY REALLY Important!

SC handphone rang: Hi, DMS? Mm! No problem, you will get the car tomorrow! Mm! Ok, tomorrow morning at 9. Dad, tomorrow at 9am, DMS will get the car from you.

SC parents afraid that SC put on a brave front.

Eating supper, SC thought: In DMS story, from main actress, I became the supporting actress.. perhaps a lot of people think that it is very unbelievable but I have no choice. I can't walk out of DMS's story

YS was at the backyard looking at the stars. DMS neared her slowly and used his hands to cover her eyes: Who do you think is it?

YS smiled: What?

DMS: Are you thinking something?

DMS's hands dropped and hugged YS.

YS: No

DMS: Let me tell you something, but it's a bad news.. don't be sad.

YS: What?

DMS: you have to promise me that you cannot be sad or else I won't tell you.

The breakfast car is ready!

YS happily: Really?

DMS hugged YS: I just saw it

In the hospital, MZ sat on the bed, sitting beside XM, playing his handphone. After the game ended, XM: Why did you get such low points? You seem to be distracted, if you have something to do, then go do it! You don't have to be by my side! Anyway I am going to be discharged today!

MZ: No I must accompany you!

Picking up his handphone, MZ: I already told you that I will be at the hospital with XM. This is not an excuse ok, I will go fetch her!

XM smiled: Still matchmaking? Because she is a fierce girl so you can't take it?

MZ shrugged and XM guessed again: Then, she must be very fine, very beautiful, so you can't take her?

MZ: What a joke! Me MZ..

XM: Then go!

MZ stopped talking. XM thinks: You like that girl and yet you don't admit!

XM: Go get her! Don't need to accompany me! Anyway my mum and dad will be here soon!

MZ: Then I go already! Let her know my prowess!

MZ punched XM's wound, causing him to yell before he left the room

Outside Breeze Centre, MZ stopped his car.

Qiao: Why are you here again?

MZ: Shopping should be what you pampered girls like!

MZ took out a stack of 1000-dollar notes: The other time, you had to pay for your clothes.. now, its on me!

Qiao seemed unhappy but tried to hide it. She smiled and took the money.

Qiao: You don't have to pick me up!

MZ: Don't have to pick you up?

MZ drove off happily

XM returned home with his mother.

XM: Home is still most comfortable!

XM mum: You always don't rest properly!

XM: I know you will scold me so I already don't rush back to work. Instead I came home first!

XM Mum: This time, you have to stay at home for at least a week!

XM: 3 days lah!
XM Mum: 5 days!
XM: 4 days?
XM Mum: 5 days! No more discussion on the topic! You are not closing a business deal with me!
Servant: Master is back.
XM Dad still panting, concerned about XM: I just went to hospital then I knew you are back.
Seeing XM mum avoiding him: Our son has just been discharged, why don't we have a dinner together tonight
XM: Ya! Mum, consider this as an effort to help me recover!
XM Mum: Then what do you want to eat?
XM: Of course it's the Red Oil Fry Hand" (literal translation.. sorry don't know what it is)
XM Mum: No! Now you cannot eat hot spicy food!
XM: Then isn't it the same as eating only tasteless rice?
XM Mum: anyway you can't eat hot food!
XM pouted while his father smiled at him.

MZ received his mother's call while he was driving: Mum. What?
MZ Mum: Have you taken Qiao's friend back?
MZ puzzled.
MZ Mum: Qiao took the gown back already. Why did you specially buy this gown for me? But still, you shouldn't let Qiao take so many things back. Mum just want to tell you that I am very happy. Okay, nothing already!
MZ went to Qiao's house and called for her: What do you want? All these is what our mothers have arranged for us so why do you follow their wishes? Don't you have your own mind?
Qiao: Right, this is indeed our mothers' arrangement but why don't you be like me, respect the arrangement and try to go out with me? You haven't even really know me!
MZ: You don't know me!
Qiao: Right, I don't know you but at least I know that you are a good guy!
MZ: Ok, now I'll let you know how good I am!
MZ dragged Qiao away.

At Disco Pub, Qiao was playing with her straws restlessly while MZ danced intimately with two girls.
Girl A: Hey MZ, who is she?
Qiao: Hi, I am Qiao. I am MZ's girlfriend.
Girl A: I am MZ's No. 8 girlfriend. She is No. 20. What's your number?
Qiao: I don't know my number but what I do know is that I will be his last girlfriend.
Girl A: Last number? Then you don't understand MZ!
Qiao: Since all of you know MZ so well, I have to learn from all of you.
Girl A: Learn? MZ gives us different surprises each time! What do you want to learn
Girl A's hand brushes over MZ's muscular chest.
Girl B: Of course it's the most exciting parts!
Girl A: I'm afraid that you are unable to learn the most exciting parts.
Qiao: From young, I have never met something that I am unable to learn, especially what you think is the most exciting parts.
Girl A takes off her jacket, showing off her shoulder: Are you sure you can learn?
Qiao, though uncomfortable, slowly opens the buttons on her white shirt. MZ stares unblinkingly.

Episode 22

At the pub, Qiao slowly starts to unbutton her blouse. An amazed MZ asks her to stop her nonsense and pulls her away.(so sweet of him!)

MZ asks: What were u trying to do just now?

Qiao (with a confident smile): I just want to prove that I can also do it, I can also be the type of girl u like!

Qiao alights from the car and tells a fuming MZ: Pick me up at 2 pm tomorrow.

MZ drives off unhappily, but Qiao walks to her house cheerfully.

At the XM residence ...

XM's father is sits at the dining table with a serious expression ...

XM, seeing a table full of delicious food says: Mum has prepared my fav food. Dad, what are u thinking about?

XM's father hides his moody expression and sees his wife appearing with more dishes.

XM's mother says she has no time to go marketing, the food were all prepared with frozen ingredients from the fridge but are all XM's favourites. XM thanks her and they tuck in. XM's father looks at his wife across the table and says: This time our son had an operation but we can finally have the chance to have dinner together as a family, it's really a blessing in disguise!

XM's mother ignores him. XM quickly picks up his fruit juice and offers a toast to his parents: Dad & Mum, may I have a speedy recovery! Three of them enjoy their meal

After the dinner, XM tells his mother he's very full and she tells him it's time for his medicine, XM asks if she wants coffee and XM goes off to make coffee without taking his medicine. XM's father is sitting in his study with a gloomy look. XM pops in and asks if he wants any coffee and happily goes off to make coffee. His father looks at the divorce papers on his desk with a heavy heart and makes up his mind.

XM's mother is admiring the flowers in the living room. Her husband walks in and tells her that was a happy meal he had and it's a very rare chance for him to come home to have this dinner.

His wife finally replies, asking him if he has anything to say to her. Her husband tells her he's very thankful that she had allowed XM to stay by his side, and it's time he gave her the divorce papers she had been yearning for many years. He passes her the papers. XM appears at the door with 2 cups of coffee, upon hearing this, is stunned.

XM tosses and turns in his bed and can't sleep. He gets up and joins his father who is drinking at the bar counter. His father asks if he can't sleep and points to his medicine, reminding him he had not taken his medicine.

XM leaves and comes back again. 'You haven't taken yours too'. His father replies that his medicine doesn't really cure the root of his problem. XM says at least it can control his blood pressure and no matter how angry or sad he is, it'll help him to live properly. His father pops the pill into his mouth and drinks a sip of the wine. XM prepares to follow suit but is stopped by his father that he shouldn't drink when he had just been discharged from hospital. But XM went ahead eating his medicine together with the wine: 'Like father, like son ...it seems that we have not sat together to drink before'. His father assures him there're plenty of chances to do so and XM advises him not to drink too much. His father asks if he is starting to control him and XM jokes that he should watch and see as he'll turn out to be more of a nag than his mother is! His father pats his shoulder contentedly.

DMS & YS drive the breakfast van to Orange Cafe. Da Xin, Alan & Yiling are amazed and praises the decor inside. DMS & YS happily announces: 'Our breakfast van!'

DMS: 'Yes, this is what YS prepared for you, so that you all won't be jobless even if yr cafe is being bought over.'

'Yeah!' Da Xin, Alan & Yiling excitedly hug each other. The 5 of them drink champagne happily to celebrate and Da Xin drives the van for a spin.

Qinghe & Mimi are dating when Mimi hurts her foot. QH helps her and they rest by the road. The breakfast van stops at the traffic light and DMS looks out, sees Qinghe and happily shouts: 'Chen Qinghe! Where are u going?'

QH: 'DMS, what are u doing here?'

DMS: 'Chen Qinghe, you still speak the same way, not answering my question! What's yr hp no?' Qinghe reads out his number and DMS says he'll call him again and waves goodbye.

Mimi looks on with envy: 'So this is who SC is thinking of- the most 'shuai', richest & most influential Senior DMS in F4?' But hasn't he forgotten everything? How can he remember you?'

QH: 'Yes, how did he rem me? He remembered everything? I've to quickly tell SC!'

QH leaves behind Mimi and runs off with Mimi limping behind.

Inside the van, YS asks who is QH and DMS replies that he's a junior in Yingde and YS asks how come he can remember him. DMS is also surprised ...

QH arrives at DM Company and looks for SC, he has to state her department and fill up some forms. Mimi arrives and ask why he didn't call SC's hp? QH quickly whips out his hp and calls SC.

QH: 'SC! I'm at yr company now! Come down quickly, I've got the world's most important thing to tell you! DMS has regained his memory!'

This is overheard by DMF's assistant who is waiting for the lift, and immediately goes upstairs to report to DMF.

SC rushes down and asks QH has DMS really regained his memory? QH says it's true and tries to tell her the whole story but keeps stammering in excitement. Mimi helps him tell SC that DMS recognised QH and even called his name so naturally.

SC happily says: 'DMS has remembered everything, what should I do?'

QH: 'Then u must ask him to break off his engagement. Since he remembered everything, u can ask the Budan princess to go home!' QH pulls SC to look for DMS.

The breakfast van stops outside DM Company and DMS thanks Da Xin for sending him to office and remember to send YS home. DMS looks at the van leaving with a moody expression.

He steps into the company and SC misses him. Luckily Mimi recognises him : 'Senior DMS!' and tells QH. QH & SC come back.

DMS: 'bao fa hu de er zi, what are u trying to do? DMS asks in amusement.

QH: 'He knows I'm 'bao fa hu de er zi, then he must have remembered everything! DMS! Then u must have plenty to tell SC!'

SC (shyly): 'Qinghe!'

DMS: 'Chen Qinghe! You are so irritating! I really have lots to tell SC.'

DMS seriously looks at the shy & happy SC: 'I must thank u for that breakfast van. YS is so happy! She hasn't been so happy for a long time! Thank you!'

Poor SC's smile slowly disappears ...

'That's it? There should be more?'

DMS grabs SC's hand: 'Oh yes, and help me thank uncle' (referring to SC's father)

QH: 'Hey, it's not right, you shd tell SC you love ...'

SC shouts at QH to stop: 'Don't say anymore! DMS still have work to do!' and asks DMS to go up first.

DMS, who is still unaware of the real situation and smiles at Shancai that he's going up first and even tells QH not to make SC angry again. QH still wants to go after DMS and SC says he had not regained his memory cos if he really remembered, he would have pushed him away long ago since he so irritating. Mimi asks SC if she wants to go back to the past?

'If I don't go back to the past, at least I still can stay beside him ... create new memories. Isn't it?' SC, full of disappointment tries to remain strong.

After sending QH & Mimi off, a moody SC goes up to the rooftop: "I'm lying if I say I don't feel any regrets, if even Qinghe remains in DMS' memories, why did he leave me out?"

SC is still feeling down when DMS appears: 'Actually, I've more to say just now.'

SC: "DMS."

DMS: "I've some feelings which I don't know who to tell. Can I tell you?"

SC: "Since you are willing to share with me, of course I'm willing to listen."

DMS: "How come I rem QH, how come I only rem him? Whenever I think of him, I can't help but think it's very funny. Was I good frens with him in the past?"

SC smiles: "Good frens? not really, QH was my high school classmate, he had always admired F4 and wants to join in, but you all keep making fun of him."

DMS: "It's a very strange feeling when I think of QH, I don't get any headaches at all. SC, let me ask you, do u all remember everything? I mean, you all didn't lose your memory. but can u rem everything? Isn't it tiring to rem every single thing?"

SC: "Actually we can't rem everything. we forget lots of things too. everyone has a limited memory. Sometimes, when u rem new things you'll forget old things. But there're some things which you can never forget even if you want to."

DMS innocently asks: "What are the things which cannot be forgotten even if you want to?" (So silly & insensitive of DMS!)

SC is silent and DMS realising he said something wrong, quickly changes the subject: "Shall we lunch together later?" SC smiles and agrees. DMS asks what she wants to eat and before she can reply, DMF's assistant appears and interrupts that DMF wishes to see DMS. DMS tells SC to think of what to eat and he'll call her later. Before he leaves, DMS smiles at SC. Full of hope, SC promises to wait for his call.

Inside the fast food restaurant

QH is still puzzled that DMS had not recovered but why did he rem him?

Mimi says she has reached a conclusion: "It must be that you, QH is a connection to DMS's past a key."

"Connection?"

"Which means that you are an impt person in DMS recovery. The key of memory! So, u are the only person who can help SC find her happiness!"

QH: "So. Heaven arranged me to stay quietly by SC's side, to help DMS find his past."

Mimi: "My dad says, a man who can find his mission and works hard to complete it, is most charming."

QH: "I must help SC find her happiness!"

Mimi: "I really envy SC. QH, you are so willing to do so much for SC."

QH holds Mimi's hand: "Mimi! Let's work hard together for SC's happiness!"

SC is feeding a dog with her lunchbox : "You must eat more, bcos I'm having lunch with DMS later."

DMS is having breakfast with DMF.

DMF: "Ah Si, I've made an appointment with a brain surgeon."

DMS: "I don't need you to bother with my problems. if I need it, I'll get YS to go with me."

DMF: "Are u getting on well with YS recently?"

DMS: "The way u ask seems that I'm not getting on well with YS?"

DMF: "I mean, you've been so close to SC recently. I'm worried YS would be suspicious."

DMS: "YS won't be so silly to think this way."

DMF: "YS may not think this way, what about SC?"

DMS: "What do u mean?"

DMF: "SC has been trying to get close to you with a motive."

DMS: "But wasn't it yr arrangement to have SC work in our company?"

DMF: "I only pitied her. But I realised her motive is not that simple - she wants to recall your memories and come between you & YS."

DMS interrupts angrily: "She's not that type of person!"

DMF: "SC is not that type of person? How much can you rem? Maybe, subconsciously, you wanted to forget the unhappy past. The incident at Barcelona, SC pushed all the responsibility to YS, making her guilty, she wants to break u both up and replace YS!"

DMS: "That's enough! I may have lost my memory, but I still have my eyes to see! The SC I know is not this type of person!"

DMS starts to leave.

DMF: "Ah Si, you must believe that the only person who would not harm you is mummy!"

DMS leaves: "I'm full! Carry on with yr meal."

Lunchtime...

SC is alone in the office, slumped on her desk, staring at her hp ... still waiting for DMS's call. Her colleagues returns from lunch. SC decides to give up and keep her hp when it rings...

SC happily takes the call: 'Hello? Oh, YS? Tonight? Ok, see u tonight, ending the call in disappointment.

