1. It was informed that the Lead Acid Battery for the DG set has been procured and it is now required to be made operational at an early date. It was decided to request Sh. Krishna Lal (B-28) to explore his contacts in helping the society to operate the DG set.
2. It was also informed that the cleaning activity of the drainage line and storm water system has been undertaken and it would be completed in 3 to 4 days.
3. It was informed that five sets of the necessary consumables like bulb, choke, capacitor and igniter have been procured for the execution of the repair work of the street-lights. It was also informed that a 20 meter length four core armoured copper cable may also be required to be procured to rectify one of the cable faults. It was decided that the same may be purchased.
4. It was informed that some of the trees were touching the L.T. cables and some of the L.T. cables were hanging loosely which may cause in frequent disruption of the power supply in Kendriya Vihar, during monsoon. A letter in this respect has been already addressed to the Deputy Engineer, UGVCL, Bopal Sub-division, requesting the cutting of trees and tightening of the L.T. cables, at the earliest.

5. It was also informed that the request letter for release of the balance amount from the corpus fund had been sent to CGEWHO.
6. It was informed that the garbage collection of Kendriya Vihar was currently being done on special request to the Contract labourers of the Bopal Gram Panchayat. It was then decided that the Bopal Gram Panchayat office may be approached for exploring the scope for availing the facilities provided by the Gram Panchayat, at Kendriya Vihar