Lunchtime is over. SC fills her stomach with biscuits and starts to prepare her work for the afternoon. (Can't she call DMS hp and can't he at least call to cancel the appointment or something?)

MZ secretly creeps into a room and silently goes under the warm blanket of someone sleeping on the bed and disturbs the person in deep slumber. That person wakes and peeps out under the blanket - It's Lei!

'Can u don't disturb me? I need to sleep at least 15 hours!' Lei pulls back his blanket and continues to sleep.

'Wake up!'

Lei is very impatient and close to going crazy: 'Don't disturb me!!! Don't talk to me! I want to sleep!'

MZ sees Lei sleeping again and purposely sings loudly to disturb him (It's a song from his album)

An irritated Lei throws back his blanket : 'You see, XM worked till he has gastric/stomach ulcer .. you are also working. Why so wu liao?'

'The company is the same with or without me! Anyway, I only stamp & sign everyday, everyday sign, sign, sign till I knock off from work - really boring!'

Lei start sleeping again and MZ starts singing: 'Make a wish, make a wish...'

'Don't sleep, quickly get up. It's time the four of us meet- it's a long time since we had a good chat!'

Lei is really irritated...'We can meet, you go downstairs and make the calls. Don't disturb me sleeping! And ... if u want to sing, go to the KTV to sing!' Lei cover himself with the blanket and start sleeping again.

MZ pouts: I sing live for you, still not good enough? No standard!'

(I suspect this scene was added in after MG2 was telecast to satisfy the audience's demands to see more scenes of F3? Don't really seem relevant. Maybe I'm wrong but I still like it! Can't wait to see Lei sleeping, must be very cute! I thought in the trailer, it's DMS sleeping and not Lei? Another blooper again?)

F4 meets in a pub ...

After a toast, XM says: 'It's been a long time since we met! Ah Si, you've been absent for too long!

A concerned DMS: 'Ximen, you just recovered, can u drink??
XM: 'It's ok, I already had a drink with my father 2 days ago'
A surprised MZ: 'Your father?'
XM: 'It's abit exaggerated but I feel like an orphan finding his real father'
DMS: 'If you are happy, I'm also happy for you ... but what does it mean by an orphan finding his real father?'
XM explains: 'I've always had a bad relationship with my father. But this time when I was hospitalised, it actually improved our relationship!'
MZ: 'Ah Si, although we can accept the present you, but it's better that you quickly recall your memory, so you can understand what we are talking about.'
DMS: 'Speaking of this, I had a strange encounter today - I met Chen Qinghe'
MZ: 'What's so strange about seeing QH?'
DMS: 'The problem is when I saw him, I immediately recognised him as QH and even called out his name.'
XM: 'That's a little strange.'
MZ: 'That's good news! You are on your way to recovery!'
XM to MZ: 'What about you, where's your good news?'
MZ: 'What good news?'
XM: 'I thought u went match-making ?'
XM sees MZ's helpless look : 'Too ugly, too stupid or too cute? So u can't handle her?'
MZ: 'She's not stupid or ugly or cute, but I can't seem to click'
DMS: 'Then why don't u reject her directly?'
MZ: 'I did! I used all methods - she's a 'vase' but is always purposely going against me!'
XM: 'I think you can't bear to use your nastiest method.'
XM's words are very effective, MZ whips out his hp and calls her.
DMS: 'Would she come?'
XM says confidently: 'Last time, whenever we asked, no girls ever rejected us'
MZ continues: 'Only your Princess YS is the most da4 pai2'
MZ (on the phone): 'This is MZ ... I'm now drinking with my buddies...'
XM suggests to DMS: 'Why don't we have a fiancee to fiancee, ou also ask your YS to come?'
DMS also takes out his hp and smiles shyly at Lei who is staring at him.

YS is having dinner with SC.
YS (surprised): How come u have such a good appetite today?
SC: B'cos I missed lunch today!
YS: Why?
SC: B'cos...
YS hp starts ringing: 'Brave YS! Brave YS! Brave YS'
An embarrassed YS picks up the call: I'm having dinner with SC, I'm not free. Bye!
SC: That's a cute ringtone!
YS immediately change her ringtone.
SC asks her why and YS replies: I've wanted to change the ringtone long ago! This ringtone is so embarrassing! You haven't told me why u went without lunch today?
SC: Too busy ... forgot to eat. SC gives a weak excuse.
YS doesn't think much and nods.
SC: Where are u going later?
YS: I want to buy a few books to read before bedtime
SC: Ok, after this, we'll go to the bookshop
The two girls eat happily.

DMS looks at his hp unhappily.
XM: How? She can't make it?
DMS: Yes, she's with SC - Everytime they're together, I seem to be redundant!

F3 gives disbelieving looks.

MZ: With SC?

DMS: Why? Is it very strange? SC is her good friend.

MZ: It's not strange, but their relationship ...

DMS: Oh yes, I've something to ask the 3 of you, when SC wanted to work in my company, you all objected, why?

XM: It's not that we object...

MZ: We're just worried SC might be hurt but SC is indeed za cao, she can actually make friends with you all over again iK and YS. If it happened to us, we would have escaped.

So SC has a motive for working in our company? DMS affected by what his mother said concludes.

Lei (seriously): 'Motive' is too strong a word to use on SC! It should be that, SC is very brave, she used another method to continue loving you.

XM (with a loving expression): SC really silly & cute

However DMS has used the method his mother brainwashed him to misinterpret and starts to misunderstand SC...

(oh no... I can sense more heartbreaking moments for poor SC)

Qiao: Sorry, I'm late!

XM stands up and exclaims: Yin * Qiao! (sorry can't read her full name)

DMS & Lei politely stands up too and XM introduces: Jundi Construction/Real Estate's CEO's daughter.

MZ (with a sullen expression): They're my close buddies. As for how close, when they fall into the sea with you, I'll rescue them first, not you!

Qiao doesn't seem to mind and smiles: It's ok, I can swim!

MZ unhappily introduces his buddies:

'DMS - DM family 3rd generation Successor'

DMS walks up to Qiao and politely shake hands with her and says amusingly: I know how to swim too. Qiao smiles back.

'Huaze Lei - Huaze Property/Insurance Successor'

Qiao smiles at Lei: 'Hi, I guess you are a swimmer too?'

Lei (smiling): 'If we fall into the sea, he only needs to take care of himself, we don't need him to rescue us.

'Xi Men - the future President of Xi Men Corp'

Qiao: Hi, earlier I represented my father to attend your celebration dinner.

Everyone sits down and DMS asks Qiao what she wants.

Instead, Qiao takes MZ's glass and offers a toast to everyone.

F3 politely drinks up.

MZ: Don't be too happy, we were only betting just now to see whose girl is the most obedient and comes here immediately. Since you are so obedient, I should give you a gift! MZ then kisses her!

Episode 23

note: there are some translator's comments along the summary

YS is chatting and eating with SC.

In the bookshop/library, SC sees a book on amnesia. After flipping thru, she puts it back.

Later YS buys it as a gift for DMS. YS takes a book on the places of interest in the world- SC flips to the tower she & DMS saw in Spain. SC says she did not take any photos when she was there, she'll take more photos if there's another chance! YS asks her about she & DMS in Barcelona but SC is reluctant to elaborate. YS tells her she saw the meteor ring and asks her about it. SC says

that in Barcelona, DMS asks her to wait for him at the church while he went to buy the meteor ring. SC smiles and says DMS used to scold her stupid (ben dan)

When she returns home, YS asks DMS to say 'stupid, pick up the phone! (ben dan jie dian hua)' and records this down. DMS thinks that she wants to change her ringtone.

The next afternoon, SC receives a parcel from YS which she says they're now playing 'exchanging each other's hps game.' Coincidentally, DMS & SC have lunch together. After the meal, at the lift SC's hp rings: 'ben dan jie dian hua'. DMS is stuned but the lift door has alrdy closed. QH asks DMS out and tells him lots of what happened at Ying De!

Here it is - what we wants to see but didn't see for 20+ episodes ...

DMS slowly recalls some things: the angry look of SC when he cut SC's new sports shoes, the cute look of SC when she anyhow banged the piano keys at his birthday party, how he receives the birthday biscuits SC made for him!

Unfortunately, he also thinks of how YS treats him and what DMF said!!! and thinks that SC really has a motive in breaking YS & him up! DMS is very angry at QH and leaves! QH & Mimi decide to carry out 'Plan B' - which is the swimming pool part (next episode).

DMS goes to see a brain surgeon who tells him that DMS' blood clot is vanishing or something. (Synopsis says melting but blood clot melting? whatever, anyway it means a good thing lah, maybe the blood clot is responsible for his loss of memory, I'm not sure cos I was busy forwarding YS & his scenes in Barcelona)

ok - another much awaited part:

DMS goes back to Yingde, and passes by the road he and SC walked tog before, that staircase (where he nearly 'molested' her), the lockers and the rooftop!!!
But he doesn't rem everything...

YS & Sha-ge are watching the stars and YS is saying 'Brave YS, I want to travel!' to the sky. DMS comes in and agrees, YS say no and DMS asks why. YS replies that DMS has not recovered and why does he want to go travelling suddenly? DMS replies that he dislikes other ppl to disturb them! YS promises him that once he finish reading what she's giving him, they'll go! DMS agrees. In the room, YS takes out the wrapped present (the book). DMS agrees that once he finish reading, they'll go travelling! BUT when he opens the present and discovers it's a book on amnesia, he's VERY ANGRY and bangs/kicks the table (very fierce expression, we've seen this in prev xin yuan trailers before)

YS pulls DMS ... DMS asks if she wants to wait for his memories to return and return him to SC? and tells her that even if he regains his memories, he won't love her anymore !!! This wld only make him hate SC! YS looks at him and DMS says pls don't make him hate her too!!! (another misleading dialogue of xin yuan!) DMS leaves angrily.

Not sure why they didn't include the part on DMS saying unkind things to SC ... perhaps it was really too painful and too much heartache to type it
But I heard he said something like he won't like her, he likes YS and SC said something like she doesn't want a DMS like this etc ...

Episode 24

SC is carrying her backpack and leaving her house. QH picks her up: "SC!"
Mimi says hello to her: SC xue-jie!

SC: QH, Mimi, why ask me out so suddenly? I can't find my swimsuit which I chucked away last summer, so I had to borrow my mum.

"SC xue-jie, you didn't go swimming the whole summer?"

SC: "That's right."

QH: "SC is busy all summer looking for DMS' memories, where got the time for swimming?"

SC tried to force a smile: "That's right."

"I'm going swimming today, I must make full use of the end of this summer."

The three of them happily go to the pool.

DMS & YS are alrdy waiting by the pool.

YS: "Why isn't SC here yet?"

DMS: "If I'm her, I wouldn't come."

YS: "Why?"

DMS refuses to answer.

"DMS!" QH & Mimi appear. An embarrassed SC then follows behind, with her head down, walking to QH & Mimi's side. Unable to smile, she nods at YS & looks fearfully at DMS.

YS pulls DMS to say hello to SC. "Hi, SC", DMS woodenly says.

"Hi, DMS", an equally wooden & embarrassed SC says.

"Hi, DMS"

"Hi, DMS xue-zhang!"

"Hi, Princess Ye Sha!"

QH & Mimi join in the fun.

An irritated DMS interrupts them: "Have u had two enough of hi-ing?"

Silence, DMS takes the lead into the changing room.

YS & SC follows behind and YS explains to SC: "He's like that when there're too many people."

SC: "I know"

YS: "Yes yes, u know."

In the indoor pool, DMS wears a white bathrobe, sitting by the pool, soaking his legs.

"DMS, do u feel something familiar?" QH follows behind, starts his 'Plan B'.

"Something familiar? This pool, you and me share as story. In a luxurious cruise, we F5, SC and other Yingde classmates." QH starts talking non-stop.

"Have u said enough?" DMS unhappily stops him. "Were u also this irritating in the past?"

"yes"

DMS refuses to take QH's nonsense anymore, removes his robe and jumps into the pool.

"DMS, let's compete!" QH also removes his bathrobe, gives Mimi and follows him.

"QH xue-zhang, jia you!" Mimi excitedly cheers him on.

In the rest area, SC is resting in a chair and YS asks why isn't she swimming?

SC tells her she doesn't know how to swim. She just wants to take a walk b'cos of the good weather today.

"What happened between you & DMS?" YS probes.

"Nothing," Sc avoids the topic, takes out YS' hp and returns her.

"Did it give u trouble?" YS ask.

SC: "No, actually it's myself. I've decided to give up."

YS: "SC, you can't give up!"

DMS who dives into the pool discovered something glittering

At the bottom of the pool and dives down for a better look. The sunlight shining on the ten-dollar coin created a strong beam the action of DMS stretching his hand to pick up the coin. DMS

remembers himself driving in Barcelona and picking up the meteor ring at the same time and looking up in front to see an advancing car and the emergency brake, his car overturns.

Thinking of the car accident, DMS starts to get a headache, with a painful expression, is distracted and forgets he's at the bottom of the pool. QH swims to the other end, panting: "Don't tell me, I know DMS won again!"

"Qinghe, you were the first all the way!"

"Really? I, Chen QH won! DMS finally lost! Eh, where's DMS?"

"Oh yes, where's DMS?"

They see DMS' shadow in the middle of the pool: "Oh no, DMS has drowned!"

"DMS!"

"Help! Help!" Mimi rushes to the rest area .

Inside the rest area, SC is saying: "I even thought, maybe DMS had already recovered but you are the one he loves. Then won't my determination be too selfish to him?"

YS: "SC, hang on a while more!"

SC: "I'm really tired."

Mimi frantically runs to them: "DMS, he...he.."

SC & YS senses something is wrong and runs to the indoor pool.

"Ah Xing!"

"DMS!"

Rushing into the indoor pool, DMS is floating on the water, very still. YS immediately jumps into the pool, and pulls the unconscious DMS up.

Seeing DMS is not breathing, YS does CPR on him.

"Would DMS xue-zhang die?", A nervous Mimi asks.

YS: "Don't talk rubbish! Ah Xing, wake up quickly! Ah Xing! I don't want to see you like this! Ah Xing, wake up quickly!"

"DMS." SC, who can't swim or do CPR can only look at YS trying to revive DMS and looks about to cry.

DMS finally throws up some water and opens his eyes.

"Ah Xing!"

"DMS!" The four of them are thrilled to see DMS open his eyes. But the very next minute, DMS lost consciousness again...

Outside the operation room, YS sit slumped in a chair, looking frustrated. SC gives her a glass of water. Taking the glass of water, YS says that life is so fragile and Ah Xing is also so fragile! She may not leave first, he may be the one to go first, life can be lost within the twinkling of an eye and so can Ah Xing ?

SC: 'No, DMS? recovery ability is like a dog's ?last time I said he's like a dog, he's very angry, but then his recovery ability is really as strong as a dog's, let's pray for him, he'll be alright!'

YS passes her glass to SC, gets up from her chair and goes down on her knees to pray: 'Come, SC, let's pray for Ah Xing!?' SC agrees and follows her. YS closes her eyes: 'God, please give me another chance and also Ah Xing another chance' SC looks at the side view of YS praying?

SC stands up first, YS also stands up and SC helps her up, DMF also lends her hand ?

'He's still in emergency'

DMF angrily chides SC: 'Was it your idea? How many times must you get him in trouble before you are satisfied??'

QH: 'It was my idea ? don't blame SC'

DMF: 'Dong SC! Chen QH! If anything happens to DMS, I'll hold u both responsible!'

The light of the operation room goes off and the doctor says DMS? life is no longer in danger but he's still unconscious.

DMF asks the doctor DMS' state.

'The blood clot in your son's brain is gradually disappearing but the serious unconsciousness just now, whether it'll help or prevent the recovery of his memory, can only be confirmed when he wakes up'

DMF (to herself): 'No matter who he has in his memory, he can only have YS in his life!

In the ward, YS looks at the unconscious DMS and screams in her heart: 'Ah Xing! Wake up quickly, ok! I really have something important to tell you...'

Walking out of the ward and closing the door gently, DMF comes up behind her: 'Why don't you tell the truth?'

'You love Ah Si! You love him, yet why did u lie that you don't? Is it b'cos of SC? I used to think it was unfair to SC ...but you insist on returning Ah Si to SC ... this is also cruel to him... Its not selfish to love with courage .. It's silly to push him here and there. There may never be a tomorrow, if you don't say it out today, tomorrow might be a perpetual regret.... YS, I only have one son - don't torture him anymore! I beg u, pls cherish him...'

'Think it over properly ...' DMF leaves.

(ok, here's the much awaited part ..)

Under the warm sunlight, DMS slowly awakes...

Opening his eyes, he sees the window with sunlight streaming in. As the sunlight is too glaring, DMS closes his eyes again.

Blinking his eyes, he slowly opens his eyes and DMS remembers: Inside the warehouse, SC protects a bloody DMS from the impact of the chair ... the hotel event ... how he saved the wounded SC and applied medicine at his bed-side and told her : 'I really like you'... and kisses SC ...Outside the DM residence, the heartbreaking scene in the heavy rain, how he asked SC : 'SC ...have u ever liked me?' and SC's heartbreaking reply: 'If I liked u, I wouldn't have left ...' Bouncing the basketball at the cafe and SC's happy voice: 'DMS!' ... how he chased SC's bus ... chasing his happiness ... the night when SC was chased out of her house by her landlord and how DMS finally found her, the 10 msgs he left in her hp : 'SC, where are you? SC SC ...SC...!'

DMS stretches his hand to touch what he thinks is SC sleeping beside his bed ... when he touches her head, he realizes it's YS : 'You've woken up!'

Just then SC walks in and YS tells her happily: 'SC! Ah Xing has woken up!'

'DMS ... congrats!', SC is obviously thrilled but tries to suppress her excitement.

DMS who had already remembered everything sees SC and falls into a dilemma - the pain is written all over his face ...

YS: 'Ah Xing! Do u want to eat something?'

'No! No! All of u get out! Leave me alone!' Ah Si avoids them and uses his arms to cover his eyes...

SC & YS leaves the room.

Hearing the door shut, DMS then slowly moves his arms away, with a confused expression?

Outside the ward, YS: 'SC, I have something to tell u?'

SC: 'What is it??'

YS: 'I think some other time ...'

SC: 'ok, I guess all of us are tired ...you look very pale! Go home and have a good rest!'

YS doesn't want to and SC asks her to rest so that she'll have the strength to look after DMS and tells her DMS needs to rest too.

YS finally agree to come back later. After YS leaves, SC looks at DMS' door and stretches out her hand, holding on to the door knob. Inside the ward, DMS also walks to the door and wants to open the door, but hesitates...

In the end, SC did not turn the doorknob after all, she lets go ... she hears Ximen's voice from behind: 'Falling asleep?'

SC: 'You gave me a fright! How come you kept quiet?'

MZ: 'Hey, how can u blame us ... We were standing here for half a day! Silly, instead of opening the door, you are staring at the door daydreaming!

XM: 'I heard YS say that Ah Si has woken up? We met her at the lift.'

SC: 'Yes ... He's awake but he says to leave him alone.'

'This fellow, how much trouble must he stir up and make us worry?'

XM: 'It seems that now, we can only wait until he wishes to see visitors then we go in! MZ, let's go and buy some fruits. Lei, you wait here for him.'

Lei accompanies SC to sit at a corner, as SC sits down, he touches SC's head and sits down too.

A relieved SC says: Thanks goodness he's awake'.

Lei: 'With Ah Si's swimming skills, how could he have drowned?'

SC: 'Perhaps, he's in a bad mood recently...?'

Lei looks at SC with a questioning look but SC is reluctant to continue and with a tired look, says: How I wish I can go for a holiday!'

Lei amusingly say: 'Our hardworking SC will also ever think of taking a holiday?'

SC smiles: 'Yes, summer is ending soon ...the beach.. will soon be very empty ...'

Lei looks fondly at the exhausted and lonely SC: 'Wait for me...'. Lei gets up and walks towards a nurse standing nearby.

He returns with paper and pen and asks: 'What type of sea do u want?'

SC smiles: I want ... with lots of waves ... very slow, very gentle typo of sea!>Lei draws on the paper : 'How about the sun?'

SC: 'Best if it's the sunset type ... warm...'

Lei: 'Done' and passes the paper to SC.

SC asks him to sign on it he signs 'Hua Ze Lei' and gives to SC.

'Thanks.' SC contentedly looks at Lei's simple yet meaningful drawing of the sea at sunset.

Lei: 'Can I request something?'

SC (seems afraid that Lei would voice out his feelings and looks worried): 'What?'

Lei: 'Accompany me to eat something.'

Inside the DM residence, YS lies on Sha-ge's chest and mumbles to herself: 'Ah Si was nearly gone ... nearly gone ... I'm about to lose him ... Sha-ge, why can 't I love Ah Xing properly?'

Sha-ge: 'You ask me? I should be asking you this!'

YS lies on her bed: 'Is it b'cos I'm too sleepy ... that's why I can't think of why I can't love Ah Xing properly...'

Sha-ge looks at the tired YS fall asleep and cautiously covers her with the blanket. YS suddenly wakes up: 'What time is it? How long have I been sleeping?'

Sha-ge: 'You just fell asleep!'

YS: 'Impossible, I must have slept for a long time! If not, why am I so energetic? I want to go to the hospital!'

Sha-ge: You haven't slept yet!'

YS: 'I'm going to the hospital! I'm going now! I want to tell Ah XIng I love him!'

'...! You are very amusing!' Sha-ge looks at YS hurriedly changing and rushing out, not sure whether to be angry or amused. 'hahaha!'

F3 walk towards DMS' ward, MZ: 'The door is open!'

XM: 'Now he feels like seeing visitors?' Three of them go nearer.

Y rushes out: 'Ah Si is missing!'

Four of them start searching for the missing DMS.

Inside Po Po's house, DMS sits on a chair, looking at the coconut with the smiling face mumbling:

'She stands in front of Sheng Jia Tang (the famous bldg where he & SC visited in Spain) with a silly smile ... as silly as you .. very cute ... she smilingly glares at me ... her long flowing hair ... with a powdery fragrance ...'

'She's like the sunshine ... when she looks at the stars, her whole face brightens up....'

'That's YS ... that's SC ... I already have a SC ... when I wake up, I have another YS ... is Heaven playing a big joke on me ...?'

'Even you are laughing at me ... don't deny ... I heard it ...' and he throws away the smiling coconut.

'I don't blame you ... b'cos if I were you, I'd also laugh ...'

'Unfortunately, I'm not you ... so ... I want to cry ...'

SC arrives at the ward, seeing DMS is not in his bed, knocks on the washroom door, the nurse asks: 'Miss, looking for someone? SC: 'He ... not sure where he went to...?'

The nurse opens the washroom door, seeing nobody inside: 'I'll inform the doctor' and leaves the ward.

SC sees Ah Si's hospital clothes on the bed and sits down ... after a while, she runs out.

YS is looking for A-Si in the crowded streets ... she passes by the fruit stall and sees the coconuts, she rushes back to their old house but Ah Si is not there ... looking at the Taipei map on the wall, she anxiously thinks of where DMS would be.

On the road outside the DM residence, DMS is walking home.

'Ah Xing! Ah Xing! Ah Xing!' YS finally finds DMS and runs to him: 'Ah Xing! U stupid! You'

DMS opens his mouth to say something but is stopped by YS' sudden kiss.... (urrgggghhh ... ahhhhhhh!!! Horrible YS! Kissed him by force!)

Coincidentally, SC also comes by to look for DMS but happens to see this heartbreaking scene ... an embarrassed SC leaves...

DMS does not return YS' kiss but does not stop her. He then pushes her away: 'YS...I've something to tell you...'

YS is anxious to express herself: : 'I also got something to tell you ...!'

DMS: 'I want to say first ...' but is dumbfounded by what YS said ...

'I love u! I actually wanted to keep this forever inside my heart ... until at the pool, I was so afraid to lose you ... I realised, if you weren't by my side, I'll be better off dead!' (horrible woman! How can she snatch DMS' chance to say what he want to say?)

DMS: 'What nonsense are u talking about!'

YS: 'Yes, I'm talking nonsense! I'm crazy! I love u yet push you to someone esle and force u to love other ppl. But you said before, no mattter who you are, you'll always love me! Do u remember?'

DMS: 'I remember ... every word I said ... and what I did ... I remember ...'

YS: 'I've decided to be together with you! I won't force u to think of the past again! Never! I won't push u to someone else again! B'cos I've had enough of being jealous! I don't want to be jealous again!'

YS leans on DMS' chest: 'Whether you are DMS or Ah Xing, I want to be with you forever!'

The dark sky starts to rain ...

'I've finished whatever I want to say! What do u want to say? YS, her face full of happiness looks up at DMS and asks. (Selfish YS!!! Yeah right, of cos she had finished what she want to say! She had created enough harm with what she said.. urgghh!)

YS shields herself from the rain: 'The rain seems to be getting heavier!'

DMS: 'Let's go home.'

YS: 'This is what u wan to say?'

DMS looks confused but still fondly puts on a smile and nods his head.

A happy YS buries her head into DMS' chest but DMS is struggling inside, in such a dilemma that he looks about to cry, he looks up, facing the sky which had already cried before he had, silent and doesn't know what to do ...

A heartbroken SC runs into the crowds until she can't run anymore and stops to catch her breath.

Once she stops, she starts to think:

'YS kissing DMS...'

'At the company's lift when DMS did not stop the lift for her, his cold eyes full of hatred...?'

'At the rooftop ...the heartless look of DMS: No matter how many memories I regain ... the one I love is YS!'

SC looks at someone selling colorful balloons in one corner and the happy crowds buying balloons...

Inside her house, in her SC's room ... SC's hp is ringing ... the screen shows Lei' s name... Lei hangs up, looking very worried.

In the porch, SC gazes at the blue heart-shaped balloon in her hands. She hugs the balloon ... and slowly pulls down the string ...allowing the balloon to float up the sky slowly ... and stops at the end of the string then finally let go ... forever letting go ... DMS' happiness...

Early morning, Sha-ge sleepily walks to the kitchen, opens the fridge, pours the milk into his glass and drinks the milk while walking out, but he is frightened by the sudden noise of the juice maker...

YS: 'Morning! Sha-ge!'

Sha-ge senses her happiness and teases her: 'So early? Making breakfast? Such a surprise ...!'

'Last night ... Ah Xing must have said something to you, right?'

YS keeps him in suspense...

'I must be right ...', Sha-ge makes a kissing action & sound effects.

YS: 'No ...'

Sha-ge: There must be something! Ah Xing kissed you?'

YS: 'No, I was the one who kissed him ...I even told him I loved him! Sha-ge, I just realised that those who are really not qualified to say tomorrow, are those who don't know how to make use of today! I've decided I must cherish every single day with Ah Xing!'

Sha-ge is happy for YS and smiles. He suddenly thinks of something: 'Where's that meteor ring I gave u last time? Quick! Quick! Quick! Return it to me!'

He pulls YS into her room and finds the ring.

'I must quickly get rid of it!'

'Why?'

'You forgot I told u it's cursed ...it'll give u bad luck!'

'You're really superstitious!'

'I'd rather I'm superstitious than you get bad luck!'

'Up to you, but I must first make a call...'

Episode 25

SC & YS are bowling...

(This scene is boring and not so imp't, so I shldn't dwell too much on their dialogue - will just zoom into the more imp't part - I think nobody interested in their bowling right ?)

YS plays beautifully, SC plays badly initially until YS teaches her some tactics. Sc improves but she tells YS she still loses to her, which she is actually referring to DMS.

YS tells her she only has 25 points then continues: 'SC, I've fallen in love with Ah Xing ...'
SC: 'I know ... actually I should say... I knew it long ago ... ever since I saw u jump into the pool to save DMS ... ever since u said yr past life must be a dolphin yearning to travel but then u never left ... ever since u talked about yr homeless dog with bright eyes... i knew that you loved DMS ... it's just that I didn't dare to face the truth...?'
YS: 'SC ... why don't u scold me? You should scold me for being selfish! Scold me for not being a good friend!'
SC is rummaging thru her bag and keeps silent ...
YS: 'If u ignore me, there's nothing I can say...?'
'Love is supposed to be selfish...!' SC finally finds a plaster and says. YS quickly helps her to put the plaster on her finger.
'Actually ... I don't blame u at all! I should thank u... you've already helped me alot! Between the two of us, only one of us can stay by DMS' side ... that person is not me ... it's you!'
YS: 'SC ... you are improving! So is Ah Xing! When he regains his memories, he's sure to love u all over again...!'(Arrrggh! Witch! Since she had decided to grab DMS- why is she still acting so noble here?)
SC: 'YS, are u afraid when that day comes?'
YS: 'Yes, I'm afraid...?'
'Then ... do u want to keep waiting for this day to come?'
Both girls can't smile at all...

Just like last time ...

'Still the same old rule?? YS breaks the silence and asks.

'Yes?

'SC ... you must take care, u must jia you ... YS sobs ... (Hypocrite!)

'You should say it to yourself! DMS is the most difficult to handle!!! ... Hey, why am I worrying for you, you must have yr way to handle him...?SC tried her best to be strong : 'Don't cry anymore, let's not cry for each other...'

YS: 'Yes ... we must be happy for each other...'

'Just like last time, we count to 3 and turn around...?'

'The other time u didn't turn around! This time u must do it!'

'1...2...3...!' SC turns around 1st, YS also and just like a ceremony ...back to back, never turning back...

The house which SC's mother is fond of referring to as 'Sweet home of SC' ... at this very moment, is no longer having the sweet feeling ...

'I want to applaud myself for my courage ... but I know it myself ... I'm not prepared at all... I'm still not prepared to face this consequence ...so I can only escape ... escape very far away...'

SC packs a few things and leaves a note:

'Dad, Mum ... I've made a last minute decision to look for a friend at the countryside ... anyway, I've not taken a break for a long time ...can take this chance to take a break ... for a few days...'

SC leaves on the train ...

On the train, SC takes her bag and heads for the washroom; she passes by A-De (the guy who acted in Poor Rich Prince, who liked Zai)

After returning to her seat, SC discovers her wallet is missing. A-De gets up to alight from the train - SC hurriedly follows him.

She shouts at him to return her wallet and he denies. SC insists that he purposely knocked into her to steal her wallet... both are still arguing when A-Mei (the actress who acted in Tu Si Nan) rushes up and slaps A-De and asks him to go home. She also tells SC to go home!

An unhappy A-De glares at A-Mei but before he can say anything, A-Mei pushes him, ordering him to go back.

SC tries to prevent him from leaving but A-Mei stops her. A-Mei scolds her and asks hasn't she had enough by cheating his money and what more does she want?
SC says she had misunderstood her for someone else and A-Mei tells her she has sharp eyes and that all vixens (hu li jing) look like SC!
SC tells her she's not a vixen and she had not met him before!
A-Mei then pulls SC and A-De back to the shop.

At A-Mei's ice shop, 2 guys (from the Comic Kids) are in deep discussion. They ask each other who is the guy (referring to A-De) and guesses he is A-Mei's brother. Another guy arrives in a car (another one from Comic Kids), and the other 2 guys grumble why is he so late? The three guys surround A-De and asks if he is really A-Mei's brother, as they had never heard of her brother before? A-Mei comes in with SC and chases them away ... and interrogates A-De if he really stole SC's wallet? She demands he hand over the wallet and start to searches his pockets A-De keeps denying and A-Mei argues saying did he throw away the wallet and where's the money? A-de turns around to scold SC for misunderstanding him and SC scolds him back that he took her wallet ... A-de & A-mei also starts to argue about the issue...

Finally SC interrupts and stops them from arguing ...She says the most impt thing is what she should do now ... she doesn't know where she is and she doesn't have a single cent on her.

A-Mei hurries A-de to tidy up the room... A-de says it's okay, he's a man, can sleep anywhere. A-mei scolds him for acting smart and says the room is not for him but for SC!!! A-de reluctantly goes to tidy the room...

A-Mei feel guilty and gently apologizes to SC that she misunderstood her just now and SC puts on an unfortunate look. A-mei pulls her to a seat and asks for her name and apologizes for her brother stealing her wallet and invites her to stay at place before SC's friends come for her.

SC is resting in the room and is looking around when someone knocks on the door - It's A-Mei. SC opens the door and A-Mei invites her down for dinner, SC says she's not hungry and A-Mei tells her she'll leave some for her and come down later. SC forces a smile and thanks her.

A-Mei sees that the room is still not clean and chides A-de for not doing a good job, she then starts to give the room a good cleaning up. She passes a slip of paper with her address & telephone number and tells SC if her friends can't find her, can call her up. Before she leaves the room, she reminds SC to come down for dinner.

After A-Mei leaves, SC closes herself in the room and flips thru a book. Looking out of the window at a train passing by, she finally gets up and gazes out of the window then she walks over to the wall and stares at a framed map of Taiwan's railway stations. Taking the paper A-Mei gave her, she takes out her hp, scrolls down her phonebook and stops at DMS' name. She wants to dial the no but hesitates...Finally she gives up and puts down her hp, dims the lights, very irritated.

On the long expressway ... MZ drives his car and ask Qiao who is sitting behind: 'Miss, where do u want to go?'

Qiao: 'Why is your tone so strange?'

MZ: 'Aren't chauffeurs supposed to be like that?'

Qiao: 'My violin is scared of knocks, so I'm sitting behind to accompany it ... also, can I trouble u to drive slower?'

A smiling MZ slows down.

As the car passes by the sea, and Qiao exclaims: 'What beautiful scenery!'

So MZ parks the car and gentlemanly opens the car door, inviting Qiao to come out of the car.
Qiao takes a breath of the fresh ocean air: 'How comfortable!'
MZ: 'Why don't u hold a music concert here then?'
Qiao: 'No, the air is too damp here - my violin can't take it'
MZ (amused): 'You're really suitable to romance your violin!'
Qiao: 'Why?'
MZ: B'cos you're so protective of it!
Qiao smiles, looks far away and says: 'When I was young, I liked a guy. Before I could tell him, I was sent abroad by my family for further studies... later I started playing the violin ... so I'll treat the violin as him ... so everytime I play the violin... it seems like talking to him...'
'Did u look for him when u returned this time?'
Qiao smiles without saying anything.
MZ with a very serious expression asks: 'We're dating now ...aren't u afraid I'll be jealous of your violin?'
Qiao returns to the car, takes out the violin and goes back to MZ's side. She gently strokes her violin and very reluctantly, yet trying hard to smile, throws her violin to the sea!
An anxious MZ: 'What are u doing?'
Qiao: 'Now, you don't have to be jealous anymore!'.
MZ anxiously jumps into the sea to save the violin.
A worried Qiao shouts at MZ not to save the violin and come back.
MZ grabs the violin, standing in the sea dripping wet with a exasperated look: 'Do u have any sense of humour or not?'
A very amused and touched Qiao on the shore smiles

Inside the DM residence, a group of people sits at the sofa...
Ximen teases: You said before you wouldn't save Qiao if she dropped into the sea, now you've jumped into the sea to save her violin!
DMS is lost in his own thoughts...
Sha-ge: 'How about the violin? Was it drowned?'
MZ: 'No! But it's waiting to go for an operation! Lei! Do u know any expert in Taiwan who can repair violins?'
Lei: 'I know someone who can repair ... he's the only one in Taiwan who can repair ... but he's going overseas soon...'
MZ: 'Where is he? Where does he stay? This violin is Qiao's treasure! I must repair it for her!'
XM: 'Qiao had already made it clear that she wants you and not the violin - why save your rival in love?'
MZL 'Did I ask for yr opinion (wo you wen ni yi jian ma?)
XM: Ah Si! This fellow used yr famous quote!
Engrossed in his thoughts, DMS is woken up by XM's shout: 'Huh?'
YS: 'What's the matter with you?'
DMS quickly changes the subject: 'Nothing ... I'm so hungry! Why can't we have dinner yet?'
Sha-ge: 'SC is not here yet!'
DMS (unhappily): 'Why must we all be waiting for her?'
XM: Yes...SC is seldom late...
MZ: 'Did we contact her?'
YS: 'Yes, I left a msg in her hp!'
MZ calls SC's hp but it's off - he calls her house instead and SC's mother tells him SC had gone for a holiday.
DMS' back is facing the rest - stunned with a shocked and xin teng expression. Lei stares at DMS' back.

Inside the pub, MZ continues calling SC's hp. XM and Lei are drinking moodily at the bar counter.
MZ: Why wld SC suddenly go for a holiday?

Lei: Maybe tired?

MZ: What time is it, and you are already tired?

Lei: I was referring to SC?

XM: No wonder she's tired - during the day she has to deal with the heavy workload from the Empress ... after work she has to make friends with Ah Si...'

Lei: 'They can never be friends!!! Love & friendship can never go hand in hand!'

MZ also comes over to the bar counter: 'Now Ah Si has YS, with his character, it's impossible he'll turn back and love SC again...'

XM: 'Ah Si is still Ah Si! Whether he regains his memories or not, he's still the Ah Si we know!'

MZ: 'Lei, how do u think we can help SC?'

XM looks at Lei, also waiting for his answer, but Lei remains silent, in deep thought, drinking moodily.

XM: 'We won't do anything! Since SC went to hide all alone, she wouldn't want us to help...'

MZ drinks up his beer and calls for another glass.

A moody Lei continues drinking his beer but seems to have his own plans...

The train master finds SC's wallet which had dropped beside her seat and discovers a slip of paper inside.

Inside the ice shop, A-de is reading comics. A-Mei comes into the kitchen and sees that SC still had not touched her food. She calls SC in her room but SC is not there. Two girls comes into the shop but the ice is already sold out.

Someone walks into the shop. A-de, without looking up tells that person the ice is sold out. A-de is scolded by A-Mei as that person is not a customer but delivering the ice. A-Mei asks A-de where is SC and he replies maybe she had gone for a walk again. A-Mei asks why 'again'? A-de tells her that these few days she had been staying in her room and when she comes out, she goes for a walk, and SC doesn't seem to want to talk to them.

A-mei chides him for picking on SC's attitude when he was the one who stole her wallet. A-de thinks she had never contacted her friends and must be a freeloader. A-mei says she's going out to buy fruits and asks A-de to watch the stove.

SC is taking a walk nearby. A-mei sees SC looking at a bookshop and calls her. SC says she's just looking around. A-mei asks her to accompany her to buy fruits. Sc looks reluctant and A-mei pulls her along. While A-mei is bargaining with the fruit-seller, she asks SC to take her pick. She sees SC gazing at the strawberries and tells her this season's strawberries are the worst - very sour! SC says strawberries are supposed to be very sweet when they are sweet but when they're sour, they are very sour. A-Mei tells her this is not considered sour, she'll bring her to a place and she'll know what is called sour!

She brings SC to a bridge, walks to the middle of the bridge and plucks a fruit from the tree branches. She persuades SC to eat and SC hesitates. To convince SC, A-Mei takes a bite to show her it's not poisonous. SC takes a small bite and her whole face screws up. A-Mei asks her it's really sour right, sour till her tears are about to drop? She starts to tell SC: "When I was young, I was very naughty and often created trouble outside, when I reached home, my mother will beat me but I don't know why, everytime she beat me, though it was painful, I couldn't seem to cry out. My mother thought the beating was not hard enough and beat me harder but I still couldn't cry. So everytime I did something wrong and knew I would be beaten, I would first come here to eat this fruit. SC asks her why and A-mei replies the fruit make her cry with its sourness so she can act pitiful when she reached home and her mother won't beat her anymore. SC says she's really very naughty!

A-Mei sadly says: "I hope I can be naughty again but ever since my mother passed away, there's nobody who can make me naughty . I can never be naughty again. But it's still difficult for me to cry. Sometimes when I'm fed-up, I still can't cry .. so I come here to eat this .. eat until my eyes become swollen, then I feel better."

SC: "Actually your theory is very similar to a friend of mine who likes to stand upside down. He thinks by doing that, his tears won't drop."

A-Mei: "SC, you didn't call your friends or home right? If you don't wish to answer, it's all right. I just want to tell you that we are very easy-going. You are free to stay as long as you like. Anyway, once my brother is bored, he'll leave again and I'll be alone again, two bored persons are better than one."

SC smiles appreciatively at A-Mei, bites the fruit again: "It's really very sour."

They return to the shop and sees the three guys there again. An exasperated A-Mei asks them can they not come here to eat ice for one day? They replied that he (pointing to one of them) he can't sleep without eating her ice. A-mei ignores them and asks SC to put the fruits aside. SC walks into the shop, looks at someone eating ice and shouts in surprise: "Hua Ze Lei! Why are u here?"

Lei smiles: "I'm here to eat ice! SC, quick, pack your things, I've already rented a house, it's nearby!"

SC: "Ok!" and goes upstairs to pack.

A-Mei gazes at the handsome Lei: "Are you SC's boyfriend?"

"No, I'm not."

"Then are you her brother?"

"No, I'm not either."

"Do u want some ice?"

"I've already had some."

"Then, there are some more left. You haven't finished," A-Mei tries hard to chat with him and smiles at Lei devotedly.

Lei waits outside the shop for SC to come out with her luggage. Lei asks A-Mei how much is it and A-Mei says since he's SC's friend, she'll treat him.

Lei: "I never allow women to treat me."

Seeing Lei take out a wallet, SC: "My wallet!"

A-de: "This is your wallet? I told you, I didn't steal your money!"

SC: "Sorry, A-de, I misunderstood you."

Lei gives A-Mei a big note: "Keep the change!"

A-mei: "I never owe my customers!"

Lei: "You're really cute!"

SC: "A-mei, thanks for everything these few days!"

Lei helps SC with the luggage and leaves.

A stunned A-mei stares at Lei leaving and finally wakes up from her daze: "Your money!" She gives chase but falls down. One of the three guys (who has a crush on her) hurriedly helps her up but she asks him to go away.

Lei brings SC to a small lane and SC exclaims at the pretty lane. With a fond smile, Lei asks if she likes it?

SC: "You haven't told me how you found me?"

Lei takes out a piece of paper from SC's wallet, which is the drawing of the sunset beach Lei gave SC at the hospital.

"The SC I knew will scold F4 in Yingde...The SC I knew has the za cao spirit, when met with any obstacles, she'll try her best to stand up and not give up easily."

"I know she has gone to hide now but I know she's still around! I believe I'll be able to find her soon."

Looking at SC's touched and appreciative expression, Lei smiles: "Come, we'll tidy up. Let's go in."

Both of them walk towards a sweet wooden hut at the foot of the hill.

Episode 26

A-de is helping A-mei to massage her sprained ankle. A-mei struggles in pain and screams at A-de to be gentler. A-de asks if it was painful when she hurt her foot, A-mei says yes and A-de tells her it is of course painful to twist it back. A-mei tells him not to be so fierce and A-de retorts that she won't listen if he was not fierce and cites the example of SC's wallet. A-mei apologises but also says she suspected him bcos he's originally a pickpocket.

An angry A-de walks outside and after an emotional struggle, he returns with a look of determination and promises his sister that he won't do anything wrong again! He says he has seen through this world and all love is fake! Only money is real! He promises never to leave her again and stay to look after her! A-Mei looks down, listening to her brother and asks if he was really ditched by the vixen? She tells him he stole money, became a pickpocket all to satisfy her. When he got into trouble, she disappeared. A-mei is always the one to pick up the mess. She asks if he really believes such a woman would love him?

A-de admits that he knows the woman did not really love him. He's useless that's why he continued doing wrong. Sometimes he feels like dying.

He even says ever since their mother died, it was just the two of them. His death is nothing but he wouldn't forgive himself if he didn't look after A-mei properly.

A-Mei chides him if he had said enough? He owes her too much and he must pay her back! He has to use 800 years to pay her so stop talking nonsense.

This is A-mei's way of expressing her love of her brother : she stretches her feet back to her brother's thigh and A-de continues massaging her injured feet.

A-de asks if it's painful and finally A-mei behaves likes his little sister, nodding her head with a frown and biting her lips. But she screams at him to be gentler and A-de warns her nobody would want to marry such a fierce girl!

Inside the drawing room, DMS sits on the ladder, with his hand supporting his head, leaning on his thigh. He looks tired and unhappy.

YS is drawing his portrait in a corner.

The telephone rings for a while and an irritated DMS reminds YS impatiently: "Hey!"

Only then, YS puts down her drawing and picks up the phone: "Hello, this is YS."

"DMS is drawing with me. Ok. Pls hold on." YS turns back to call DMS but sees him with his eyes closes like sleeping.

YS tells the other party: "Maybe I took too long to draw! He has fallen asleep! Ok, I'll tell him, bye."

After hanging up the phone, YS disturbs DMS until he opens his eyes.

"Did u quarrel with your mother?"

"No."

"Then why do u keep ignoring her ever since u were discharged?"

"I've always had nothing much to say to her." To DMS who had recovered, this was a matter of fact.

"Actually your mother is not bad. She's quite concerned about you. You should treat her better."

YS attitude towards DMF changed bcos of what she told her at the hospital.

"You are very strange! Don't u used to hate her? How come you're helping her now!" DMS shouts unkindly.

"Do u want coffee or tea? I'll make it for you." A slightly stunned YS tries to change the subject.

DMS pulls her arm and his expression softens: "YS sorry I didnt mean it."

"It's ok! It's my fault for making u so tired when u were just discharged from hospital." A smiling YS goes to make some tea.

DMS is left alone, still in a very bad mood, he climbs down the ladder and walks about the room in an irritated manner then leaves the room in a temper.

At the countryside's supermarket, Lei is accompanying SC to buy some ingredients. Looking at the serious SC, Lei teases her that she wanted to treat them, yet she's thinking of doing the cooking personally. SC replies that it's more interesting to cook herself.

SC didn't buy much at the door, she sees an old lady lugging a basket of homegrown vegetables. SC warmly says hello to her and asks if the vegetables were all grown by her?

The old lady tells her in Taiwanese dialect that both of them are wearing nice clothes taking a walk? Lei don't really understand some of her dialect and SC quickly translates for him. Lei tells the old lady she's selling vegetables and they'll help her sell. The old lady refuses, saying that they are wearing such nice clothes. But Lei starts to sell the vegetables.

After helping the old lady to finish selling the vegetables, Lei & SC walk back to their hut. Lei stares at the \$100 bill in his hand. SC, who is carrying some vegetables, sees him looking at the note and says she's surprised the old lady would pay him. A touched and stunned Lei says this is the first time he earned some money through his own effort. SC tells him he must buy something meaningful with the money. With his usual moody look, Lei suddenly gazes at something in front.

He walks over to someone selling flowers. He picks a small bunch and the seller charges him \$100. Lei buys it and turns around and gives the flowers to SC who is looking at him: 'This is for you'.

SC thanks him, and smiles warmly as she hugs the flowers which Lei bought with the first \$100 he earned himself...

In the balcony of the wooden hut, 4 people are busy.

A-de praises SC's food which looks really yummy. SC & Lei invites the siblings for dinner inside.

The four of them sit happily around a tiny square table, eating dinner.

A-Mei says that the countryside doesn't have much interesting activities. SC disagrees and said they had a fun time today. A-Mei asks s what did they do and Lei replies they bought vegetables and did some cooking. SC corrects him: 'and buying flowers'

A-mei asks how about tomorrow and SC replies they won't be doing anything tomorrow b'cos he'll be sleeping, pointing to Lei. A puzzled A-mei says both of them are so strange. But A-de find them interesting and says prob rich people are like that. A-Mei asks how he knows he's rich? A-de asks Lei if the car parked outside is his? Lei nods. A-de exclaims that he's right The moment he sees the car he knows it's very expensive, must be a rich man's car. A-mei chides him for noticing people's car and A-de argues that he's a guy, so he would have some knowledge on cars. A-mei accuses him of targeting the car which A-de denies. Both start arguing again. SC

quickly changes the subject and asks if there's a beach nearby? A-mei says there is but have to walk a while to reach there. A-mei turns back to continue arguing with A-de again and SC quickly urges A-mei to try her soup which is very fresh - Lei also tries to make peace.

After dinner, A-de stands at the balcony frowning. A-mei helps SC, who is washing the dishes to clear the table. Looking at A-de, SC advises A-mei to trust A-de more as he's trying very hard to start a new life. A-mei looks at her brother and also at Lei beside him and asks SC if she is really dating Lei? SC asks what she means by 'really'? A-mei says they seem very close yet Lei denies he's SC's bf. SC says they are only friends, she has no bf ... she doesn't need any bf now, she only needs friends! Also looking at Lei & A-de chatting outside, SC thinks: 'Tonight, the four of us are very happy, esp A-de and me, who are trying hard to start a new life.'

After seeing A-Mei & A-de off, SC starts to water the flowers in the vase the flowers Lei gave her: 'Starting a new is not easy but I'm no longer afraid b'cos today I've got a really, really, fantastic present.'

DMS is sitting on the porch. On the table are 2 coconut. YS comes out with a bag in her hand.

YS: You still haven't finish your coconut?

DMS: You like it. Why don't you drink more?

YS: Really?

Then YS pulls the straw out of her Coconut and put it in DMS's and start drinking non stop. DMS looks at her experessionless.

YS: I accidentally drank all of it.

DMS just smiles. YS: No wonder Sha Ge says if you let things go my way all the time, I would get spoiled.

YS smiles. silence. DMS: Being able to spoil you is luck.

YS: when you went to by coconut, I found a lot of things in the house.

YS then shows some carving material in the bag. DMS ask what it is for. And YS says that it is for carving the coconut. YS starts carving happily and DMS looks at her for a while.

Lei is standing on the bridge and he hears that a man on his bike dropped the wood that is on his bike. Lei: Need help?

Man: It's OK.

Then Lei still goes and help out. Lei helps bring the book to the man's workshop. The man's place is full of wood and violin. Man: You want something to drink?

Lei: It's OK.

The man walks away. Lei looks around. SC is here too. SC: hey, there are lots of violin.

Lei: All made by hand.

SC: You mean all these are made by that man?

Lei: I only know one person in Taiwan that can made violin. He play music too. But after his shoulder is hurt, he can't play anymore and starts making violin. He says that he want to create more beautiful music.

Then the man comes with 2 glass of water. man: Here. You know my story too?

SC: Yah. Because he plays violin too.

man: really? then look around.

Lei looks at an unfinished violin. Lei: can I take a look at that?

The man hands Lei the violin and Lei looks at it. Man: about 2 more days and that violin will be done. You would be welcome to come and try it.

SC smiles. Lei: can I bring another friend here to look?

MZ and XQ are at a music shop. XQ is sitting down holding a cello. MZ walks toward her.

MZ: Is it still not OK?

XQ: There aren't much people who learn cello.

MZ: Tell me where you bought your old cello. We will book the flight tickets now and go buy it tomorrow. I don't believe that there will not be one that you like.

XQ: MZ, sometimes it is fate.

MZ: How would you know if you don't try?

MZ's cell phone rings, it is Lei.

The man in the workshop is looking at XQ's cello. MZ, XQ, SC, and Lei are waiting for an answer. Ah Mei is here too. She is looking at stuff. Then Ah Mei starts talking when the whole room is all quiet. Seeing that she is being so annoying, Lei brings her out of the room. man: can be fixed, but needs time.

XQ and MZ quickly smiles.

MZ: How long?

man: Because some material are needed. So, if I can't find it here, then I will have to find it some where else.

MZ: Then can that be fixed before the concert?

XQ: He already said he needs time. Stop asking then.

MZ: *sigh* You are not even anxious...why should I?

Then MZ walks away. SC walks to XQ. SC: I have never seen him so anxious like that before.

XQ and SC smiles. Lei is looking at the things again. Then Ah Mei comes. Ah Mei: What are you looking at?

Lei: Looking at ***(don't know what it is called)

Then the man comes out. Ah Mei: What is it?

Lei: It is for ****

The man brings a violin to Lei. man: That violin that you saw a while ago is done now. You want to try it?

Ah Mei: OK.

then Ah Mei takes the violin and pretends to play. The man walks away. All of them looks at Ah Mei. After playing around, Ah Mei gives the violin to Lei. Lei: You are really cute.

Ah Mei walks away to look at some other things. SC looks at Lei as she waits for him to play. Lei starts playing the violin. Once he started playing, he got the attention of everyone in the room. Ah mei walks over to Lei and looks at him. She is amazed. Lei is really cute at this moment!!! The man looks at Lei. Suddenly, a lowest voice can be heard. It is XQ play the cello. They are play in harmony. The music is beautiful. MZ and SC looks at XQ. MZ looks at XQ and smiles. Ah Mei still stares at Lei in amazement.

Ah De is sitting at a table waiting for the washroom. Ah De: Are you done yet?

Ah De: Can you be quicker? Say something!

Ah Mei still doesn't answer. She is in the shower. ah De: If you don't come out then I will think of a way myself...you are the one that force me.

Ah De then runs out of the house. in the washroom, Ah Mei is looking into the mirror. Ah Mei: I hate it when people say I am ugly....which part is cute?

Then Ah Mei smiles.

Out side the house. SC and XQ is planting something. XQ: Don't know how long it will take for these plants to grow up.

SC: The nex ttime you come with MZ, it will be frown up.

XQ doesn't smile anymore. XQ: Who would know something so far in the future. SC: You can MZ must add oil.

XQ: Then yours and Lei's plant must add oil too. We will come again.

SC is a little embarrassed. SC: Didn't MZ tell you? Me, MZ and Lei are good freinds.

XQ: Who cares. I just believe that one day these plants will be grown up one day.

Lei and MeiZuo are talking on the porch. Lei: You can XQ go first. SC still needs to stay here.

MZ: Why?
Lei: She still needs more time.
MZ: Then use this time wisely.
Lei: What do you mean?
MZ: You know what I mean. SC has had enough pain.
They are quiet for a few seconds. MZ: I am going now.
MZ takes their luggage to the trunk. SC: Take care
XQ: You too.
SC: Bye Bye.
MZ: Lets get on the car.
MZ turns around to look at SC and Lei. MZ: You 2 take care of each other.
SC: You too, OK?
SC: MZ, XQ is really good.
MZ: Lei is good too, you know?
SC: I am serious.
MZ: I am too....but SC, let the past go. The present is waiting for you.
MZ gets in the car. Lei walks over to the car and kind of say something to MZ and MZ drives off.

At the shop, the 3 guys are around Ah Mei again. They are trying to get her to go out. Ah Mei is looking for Ah De, but the 3 guys tells her that Ah De is out. Ah De comes to SC's and Lei's house. Ah De: SC, Lei, I want to ask a favor. A few days later will be Ah mei's birthday.
SC: Her BDay?
Ah De: You know, I haven't been around much lately. After mom dies, I practically never spend a Bday with her. I really am not a good brother. So, for this Bday, I really want to make her happy.
Lei: Then how do you want us to help you?

In Ah De and Ah Mei's house, Ah De is still sleeping. However, Ah Mei is yelling already. Ah Mei barges into the room and jumps onto Ah DE's bed and kicks and stomps on Ah De, trying to get him up. Ah Mei: Ah DE!!! Get up!
Ah DE: What's happened?
Ah Mei: Time to open the shop!
Ah De: What time is it? You tell me to get up?
Ah Mei: You are going to do all the work today. So, get up!
Ah De: myself? How about you?
Ah Mei: I have something important to do.
Ah De: What important things?
Ah Mei has already left his room and went back to her room. Insdie her room, she starts putting on make up. She untie her braids. IN the front of the shops, the 3 guys are waiting again. Ah De fixes himself a breakfast and sits down to eat. the 3 guys sit around him to ask about Ah Mei.
guy 1: What is Ah Mei's doing?
Guy 2: She have been in her room all morning.
guy 3: Is she ok?
Ah De: Yes.
guy 2+3: why are you so sure?
Ah De: becuse I was worried too. So, i went to knock on her door. She said one word to me and I then know that she is fine.
guy 1 2 3: What word?
Then Ah De talks of what happened. Ah De knocks on Ah Mei's door and Ah Mei screams, "Go!"
The 3 guys finally understand and are not worry anymore. Ah Mei comes out wearing a really weird long dress. The 4 guys look at her. Ah mei: what are you people looking at!?!
Ah Mei is sitting on one of the guys' bike. Then the 3 guys are on a bike going soemwhere. The 3 guys asks Ah Mei where she wants to go and Ah mei just yells at them. They finally comes to the

Ah Mei: where is that Lei?

SC: He is sleeping.

Ah Mei walks into the house without being invited and head straight to the stairs. SC follows behind. SC: You want me to wake him up? I will wake him up now.

Ah Mei si not listening. She walks over to Lei's bed and sit down on a chair. She pushes Lei to make him get up. Ah Mei: Wake up! Wake up!

Lei, still lying on the bed ask tiredly, "What do you want?"

Ah Mei: I have something to tell you, sit up.

Lei closes his eyes, "I am listening. Just talk."

Lei doesn't even want to bother with her. He just wants to sleep. Ah mei: For such an important thing, how can I just say like this?

Then Ah Mei pulls Lei to sit up right. The tired lei finally sits up. Lei: Say it.

Ah Mei smile: OK. Then i am going to say it now. Are you awake?

Lei: Are you going to say it or not?

Ah Mei: Then I will be straight forward. I...have decided to be your GF.

Episode 27

After hearing Ah Mei wanted to be his girlfriend, Lei continued his sleep. Then Ah Mei pulled his hands until he got up. Lei then said : Wasn't a lot of boys had crushed with Ah Mei? (There were three boys who like Ah Mei and all of them were there watching Ah Mei confessed her feeling to Lei. These three boys casted by Comic Boys). Lei then told her that he didn't like a girl who's being crushed by many people.

Ah Mei straight away yelled to those three boys and told them not to like her anymore. Then Ah Mei woke Lei again and said that nobody likes her anymore. But then Lei said again that he didn't like a girl who's not loved by anyone. Lei then finally said that actually Ah Mei is such a sweet girl but he wasn't interested in her. Ah Mei got angry and left. The three boys followed her.

After Ah Mei's gone, SC woke Lei up then reluctantly Lei got up and asked if SC also wanted to be his girlfriend. SC only said the main reason she woke him up bcos he'd gone sleep for many hours.

Ah Mei expressed her anger in the beach alone. She yelled bad things about Lei without realizing that Lei already stood behind her. Ah Mei finally noticed him and Lei asked Ah Mei three reasons why she could fall in love with him. Ah Mei said : "First, bcos Lei's sweet. Two : Lei hasn't had a girlfriend. Third : bcos he has such a beautiful hands." Lei smiled and said that Ah Mei's only fond of him, she doesn't love him.

Lei advised Ah Mei about the difference between love and like. Ah Mei then asked whether Lei loves SC, because wherever there's SC, Lei will always be there too. She also asked if Lei like SC and it's the reason he turned Ah Mei down. Lei's only silent and Ah Mei said : 'Why you keep silent and look away. The answer isn't there, but it's in your heart,' pointed to Lei's chest.

DMS asked Sha Ge to have some drink. Then he told him that he'd remembered everything. When he woke up at the hospital it felt like he'd been from a long sleep. DMS also said that he remembered his great love for SC. DMS was sad because he thought it's better for him to remember only one girl (SC or YS) than the two of them. Actually DMS really wanted to love YS but he couldn't.

Hearing that Sha Ge got tempered and said YS had given DMS lotsa sacrifice from Barcelona to Taipei. Sha Ge told DMS that YS was going to die, she could only live for another three months. YS had sacrificed a lot for him e.g her deal with DMF so SC could be near DMS, and helped DMS remember everything. Then after the swimming pool incident, YS can't stand ignoring her feeling anymore, that's why she finally stated her love. Sha Ge asked DMS to make YS happy until her dying day. DMS kept silent when Sha Ge asked him to answer his wishes. Then DMS left.

DMS went to YS in the painting room. YS stood and walked approaching him when she suddenly fell. Luckily DMS held her body and helped her. YS only said perhaps it's because she had sat for many hours. But when she tried to walk again she fell again and felt hurt. Finally DMS lifted her and took her to a room. Then he searched for YS medicins.

After taking the medecins, YS felt better. DMS asked why YS hadn't told him about her sickness. DMS wanted to take her to the best doctor. YS didn't want to, she said DMS was the best doctor. She only wanted to use her life to love DMS. Then she hugged DMS and said that she even didn't want to gave him back to SC anymore. DMS was speechless.

Then DMS walked out the room thoughtfully, and the song 'All by Myself' was playing. DMS went upstairs to the place he watched Meteor Rain with SC.

Ah De held carefully the meteor ring once he'd stolen from DMS. Then he also held his savings. He's confused about what present to give to Ah Mei. Suddenly Ah Mei called him asking him to serve some customers. Ah Mei wanted to go backstore for a moment to get some food inventory.

Instead of serving the customers, Ah De asked them to go home and said they're gonna close the store. (Perhaps Ah De already got a plan to celebrate Ah Mei's birthday). When Ah Mei went back she's surprised to see the empty room. Suddenly Lei come over and said that SC invited Ah Mei and Ah De dinner. Ah Mei rejected the offer at first but on behalf of Lei persuasion, she finally received the invitation.

At SC residents... appeared that the gang already prepared for a surprised party for Ah Mei. When Ah Mei arrived, there's also a tart cake. Then Ah De gave her a present which is a meteor ring. SC was surprised to see the ring, so did Ah Mei. Ah Mei interogated Ah De about the ring, where he got that.. at what price. Ah De was mad, he didn't like it when his own sister didn't trust him and called him a thief.

Finally SC said that Ah De had bought the ring because she accompanied him buying it. Ah Mei replied that she never ment that she didn't trust Ah De. She only didn't want Ah De became a bad person who likes to steal things. Hearing Ah Mei words, Ah De felt guilty. He grabbed the ring and wanted to throw it away. But SC took it back and placed it on Ah Mei finger.

After the party's over SC approached Ah De at the porch. She asked him where did he get the ring. Ah De got angry coz he thought SC accused him as a thief. But SC only said that she only wanted to feel certain that it wasn't her ring because it can't be found in Taipei. Her friend bought it in Barcelona and someone stole it in a small house in Taipei. (SC knew about this case because YS had told her about the robbery). SC also said that she wouldn't tell Ah Mei about the ring, beside.. that ring had changed her life, from happiness to misery. Lei overheard the conversation.

Ye Sha was painting when Sha Ge came and said that there's already someone willing to be a donor for her. YS went to the doctor accompanied by DMS. The doctor said that it's true there's a donor but there's no certainty about will it fit to YS body. YS held DMS hands and said that she

used to think about living in this world for only 3 months. But now that she had DMS, she wanted to live for 3 years, 30 years and 300 years more because she didn't wanna let go DMS. As usual, DMS only gave no response, he kept silent.

The next morning, Ah De was in the shop when he got caught by the police. He had done lots of mistakes. Ah Mei was silent staring at her ring when she was Ah De taken by the police.

Episode 28

I cant translate it very detailed, but should do for the time being.

XM, MZ and DMS are in the pub, having a drink. XM makes fun of MZ and XQ. MZ says he is not sure about XQ. An annoyed DMS asks him why he cant just ask her instead of guessing all the time. This surprised MZ to see the (old) character of DMS (the bullying). DMS asks him why he acts so surprised if it was. Didn't they all want that? MZ says they did, but it would make things complicated now. Then MZ tells them that Lei is now with SC. XM wants to make a toast for the new couple but a not very please DMS walks out.

When home, YS wants DMS to feed her her medicine. After that she wants him to kiss her. He gives her a kiss on the cheeks which disappoints YS. After DMS left the room, Sa Ge asks DMS if he has found SC yet. He tells him that it is OK to act for YS, but it is not necessary to hide the truth from SC. After hearing this, DMS thinks and runs to look for SC.

SC and Lei are strawling. SC says she misses home and they decide to return to Taipei the next day. Before they return, Lei says he wants to give SC something back. It is the Meteor Ring. SC says that the story of the ring has ended and she throws the ring away. Lei then says that things end and things start. Then Lei asks SC to come with him to Japan and kisses SC. The ring falls on DMS road... and then sees Lei kissing SC... DMS runs away.

When SC and Lei are back in the house, Mei asks them why its just the two of them. Where is that impolite guy who was looking for SC and didn't even say thank you. Lei guessed it had to be DMS.

Lei finds DMS on the hill when DMS was about to leave. SC also arrives, DMS acts as if nothing happened and says he is there just to make sure they were OK and is going away. He didn't know it would disturb them.

Lei then says he is disappointed with DMS. An annoyed DMS replies he has lost the match, he gives up. Lei replies it is still ongoing. SC says she doesn't understand what they are talking about. It is the basketball game in MGI.

When SC realises DMS regained his memories, Lei leaves quietly to leave them alone. DMS tells SC that in the hospital she was back in his memories. When he woke up he thought she was lying next to her, but it was YS. Gradually he realised that he missed SC very much. SC tells him that their story has ended. DMS pulls SC and asks her and embraces her. He ask if she is really willing to accept that. SC says it is fate. DMS doesn't understand why he has to accept fate.

SC then recalls how their relationship was started with the Meteor rain at DMS house. She wants the same stars decide for them. If they appear, they will get back together and ignore all others (YS and Lei). If they do not see a meteor star, they should give up. They kneel and look for stars.

When it is almost light, SC says that she saw their history together pass by. DMS's mother, the accident, the amnesia, YSiK they are supposed to end.

When SC stands up, DMS pulls her hand: I am not 'jin xin', because you never said "you love me". He then walks away, leaving SC in tears. With his back walking away from SC, SC says: DMS, Wo Ai Ni! DMS stops, but then continues walking away.

SC returns to the bungalow, and cries on Lei's shoulder.

SC is standing near the stairs and asks Lei to wait for her. Lei replies he has been waiting for her all the time. SC looks at the flowers Lei bought for her from his first earned money and asks herself: 'do I love Lei? Lei, he was once my dream, but dreams are perfect but love is reality and lives.'

A de being arrest by cop, they opnion Ah de did so much blunder, A Mei's friend come to SC & Lei and let them know abt Ah de, Lei ask A Mei to go to Police Office to see Ah de conditon. A Mei get angry to A de, although Ah de serious told that he wanna change his bad habit. Bcoz she really upset than se leaves, and Ah de ask Lei to accompany her. After that A mei crying bcoz her anger, and Lei give her a hug., he try to cheer her up and told that Ah de only do a little mistake and perhaps only hv to pay the bail, but A Mei don't wanna listen and go.

At nite, Ah mei come to Lei and told that she wanna borrow some money to realease Ah de from the jail and she give her resto for guarantee, but Lei don't wanna accept her resto, he just want one thing, that's the meteor ring.

DMS, XM, MZ drink at the bar, (both of them don't know that DMS regain his memory). And they chat abt visiting SC & Lei at the beach. DMS told that MZ is fool wanna be Qiao driver to fix up her chello, and MZ said that DMS now like DMS before. And MZ said that if DMS get his memory back it must be make everything more complicated, if only DMS realease SC, so Lei can be with SC and DMS with YS.

DMS go home and help YS to drink her medicine, and YS told that the 1st medicine will make her alive for 3 months, and the 2nd medicine will make her alive for 3yrs, and the 3rd she will alive for 300 yrs.

Before she sleep she ask for a kiss goodnite and she offer her lips...but DMS only kiss her cheek.(I hate this so cheapskate.....)

After that he decide to find SC at the beach.

After he kiss SC, Lei go home with SC, and he told that SC don't hv to hurry to give her answer, when they home, there is someone looking for them, SC though it wud be MZ, but Lei told that is A Si,...

DMS stand up at the field and Lei come, SC follow him,... Lei not speak to DMS yet, but SC shout for DMS,bcoz Lei not comfortable, than Lei told that they hv to speak (SC & DMS), so he must go, but DMS pull Lei's hand, and ask if Lei wanna hv play like before and Lei said that the game is not finish yet, but DMS said that it already finish, he decide to give up... And Lei told that the ball in SC hand, then Lei leave them together.

After the two of them together, SC ask if DMS really regain all his memory. And DMS told that when he got unconscious, and wake up, he tough is SC head, but is YS head, he really confused one hand is SC and the other hand is YS, but since he not see SC more and more, he really miss SC more and more and day by day he feel his love for SC is getting bigger. Then he hug SC, and he ask if they love must be ending like this? (oh God .. I can't hold my tears dropped) and what if SC willing to realease their love...(hiks..hiks..)

And then SC told that their love at the beggining seems like having a curse from God, bcoz so many obstacle, and sadness that hv to pass throu by them, and there is YS & Lei, we can't hurt they feeling too.

DMS was so angry, he scream ... why fate so cruel ... After that SC told that the meteor who make them together and mate (marriage partner) and tonite if they saw the meteor so they will be together without caring about anyone else, but if not they have to seperate, so they are waiting, on the other hand Lei and YS waiting.....the meteor not come yet even it is almost morning

SC stand up and say that they already sue with fate but GOd not at they site, what would to say, GOd not permit them to be together but, DMS still not willing to realease her. He told her that at past he really wanna give many many meteor ring to SC, but now he only could give SC this, (He take out the meteor ring that he take when SC throw it up) After he put the ring to her finger than he leaves, SC saw he left... and cry while she scream " DMS wo ai ni" but DMS just quiet and keep going (I cry so hard .. till my tears dry ..

And from far a away up there the meteor is show up, bcoz DMS is gone, and SC crying, so they both not saw that meteor SC decide to go home with Lei, and accept his love....

Episode 29

Along the corridor of DM residence, Sha-ge is in sorrow. DMS returns home and walks towards him ...and realised that Sha-ge is full of tears ... Sha-ge tearfully tells him that the hospital called to say the bone marow match failed! DMS' is stunned ... he can't seem to accept this at this very moment...

The pink & white pills are scattered on the ground, a listless YS sits on the ground and uses the pills to make the word 'death (si)'. DMS walks in, YS angrily shouts at him to go away and DMS asks what's she doing? YS replies that she's waiting for death and DMS tells her didn't she promise him she'll treasure her life? YS remains silent and ignores him. DMS grabs YS and pulls her in front of the mirror, and facing their reflections:

'Look at yourself now! Is this the YS I knew? Is this the YS who can find her way even when she is lost? Is this the YS who can find herself in others' laughter?'

YS coldly interrupts: 'This is a dying YS!'

DMS: 'Coincidentally, I'm the DMS who escaped from death! Let me tell u what is death!
Death is, when u want to do anything, yet u can't do...
Death is, when u have no more chances to wipe your tears...!
Death is, when u don't even have 3 mths...!
You'd rather give up this 3 mths and not do anything?
DMS grabs her shoulder: 'Do u know, seeing u like this , I also feel very sad!'
YS leans on DMS helplessly: 'I don't know... y did they give me hope, yet make me disappointed... why... I'm really frightened...'
'There's still me...shall we go travelling tomorrow? Let's see the world together...forget the time...forget all troubles...forget all that is meant to be forgotten...'

The next morning, DMS is having breakfast with his mother. He tells her he's going travelling with YS tomorrow. She asks when will he be back and he replies that he doesn't know. DMF says that YS' condition is not suitable for long trips...

Upon hearing this, DMS chides her that she alrdy knew about this, that's y she made the 3-mth agreement with YS, knowing she only had 3 mths to live ... DMF tells him she's doing this for his own good and doesn't he love YS? DMS tells her then she shouldn't have treated both of them this way! DMF tells him one day he'll understand her. DMS retorts that one day, she'll understand how selfish she is! DMS leaves the dining table in a huff and is about to step out of the dining room...DMF's assistant walks in and passes the cordless phone to her - a call from the Head Office. After hanging up, DMF purposely lets DMS overhear what she says: 'SC had resigned, probably she agreed to go to Japan with Hua Ze Lei'.

DMS jealousy acts up but he suppresses his feelings with much difficulty and leaves the dining room.

DMF actually gives a victorious smile as she drinks her orange-juice...

In the pub, at the bar counter...

DMS is moodily fiddling with the ash-tray. A smiling MZ and XM walks to his side, they purposely continue talking in front of DMS:

'DMS 10th birthday was celebrated in Hawaii...'

XM objects: 'Wrong! It's Disney in LA!'

MZ: 'Hawaii!'

DMS: 'I spent my 10th birthday in Taiwan...cos I hurt my leg, so I didn't go anywhere...'

XM smiles: 'I was thinking how much longer do u intend to hide from us?'

MZ: 'How can u! You didn't tell us u recovered!'

DMS: 'It wasn't on purpose, I just didn't know how to say...'

XM: 'U rem SC...?'

Upon hearing this, DMS is silent, and turns his back drinking moodily.

MZ: 'Have u told her?'

XM turns to look at DMS. DMS avoid his queston with a smile which seemed more like a crying expression and says he's going travelling with YS in 2 day's time.

MZ unhappily turns around, facing the bar counter.

'I don't know when I will be back ... how about giving me a farewell toast?' A very unhappy DMS raises his bottle, inviting both of them for a toast.

XM shouts at the moody MZ who is still silent.

After a few secs, MZ then takes his bottle and turns around, and three of them drinks up, with different feelings.

A depressed MZ grumbles that Lei has also gone back to Japan and it seems like F4 is going to disappear...

XM protests that some things will never disappear!

DMS jokes without smiling: 'Unless someone loses his memory again!'

XM and MZ smiles ... MZ tells XM he must wake him up with a beating if he ever lost his memory!
DMS blames them: 'You both are really too much, didn't give me a sound beating to wake me earlier!

The three of them are silent as the impact of his words sinks in...

XM raises his bottle and invites DMS to drink, in a very manly friendship manner. MZ is worried about how DMS would react to Lei & SC together ...

DMS has to suppress his real feelings: 'Didn't XM say that F4 would never disappear?'

At the crowded airport ...

SC's voice: 'On the day DMS & YS left ... I didn't see them off at the airport... they left ... and ended together with my most impt memories of this summer...'

3 months later...

Inside a travel agency, Mimi picks up a call: 'Hello, this is xxx Agency, pls hold on...'

Mimi calls out to someone: 'SC xue-jie, your call!'

SC, who is attending to customers, turns around and sees Mimi gesturing 3 fingers indicating the 3rd line. SC picks up the call: 'Hello, this is SC'. SC smiles: 'I also have good news for you, see u tonight.'

SC hangs up and returns to her customer. SC explains the itinerary to the customer very professionally.

QH's voice:

SC found this job in the travel agency during winter, she says she likes this job very much, she feels it is a job associated with happiness, she loves to explain the itinerary to customers everyday and plan trips. She says she has fallen in love with this job...she loves to collect bits and pieces of news from all over the world ...slowly piecing together news of DMS & YS who had lost contact.. The winter holidays are here and Mimi has also started to work there'.

After explaining and seeing the customer off, SC returns to the office, Mimi: 'Congrats, SC xue-jie, I heard you'll be bringing a tour group to Japan next month - you must be very happy!'

An embarassed SC smiles: 'I'm very happy, but I'm still nervous...'

Mimi: 'Don't worry, when u reach Japan and encounter any problems, Hua Ze Lei xue-zhang is sure to help u!'

'Surprise!', QH suddenly appears.

'QH xue-zhang!'

QH: 'SC, how come you're not surprised at all?'

SC smiles: 'QH, you come here everyday, what's there to be surprised?'

QH: 'SC, the weekend is here! I came here specially to invite both of u to dance as celebration!'

'Celebrate? Celebrate what?'

QH: 'Celebrate ... celebrate your job...celebrate...we haven't been out for a gathering for some time...We must dance till we get leg cramps today!'

SC: 'Dance till we get leg cramps? You're too exaggerated ... moreover, I can't make it today, I've made an appointment with Lei.'

QH: 'Mimi, don't tell me u can't accompany me too?'

Mimi: 'Sorry! QH xue-zhang! I've to work tonight!'

QH: 'Work again? How come u have so much work?'

Mimi: 'QH xue-zhang, sorry! My dad is recommending me to a French restaurant to learn their etiquette ... I'm really sorry!'

QH: 'Why is it like that? I came specially to find u both to celebrate!'

SC: 'QH, Mimi has her own family commitments, didn't u say u liked hardworking girls? Don't be like that, why don't inform earlier next time, so Mimi can change her shift! ok?'

In one corner of the street, a lonely QH is loitering and mumbling: 'Boring Taipei ... boring Mr Chen QH ... boring Friday...'

He picks up a call on his hp: 'Hello.... Mimi? Don't worry ... go and work...'

After hanging up, he stares at his hp phonebook, mumbling: 'DMS...missing... XM...busy working... MZ...'looking at an intimate couple passing by, he sighs and continues: 'in love...'

He finds another number and dials: 'Hello, go dancing with me tonight ok? Accompany me...'

Near the Taipei terminal, A-mei is looking around, waiting for someone... Lei walks up and taps her shoulder. A-mei turns around unhappily: 'You're so slow!'

Lei teases: 'Why are u still so cute?'. which manages to make A-mei smile sweetly.

A-mei gives him a can in her hand: 'This is 4 u!'

A puzzled Lei stares at the strange black object in the can.

Inside the VIP room of a lounge...

A-Mei stares at Lei fearfully popping the black object into his mouth to chew and anxiously asks: 'How is it? How is it?'

After chewing for a while, Lei finally smiles: 'It's nice!'

A-Mei: 'Yes! These sour melons, after seasoning and adding in yoghurt (?) and ice, it's delicious!

A-de invented this and it's now the top dish in our shop! SC is sure to love it! Eh, how about SC?'

Lei: 'She said she'll be here later'.

A-mei: 'No, I mean, how are things between both of u?'

Lei: 'Still the same'

A-mei: 'What is still the same?'

Lei's eyes b/c dull: 'Like good friends'.

An angry A-mei looks away.

Lei: 'What are u doing?'

A-mei: 'Didn't u want to bring SC to Japan? Didn't SC end her r'ship with that bad-tempered guy? Why are u both still not together?'

Lei remains silent and looks down in misery, after a long while, he slowly says: 'Actually, there's only one answer... Ah Si & SC's story has not ended...'

'What about yr story with SC?'

'Strictly speaking, my story with SC...has perhaps never started...' Lei's expression is clearly dejected.

'Don't u love SC? Don't lie to me! I'll despise u!'

Lei: 'I've never denied my feelings for SC ... ever since I knew of her existence, I've realised ...'

'Helping her get rid of obstacles, solving problems ...it's after DMS had an accident... I naturally took over this...'

Lei continues remembering the past:

'Ah Si saw SC and QH getting on well and in a fit of anger, wanted to chase SC out of Yingde. It's the 1st time I had a dispute with DMS over SC...'

'Inside Yingde, SC stands in the pond, anxiously searching for the meteor necklace thrown away by a sad DMS, after finding it, she grabs the necklace and couldn't stop crying ...'

'SC's every tear .. made me fall in love with her unconsciously ...I still love her...before this I wasn't sure of my feelings...it's just that b'cos of SC ... my heart would strangely become painful ... more and more painful ... more and more...more and more...'

'Until u reminded me...I finally realised my feelings towards her...I expressed my feelings to her...'

'I know she still loves Ah Si...but.. b'cos of SC, I'm willing to be Ah Si's shadow...but, I'm not Ah Si... Ah Si is still my buddy...moreover, after he regained his memory, he still loves SC...'

A-mei is not satisfied: 'Then why is there no news of him? Why did he leave SC all alone in Taiwan?'

Lei: 'I think ... this question ... he should be more aware than anyone else...Ah Si disappeared... is b'cos he doesn't want SC to find...'

(The scene shows DMS in a room, painfully in deep thought...)

'any reason to make her sad...'

(SC is often at the airport, staring at the tourists coming in, looking forward to her true love coming back, but her hopes are dashed everytime she leaves the airport ...SC is at home, looking at the meteor lights on her house, miserably thinking again...)

'...b'cos in their hearts... neither party is really seriously willing to end this story...'

'I've booked my air-tickets to Japan...'

'In this world...there are 2 types of misery which are the most painful..One is those who can't be with the one they love, the other type is those who can't see their loved ones get happiness...I hope u won't get this regret...'

A-mei cries sadly for Lei...

Lei: 'Hey! Didn't u say u don't like to cry?'

A-Mei:'It's all b'cos of this crying fruit!' A-Mei pushes the blame on the fruit which makes ppl cry with its sourness...

Still with tears on her face but trying to be strong, A-mei tells Lei: 'You must keep this in mind! When I've saved enough money, I'll be sure to go to Japan and go after u! Sure!'

A touched Lei gives a contented smile: 'You're really...so cute!' this makes A-mei's face screw up again.

Lei gently strokes her hair: 'Crybaby!'

Then they ask each other to eat the fruit in the can ...

Inside the disco, everyone is cheering a girl in heavy make-up, doing the 'pole-dance'. QH & his friend walks nearer the crowds and QH's friend insists that the girl is Mimi but QH refuses to believe. Both of them argue over this and get angry, QH's friend leaves him to drink alone.

An amorous customer goes around Mimi and touches her...

A frightened Mimi stops dancing immediately and rejects his advances, telling him to stop...

QH rushes up the stage and stands in front of Mimi, warning the customer to stop... The customer is much fiercer than QH and hits him, giving him a black eye! QH covers his bruised eye and squats down in pain... The customer is about to continue when Mimi begs him pathetically. The customer finally leaves... Mimi squats down beside QH to check his injury, but he does not appreciate and shouts at her to leave...

In the dressing room backstage, Mimi is crying at the dressing table. Her boss walks in and leaves a white envelope on the table, annoyed that mimi had offended the customer, glares at her and leaves the room.

Looking at the envelope containing her salary, Mimi feel sadder and continues crying. Her thick make-up smeared, Mimi carries her bag and walks out of the dressing room, she sees QH standing outside waiting for her...

'QH xue-zhang...'

'Why did u lie to me? Why? Tell me!' QH leaves in a huff...

Mimi can't stop crying and mumbles to herself: 'Sorry, QH xue-zhang...'. She leans on the wall sobbing sadly.

Walking out of the pub, QH throws down his bag in anger... his hp falls out. He picks up his hp and calls: 'SC? It's me, QH... I want to ask u something... If u discover that a very, very good fren of yours has cheated u, how wld u feel?'

The next day, Mimi opens the door to see QH standing outside, still with a bruised eye...
By a pond in the park, Mimi asks QH if his eye still hurts... QH ignores her. Mimi continues saying that QH must look down on her now ... thinking she like to lie, is materialistic and not cute at all...

QH tells her she's wrong, he still finds her cute, he likes the way she always calls him QH xue-zhang and how she always mentions her father... he thinks her father must be tall and strong and will beat up those who bully her.

Mimi says her father is indeed tall and strong and wld indeed beat up those who bully her. QH tells her so b4 going to her house, he was afraid of bumping into her father.

Mimi starts crying and tells QH she didn't mean to lie to him, she only needed money as she needs to pay school fees soon. QH tells her not to be sad and Mimi replies she's not sad, but happy that QH is still willing to look for her.

QH quotes what SC said that if a friend lies to him or hides something from him, she must have her difficulties.. so he tells Mimi if he has any problems, she shld tell him as they're friends.

Mimi is touched and cries even harder, thanking QH. QH tells her friends should be like that... Mimi tells him to her, friends have a diferent meaning...cos she has no friends... from young, she has been others' laughing stock.. so she tries all means to get into Yingde cos she wants those who look down on her to respect her! So, even though she can't pay the school fees, she still wants to study at Yingde! In her world, friends are mercenary, b'cos u r poor, you'll have no friends, b'cos u r an illegitimate child, so everyone looks down on u!

She says her father is neither tall nor strong, not to mention beat up those who bully her... cos she has no father! Cos she's a illegitimate child! Mimi sobs sadly. She continues saying that she didn't lie to him purposely, she made herself believe that, she has a tall and strong father who would stand up for her when she is bullied... a father who would wait for her at the door before 10 pm. She stands up, bows apologetically and keeps saying sorry. QH also stands up and wipes away the tears on her face. He says having a father is no big deal, she has QH xue-zhang! No doubt, QH xue-zhang is not tall or strong, but when she is bullied, he can still ... run away with her! Then he makes Mimi repeat that she has QH xue-zhang who would protect her!

MZ is standing by his car with an umbralla waiting ...

Qiao comes up, smiling sweetly: 'Hi, waited long?' and prepares to get into the front passenger seat as usual.

MZ: 'Are u sure u want to sit here? Aren't u afraid yr ex-bf might be angry?'

Qiao doesn't understand and MZ opens the door of the backseat. Upon seeing her precious violin lying there, safe and sound, a delighted Qiao opens the violin case and strokes her violin, feeling very touched.

MZ tells her he pesters the violin master by calling him everyday, he must be so irritated! Standing in front of MZ, Qiao takes the initiative to hug him and kisses him... MZ is even more delighted and says guys shd take the initiative in this type of thing - he holds Qiao and they kiss passionately...

At the beach, Lei is looking faraway sadly... He turns around and sees a smiling XM approaching with beer. Bith of them sit looking out at the sea...

Lei: 'Tomorrow...'

XM: 'I know...don't have to see u off...'

Lei responds with an appreciative smile...

'You're different from A-Si - he can't keep anything to himself, but u keep everything to yrself but both of u are my most impt buddies! He has left, now u r leaving too, but I believe, both of u will

be back one day! It's not b'cos Taipei is good, it's b'cos Taipei is home...everyone must go home one day ...'

'When u r back, I can pick u up right?'

Lei gives him an 'of-course' smile.

Lei asks him to tell MZ as he's busy in love. They hear MZ's voice from behind: 'I'd still come and drink with u no matter how busy I am...' and opens a bottle of beer. The three of them drink up.

Lei: 'Tomorrow...'

MZ: 'I know ...don't have to see u off..'

The three of them smile at the chemistry between them.

SC receives an msg...

Lei's voice: Tomorrow, a snail would be returning to Japan ... I later realised, I'm actually a snail ... and is fated to be only friends with another snail...there's something I can never give u... it's happiness.

Scenes of their past memories...

Episode 30

A registered letter arrives for Sha-ge, from YS.

'Hi, Sha-ge, this is YS, Prague's winter is full of hope... actually I've long ago discovered DMS had regained his memory... and his deep love for SC... but I didn't dare to face the truth...so I accepted DMS friendship to tour the world.

Actually, I'm not brave at all...I'm afraid of losing...so I drew all the backviews, so that everything is within my sight...

DMS accompanied me from city to city... I've straightened out my thoughts! God arranged me to appear in DMS & SC's story, in order for me to learn from SC's courage and strength...

I thought of my father and countrymen...they are praying for me at the beach everyday...I have the encouragement of you, Ah Si & SC...I want to go on living!

By the time u receive this letter, pls don't feel sad for me...b'cos I've returned to Budan... b'cos my faith moved God...the bone marrow match was a success!

I can only entrust DMS & SC's happiness to u! I once loved someone called Ah Xing, a guy who lost his way...now I'm good friends with Ah Si who has always been devoted to SC...

Only DMS, who possess Ah Xing's sincerity towards life as well as Ah Si's courage towards love can give SC's real happiness...

Sha-ge, I'm leaving u my back-view...don't be sad...b'cos on the same day next yr, Sha-ge and YS will be drinking red wine in the vineyard in Barcelona...'

Sha-ge who had finished reading the letter, shouts at the sky in appreciation: Thanks, Jesus! Thanks, Allah! Thanks Buddha! Thanks! Thanks!

Qiao is holding her 1st music concert... On the stage she's playing the violin gracefully...

QH, Mimi, Qiao's mother, MZ's mother, MZ and XM are sitting together in the audience, listening...

MZ fondly gazes at Qiao recalls:

'Who's that girl in black over there? I've never seen her before...'

At XM's celebration dinner, 1st time he saw Qiao, after hearing XM's intro, MZ's cold attitude:

'Another brainless expensive vase!'

In the pub, in front of F3, kisses Qiao by force, Qiao slaps him: 'Just now was for yr face, this slap now, is for my face!'

Qiao threw her beloved violin into the sea b'cos he joked about his jealousy, how he jumped into the sea to save the violin while she anxiously shouted at him to come back.

Few days ago, at the street, Qiao's kiss, his delighted voice: 'Don't u know, guys shd take the initiative in this type of thing?', their passionate kiss...'

The graceful violin music stops and there's a round of thunderous applause...

Qiao takes her violin and stands up with a polite smile: 'Thanks everyone. Before the encore, I would like to tell everyone a story: When I was very young, I fell in love with a boy...' MZ expression is full of jealousy.

'But I've never had the chance to tell him...b4 I went abroad to study... I started using all my thoughts of him to play the violin...but after I returned from overseas, I realised he had forgotten me...'

'Now I'm going to play a tune for him, to thank him for inspiring my enthusiasm towards love & music...this is his favourite tune...' Qiao returns to her chair and prepares her violin.

MZ can no longer contain his jealousy and awkwardly stands up, walks to the aisle, towards the exit.

To his surprise, the music he hears is the song of 'Doraemon'!

Stunned, he stops and turns back, looking at Qiao on the stage and smiles, feeling very touched...

Qiao playing the violin, also looks at MZ, smiling gently.

Rooted to the ground, a happy MZ is so touched that he's on the verge of crying... Qiao finishes the 'Doraemon' tune.

A round of applause and Qiao stands up to thanks everyone.

MZ recalls their 1st meeting at the restaurant and Qiao's mother asks what tune he wants to hear, so Qiao would play for him and his mischievous reply: 'The world famous tune-Doraemon'.

MZ is touched that Qiao would remember this small detail so seriously and fixes his gaze at Qiao.

Everyone stands up to applaud Qiao...

After the concert, Qiao walks out from backstage and walks towards MZ.

MZ: 'You used to tie two ponytails and wear a pair of huge glasses...'

Qiao smiles: 'That's why u never noticed my presence...'

MZ: 'Falling in love at 12 years old? Aren't u too matured?'

Qiao: 'Not really, I really started to like u from then...but u really forgot about me...'

MZ: 'So u played a trick on me, as revenge for making u wait from 12 yrs old until now...' MZ smiles upon realising the truth...

'So what r u still waiting for now?' Qiao hints...

MZ doesn't seem to understand and Qiao enlightens him:

'You said before...guys shd take the initiative in some things...'

MZ gets the hint and smiles, he stands up and pulls Qiao up and hugs her tightly and they kiss...after a long while, their lips part and they hug each other in happiness.

At the Taipei airport, DMS dressed casually carrying a small backpack walks out.

At night, DMS walks to the entrance of DM residence, and enters the house rather moodily. He makes his way to the drawing room, walks up to the drawing board which is covered with a white cloth and pulls down the cloth. Under the cloth is a drawing which YS secretly did - the backview of herself... DMS stares at the drawing and seems to see the real YS's back facing, then turning around to smile at him. After looking for a while, DMS leaves his chair, takes up a penknife and cuts the drawing from the board. Squatting on the floor, DMS carefully rolls up the drawing.

A pair of feet in high heels walks into the room. It is DMF. She tells DMS she heard some noises and knows he's back. DMS continues rolling the drawing and does not answer her. DMF claims she's been waiting for his return. DMS coldly replies he only came back to get something, without

even looking up. DMF says DM Company is still waiting for his succession...DMS tells her to save it for herself as he's not interested...

DMS stands up, looks at his mother: 'I won't be coming back again, I came back today, I must find my decision.'

DMF requests him to stay by her side...

'In the world u control, there's no love... there's only authority...profits...and yrself...u made use of another person's life and yr son's happiness..u don't even care about the life and death of yr son...if this is the case, u can treat me as dead!'

An angry DMF slaps DMS...

DMS turns round and coldly smiles: 'Take care' and leaves the room.

DMF calls him repeatedly and hurriedly goes after him: 'Fine! U can throw tantrums all u like, after u had enough tantrums, you'll be back by Mummy's side!'

'You're right, I haven't had enough tantrums - someone like u who hasn't lost before would never know, the more u fall, the lesser pain you'll feel...' DMS leaves without even turning his head..

DMF seems to be consoling herself: 'Ah Si! You'll be back! You're Mummy's son...you'll be back...'

After leaving DM residence, DMS arrives at his old house, slowly walking and reminiscing...

Sha-ge comes back, sees DMS and calls him in surprise: 'Ah Xing!'

Patting him on the shoulder, Sha-ge leads DMS to the room upstairs...

DMS slowly walks up the stairs, into the small room which he stayed for quite a while when he lost his memory.

Holding a glass of red wine, DMS looks around the room, at the map of Taiwan still on the wall...

He walks near Sha-ge who is also drinking red wine and asks how did he manage to make the room so messy when he's living alone?

Sha-ge laughs and says he's busy cooking, making friends and having fun...occasionally holding hands...very busy!

DMS laughs at this and says he's still the same.

Sha-ge: 'Do u think u made yrself like a homeless man (liu lang han), that is considered change? Do u think u hid yrself and not contact us, is considered change?'

DMS: 'I didn't hide! After travelling all over the world with YS, I realised this kind of life is more fulfilling! Also very innocent! When I'm hungry, I work... when I'm tired, just find a place to rest...when I'm lonely, I make friends, just like u...'

Sha-ge hints: 'but not holding any hands...'

DMS doesn't get the hint: 'Hold hands? I did hold a kid's hand to cross the road...'

Sha-ge is tickled by DMS' innocence: 'Since u like travelling so much, can u do me a favour?'

He looks around and finds a jewellery box, takes out the man's meteor ring inside: Very long ago, I've wanted to find some place, dig a very deep hole and bury it...but I was afraid I would not bury it deep enough and get whoever who finds it cursed...maybe one day when u are at the Pacific Ocean, throw it away in the deepest area!'

He passes the ring to DMS.

With slightly trembling hands, DMS takes the ring, he seems about to cry...

Sha-ge faces DMS whose expression is really solemn and sad: 'I've finally returned u the ring! U can decide whether to throw it or not! Before throwing it away, be it fortune or misfortune, will depend on yr fate! When are u leaving?'

DMS: 'Perhaps 1-2 days'

Sha-ge: 'Promise Sha-ge, before leaving, have another drink with me!'

DMS smiles and they chat and drink happily in the balcony.

Near Taipei's New York New York's shopping mall...

DMS faces a table full of food.

DMS exclaims to Sha-ge that the 2 of them can't finish so much food!

Sha-ge: 'Who says there's only 2 of us?'

'Hi!!!', a smiling F3 walks in.

MZ who is the first to walk in, walks up to a delighted DMS and slaps his chest lightly.

XM: 'The moment Sha-ge called us, we immediately called Lei back! We spent a total of 3 hrs 40 mins!'

Sha-ge: 'How is it possible? U flew?'

'You're right! We really used a helicopter to fetch lei back!'

Lei teases: 'But... MZ's flying skills is really poor!'

'You! Call yrself our buddy! No news at all, forget it if u don't contact us. U came back secretly and didn't tell us and even thinking of leaving secretly!'

'What shall we do with him?'

Lei suggests: 'Punch him!'

DMS: 'Who do u think I am, letting u all punch me as u like?'

XM: 'Then who do u think we are, if we don't punch u just b'cos u said so?'

MZ: 'Punch!'

MZ takes the lead to punch DMS' chest lightly, followed by XM who prepares to punch his stomach, DMS retracts his stomach but in the end, XM only gives him a tiny slap. Lei starts to give DMS a heavy punch on his face, but when his punch is 3 cm away from DMS' face, Lei stops and laughs. The five of them toasts for DMS return and Lei says: 'Also for tomorrow's departure'.

'For F4!'

Five of them toasts and happily chats, everyone is listening to DMS' travel experiences, eating and drinking to their hearts' content.

Lei is sitting alone outside the house, with the usual moody expression. DMS, with a can of beer walks out to join him asking why is he alone there?

Lei replies to breathe some fresh air and asks if F2 are drunk? DMS said they should be...

DMS pauses for a while and finally asks: 'Did u come back alone? Then...' he stops, unable to continue...

Lei: 'Are u trying to ask about SC? She's going to Japan tomorrow.'

DMS: 'You just came back and yet she's going to Japan? Wait a minute, aren't u both together? Why is she still so miserable? Why didn't u take good care of her?'

DMS tries to suppress his emotions yet still in an agitated tone: 'Didn't she suffer enough? Why can't u let her be happy?'

Lei: 'WHY are u so worked up?'

Lei's words hits DMS like a pail of cold water and he's at a loss for words.

Lei: 'Why are u so worked up when u mention SC? Aren't u leaving tomorrow? Then what is SC's happiness got to do with u?'

DMS is tongue-tied.

Lei: SC's happiness ... all along, only one person can give her...'

DMS suddenly blurts out emotionally: 'So? This is the choice of fate!'

Lei gives DMS a heavy punch. DMS is stunned and looks wide-eyed at Lei.

'Feeling indignant? Want to hit me back? That day I punched u, yet u don't even have the courage to retaliate!'

Lei takes out a envelope from his pocket and gives DMS: 'Now, fate is in yr hands, whether u want have any courage to retaliate, it's up to you! If u have no courage, u can throw it away!'

Lei walks to the door.

Holding the envelope, DMS turns round and shouts at him: 'Lei, what should I say...?'

Lei: 'U don't have to say anything, just be good to SC'.

DMS gives him an appreciative smile.

In SC's house in the early morning, noisy voices can be heard...

SC's parents are arguing over the alarm clock which didn't ring... SC's mother is blaming her husband for accidentally knocking the clock in his sleep, which she set at 5.30 am which he

denies. Both of them argue from the bedroom to the living room. SC's mother warns her husband that today's SC's 1st time leading a tour to Japan and if she overslept b'cos of him, he'll be in trouble!

She walks to SC's room and calls her repeatedly... when she enters the room, it's empty and the bed is neatly made.

SC's father is still not awake and thinks she didn't come back last night. His wife scolds him for being a muddle-head and reminds him they helped SC to pack last night!

They see a note on SC's table.

Dad & Mum, I can't bear to wake u both up. I've set off...

How strange, I've started to miss home, actually I'm only going to Japan for 5 days...Don't worry, I'll leave happily and return safe and sound, so Mum, pls don't be dramatic again!

Dad & Mum, I've always wanted to tell u, I'm happy to have both of u as my parents! Though we're very poor, but yr humour and warmth, really makes my life very happy... Though I'm only a za cao, a small za cao, but a strong one! So I must thank Dad & Mum for giving birth to me...thank you!

After reading the letter, SC's parents are crying with contented smiles on their face... They're happy that their daughter has really grown up and they should be more matured too. SC's mother unhappily chides her husband for dirtying her sleeve with his tears and reminds him to use his own sleeves next time! Her husband replies that a man's tears are the most precious so he's giving his as a gift for her! They continue squabbling until someone rings the doorbell...

At the airport, SC is busy distributing air-tickets to her tour members.

DMS, with his backpack is on the street rushing to the airport...

The scene of goes back to what SC's mother said to him:

'I won't be so stupid as to tell u where SC is! I won't be so stupid as to let u harm our daughter again! I won't be so stupid as to tell u our daughter is at the airport now, preparing to board the 9.40 am flight to Japan! I warn u! You must treat our SC well this time! If not, I won't let u off!'

DMS continues running, rushing towards the airport's direction...

DMS rushes into a waiting taxi on the road, another customer protests : Mister, I called for the cab!'

After sitting, DMS moves to close the door with a smiling face: 'Did I ask for yr opinion?'

At the airport, SC receives a call on her hp: 'This is SC, what? Xiao Du has appendicitis? Want me to replace her? Yes, I've been to Barcelona... but what about my tour group now...?'

DMS rushes into the airport, takes out his passport and air-ticket and hurriedly makes his way among the crowds.

A lady appears in front of SC: 'I'm here to replace u, this is yr air-ticket to Barcelona, it'll take off soon'

SC instructs: 'I'll entrust this group to u! 9.40 am flight...2 members are in the restroom, will be back soon.'

'Ok! You'll have to hurry! Yr flight is taking off soon!'

SC rushes to board the plane.

DMS hurries thru the crowds to the check-in counter. He places his passport and ticket on the counter: 'Sorry, am I late. This is my passport and ticket.'

The counter staff proceeds to do the check-in for DMS, he looks around and asks if there's any tour groups on this flight.

The staff replies there is, there are many tour groups everyday, passes him his passport and ticket and reminds DMS it's Gate 1 and the flight is taking off at 9.40 am...

Scenes of the streets of Barcelona... In the taxi, SC is looking around, the taxi passes by the Sheng Jia Tang and she reminisces:

(Replay of the scene in Episode 1 when DMS & SC first arrived at Barcelona and SC is bowled over by the famous Sheng Jia Tang and DMS argues with her...)

As SC comes back to reality, she thinks: 'Are memories sweet? Or miserable? It's like a test for me... no matter where DMS is, the memories are with me, I can't run away from it and nobody can take it away either...'

Stepping into the hotel room, SC looks around at what used to be so familiar to her and recalls the scene in Episode 1 where she was admiring the night scenery in the hotel balcony on the 1st night and DMS came from behind to hug her and they were smiling so happily...

Waking up from her memories to reality, SC tries to cheer up and makes a call: 'Hi, I'm the tour guide, SC...'

The next morning, SC uses a loudspeaker and requests her tour members to board the coach...and starts do the head-count. 2 members are missing and SC goes down to look for them. A balloon-seller walks towards SC and she shakes her hand to reject.

She looks up to see sky full of lovely pink balloons.

SC reminisces again:

Replay of the scene in Episode 1:

'Miss SC, I'm handing my happiness to u...!' DMS bows to SC like a gentleman...SC stretches out her hand to hold the balloon but misses it and both of them look at the balloon flying away in disappointment.

SC realises the balloons in the sky are all emerging from somewhere in front and she looks across and sees a kid with his hands full of pink balloons, slowly releasing them into the sky...

Someone shouts at SC that the 2 members are back and SC quickly returns to the coach.

At the next tourist spot, SC introduces the next place of interest very professionally to her tour group. She asks them to gather at the spring water spot at 5 pm. One of them asks her if it's true that if one drinks the spring water, he'll return to Barcelona again? SC replies that she's not sure but tells them she drank the water before and now she's back.... The tourist says then he must drink a full tank later, inviting laughter from the whole group!

With the background music Yo Te Amo, SC alights and strolls alone in the Barcelona streets, she passes by a mall and all the pigeons fly away. She sees a wooden pail and seems to see what happened a few months back, DMS, smartly dressed, bending down to drink the spring water.

"Perhaps it was really the spring water which made me return to Barcelona." SC touches the meteor ring on her finger.

"Then, what about DMS...? DMS, can u hear me? I'm here."

At Spain's annual event, on the fields of the bullfight competition.

A smiling SC, carrying a V8 video cam shoots the crowded scene of the bullfight. The next minute, she is accidentally pushed to the ground by the excited crowds.

SC rubs her bruised arm carrying the V8 and struggles to get up but the crowds keep rushing over. Another hand wearing a meteor ring stretches out to SC and she naturally puts her hand into the palm of this kind-hearted person.

Both hands wearing the meteor rings are tightly clasped, this pair of long lost meteor rings finally reunite.

SC on the ground, with the help of the person's hand, gets up and finally looks up at the owner of the meteor ring.

It's the handsome smiling face of DMS, whom she had been thinking of day and night! SC is so shocked that she opens her eyes widely.

Near the coach DMS and SC sit beside each other-both are hesitate how to start the conversation.

SC breaks the silence: "How are u?"

DMS does not answer her but asks her back: "Are u fine?"

SC: "Not too bad!"

DMS: "Me too."

"What a coincidence."

At this moment, the driver horns to hurry SC.

SC: "I have to go." SC stands up, "DMS."

DMS (full of anticipation), asks: "What?"

However SC suppresses her real feelings: "We'll see each other in Taipei."

A disappointed DMS replies: "See u in Taipei."

SC boards the coach, the door closes and drives off.

DMS, rooted to the ground, starts to chase the coach the moment he sees it leaving. After running for some distance, DMS stops in exhaustion and stands in the middle of the road to catch his breath, looking towards the direction of the coach, feeling very dejected.

Suddenly, he hears a familiar voice from behind : "DMS! Where do u want to go?"

A delighted DMS turns around and sees a smiling SC and he breaks into a smile too.

Both of them look at each other joyfully...

Both of them finally reach St. Pons church.

In front of God, with closed eyes and palms together, praying.

SC opens her eyes first and turns to look at DMS whose eyes are still closed and praying under his breath.

SC: "You are praying so seriously, what are u telling God?"

DMS opens his eye, looks at God, and childishly grumbles:

"I said, I went a long distance in order to reach here, so pls don't play any more tricks on us anymore, ok?"

SC frowns: "How can u be so rude when you talk to God?"

DMS protests: "When was I rude? I even said 'pls'."

SC hits DMS' arm and turns to God: "God, he's like that, don't be angry with him!"

DMS: "God is not as narrow-minded as u!"

SC glares at DMS: "I'm not narrow-minded!"

Stopping for a second, SC suddenly thinks of something and retorts: "Yes! I'm narrow-minded!

That's why I like a big pighead like u!"

DMS pits and tries to retort: "I.."

"I should have chosen to be with Lei, that small pighead! Let XM & MZ, those 2 idiots."

SC's sentence is swallowed by DMS' sudden kiss.

A delighted SC opens her eyes widely at the devoted face of DMS with his eyes closed and happily closes her eyes too, kissing him back.

DMS also opens his eyes and gazes at SC kissing him back with her eyes closed and contentedly closes his eyes too, both of them immersed in a passionate kiss.

Slowly, the scene moves to a chair by the street of Barcelona, behind the chair are the engraved words: "Cai & Si"... From far away, we hear SC's scolding: "DMS! Why did u write our names so badly!"

In Taiwan, at night in Shage's cafe, F3 and Sha-ge are each holding a bottle of wine celebrating.

Sha-ge toasts: "For SC and Ah Xing!"

He becomes curious: "What are the 2 of them doing in Barcelona now?"

F3 says together: "Must be pigheading here and pigheading there!" The three of them laugh at the chemistry between them.

At Barcelona, the 2 lovers in the church are still sharing a passionate kiss.

The subtitles read: "so the story is continuing."
